## 1. THE COUNCIL'S CONSTITUTION

The **Ceredigion County Council** has agreed a Constitution which sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the Council to choose.

The Constitution is divided into 15 Articles (Part 2) which set out the basic rules governing the Council's business. More detailed procedures and codes of practice are provided in separate rules and protocols at the end of the document.

You may find it helpful to read this Constitution in conjunction with the Constitution Guide, which is available on the Council's website at:

<https://www.ceredigion.gov.uk/your-council/about-the-council/the-councils-constitution/>.

## 2. WHAT'S IN THE CONSTITUTION

### Part 7: Consultative and Advisory Fora

Part 7 details the consultative and advisory fora (statutory and non-statutory) established, the Internal Policy Development/Monitoring Groups, the Partnerships within Ceredigion County, Regional Partnerships/Fora/Consortia/Joint Committees and Member Champions.

### 3. HOW THE COUNCIL OPERATES

The Council is composed of 38 Councillors elected every five years. Councillors are democratically accountable to residents of their electoral division. The overriding duty of Councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.

Councillors have to agree to follow the Code of Conduct for Members to ensure high standards in the way they undertake their duties. The Ethics and Standards Committee trains and advises them on the Code of Conduct.

All Councillors meet together as the Council. Meetings of the Council are open to the public. Here, Councillors decide the Council's overall policies and set the budget each year. The Council is responsible for electing the Leader, notes the appointment of Cabinet Members by the Leader (see also Article 7.8 (Job Sharing) in Part 2 below) and appoints Members to Committees.

The Council's Code of Good Governance is available on the Council's web-site.

### 4. HOW DECISIONS ARE MADE

Cabinet is the part of the Council which is responsible for taking most of the day-to-day executive decisions. The Cabinet comprises the Leader of the Council and at least six, but no more than nine other Councillors whom the Leader appoints (subject to Article 7.8 (Job Sharing) in Part 2 below).

The business to be considered by Cabinet, Overview and Scrutiny Committees and the Council as a whole is published in the forward work programme. Meetings of the Cabinet, Overview and Scrutiny Committees, the Council and other Committees are open for the public to attend except where exempt or confidential matters are being discussed, as defined by the law.

Cabinet has to make decisions which are in line with the Council's overall policies and budget. If it wishes to make a decision which is outside the budget or policy framework, this must be referred to the Council as a whole to decide.

The Council also has a call-in procedure, whereby a decision made by Cabinet, an individual member of Cabinet or a Committee of the Cabinet or under joint arrangements, may be referred by Members to the relevant Overview and Scrutiny Committee in certain circumstances (see the Call-In Procedure in Part 4 Document E of the Constitution).

In making decisions and setting policies and strategies, the Council will take into account the principles and objectives of the **Well-being & Future Generations Act 2015**, and in particular:

the five ways of working:

long term, prevention, collaboration, integration and involvement.

The Council will also take into account the seven well-being goals:

Prosperous, Globally responsible, Resilient, Healthier, a more equal Wales, a Wales of cohesive communities and a Wales of vibrant culture and a thriving Welsh language.

When making decisions of a strategic nature about how to exercise its functions, the Council will have due regard to the desirability of exercising them in a way that is designed to reduce the inequalities of outcome which result from socio-economic disadvantage, as set out in the Equality Act 2010.

When making decisions, the Council will also have due regard to its Anti-Slavery Policy and Anti-Slavery Annual Statement, which is signed by the Council's Anti-Slavery and Ethical Employment Champion, approved by the Council and published on the Council's website ([www.ceredigion.gov.uk](http://www.ceredigion.gov.uk)). The Anti-Slavery Policy covers the 12 commitments of the Welsh Government's Code of Practice on Ethical Employment in Supply Chains and refers to safeguarding processes and responsibilities of the Council under the Modern Slavery Act 2015.

The Council acknowledges the need to have regard to its statutory duty in relation to the Welsh Language, the Well-being of Future Generations (Wales) Act 2015, equality and socio-economic duty.

The Monitoring Officer has the authority to make changes to the Constitution that are needed to ensure it complies with legislation (the law) and minor matters.

The Council also has an established Cross-Party Constitution Working Group, which meets regularly to discuss changes to the Constitution and makes proposals to Council regarding these changes. The Monitoring Officer will confirm any minor changes made to the Constitution to the Cross-Party Constitution Working Group (see also Article 14 – Review and Revision of the Constitution and Part 7).

Certain decisions, which form parts of the Constitution, such as the Responsibility of Cabinet Functions (i.e. which members of the Cabinet, Committees of the Cabinet, officers or joint arrangements are responsible for the exercise of particular Cabinet function) are approved by the Leader and subsequently recorded in the Constitution without need for reference to a Council Meeting for approval.

## **5. OVERVIEW AND SCRUTINY**

There is one Co-ordinating Committee and four Overview and Scrutiny Committees therefore five in total which support the work of Cabinet and the Council as a whole. They look into matters of local significance. They have a remit to scrutinise the budget, policies and service delivery that can lead to reports and recommendations to the Cabinet and the Council. Overview and Scrutiny Committees also monitor the decisions of Cabinet. They can 'call-in' a decision which has been made by Cabinet but not yet implemented. This enables them to consider whether the decision is appropriate. They may recommend that Cabinet reconsider the decision. They may also be consulted by Cabinet or the Council on forthcoming decisions and the development of policy. They must also exercise their powers and responsibilities in relation to the Public Service Board pursuant to the Well-being of Future Generations (Wales) Act 2015.

## **6. REGULATORY AND OTHER COMMITTEES**

There are two 'Regulatory Committees' comprising of:

- the Development Management Committee which determines planning applications and notes information regarding planning decisions and
- the Licensing Committee which determines licensing, taxi and sex establishment applications, renewals, and reviews

There is also:

- a Governance and Audit Committee which provides corporate focus on the issues arising from governance risk management, internal control and reporting. The Terms of Reference are set out at Part 3.3 Table 3 and
- the Ethics and Standards Committee which deals with Code of Conduct and standards and dispensations issues for the County Council and Town and Community Councils.

## **7. THE COUNCIL'S STAFF**

The Council has officers working for the Paid Service to give advice, implement decisions and manage the day-to-day delivery of its services. The Paid Service, is led by the Chief Executive (formerly known as the Head of Paid Service)

Some officers have a specific (statutory) duty to ensure that the Council acts within the law and uses its resources wisely.

A protocol on member/officer relations governs the relationships between officers and Members of the Council.

## **8. CITIZENS' RIGHTS**

Citizens have a number of rights in their dealings with the Council. These are set out in more detail in Article 3 (Part 2). Some of these are legal rights, whilst others depend on the Council's own processes. There are various local advice agencies and local legal practices who can advise on individuals' legal rights.

Where members of the public use specific Council services, for example as a parent of a school pupil or as a Council tenant, they have additional rights. These are not covered in this Constitution.

Citizens have the right to:

- 8.1 vote at local elections if they are registered;
- 8.2 contact their local Councillor about any matters of concern to them;
- 8.3 obtain access to the published Constitution in accordance with Article 15 paragraph 15.3.2;

- 8.8 complain to the Council about the Council's handling of any matter through the Corporate Complaints Procedure which is available at all Council offices and on request
- 8.9 complain to the Ombudsman if they think they have suffered injustice because the Council has not followed its procedures properly. However, they are encouraged only to do this after using the Council's own complaints process;
- 8.10 complain to the Ombudsman if they have evidence which they think shows that a Councillor or Co-opted Member of the Council has not followed the Members' Code of Conduct; and
- 8.11 inspect the Council's accounts and make their views known to the external auditor.

The Council also consults (from time to time and at least once in each financial year) the following about the extent to which it is meeting its performance requirements:

- Local people;
- Other persons carrying on a business in Ceredigion;
- Council Staff; and
- Every trade union which is recognised (within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992 (c.52)) by the Council.

The Council must encourage local people to participate in the making of decisions by the Council, and does welcome participation by its citizens in its work. For further information on your rights as a citizen, please contact the Council’s Proper Officer at Neuadd Cyngor Ceredigion, Penmorfa, Aberaeron, SA46 0PA.

## 1. INTRODUCTION

These Contract Procedure Rules ('CPR') set out the procedure which must be followed for every contract made between the Council and a third party for the supply of goods, services and works. The CPR do not apply to contracts of employment or those for the acquisition or disposal of land but they do apply to services relating to recruitment and land transactions (e.g. the employment of agents).

Complying with the CPR is the best defence against allegations that a purchase has been made incorrectly or fraudulently.

Where, under the CPR, there is a requirement for a communication to be in writing, this shall be deemed to include e-mail and fax transmissions as well as hard-copy, unless stated otherwise.

Officers of the Council responsible for purchasing or disposal must comply with the CPR. The CPR set minimum requirements and a more thorough procedure may be appropriate for a particular contract,

e.g. where a Tender is to be invited instead of a Quotation. The CPR complement the Financial Procedure Rules which must also be followed.

Procurement Guidance may be found on CardiNet, including information on Corporate Contracts. Advice may also be sought from Corporate Procurement or the Internal Audit sections of the Finance Service. The flowchart in Appendix 1 should also be consulted.

In summary:

- Follow the CPR if you purchase goods or services or order construction works.
- Take all necessary professional advice.
- Declare any personal financial interest in a contract. Corruption is a criminal offence. Inform your line manager and complete the officers Declaration of Interest form online.

- Appraise the purchasing need and ensure that specifications are clear and do not discriminate either for or against a supplier or category of supplier.
- Consider whether to complete the template for submission to the Corporate Project Management Panel. Check in the following order whether there is:

1. an existing Corporate Contract

Or

2. All-Wales Framework Agreement

Or

3. another appropriate framework you can use before initiating a competitive process. If such a contract or agreement

exists it must be used (ignoring such a contract to purchase from an established source is a disciplinary matter).

- Normally allow four weeks for the submission of bids (not to be submitted by fax).
- Keep bids confidential.
- Complete a written contract or Council order before the supply of goods, services or works begin.
- Identify a Contract Manager with responsibility for ensuring the contract delivers as intended.
- Keep complete and accurate records of dealings with suppliers.
- Assess each contract afterwards to see how well it met the purchasing need and Value for Money requirements.
- Monitor and assess the performance of the supplier or contractor during and following completion of the contract.

All contracts must be subject to competition, as detailed in the table under Point 8.1.

Disposals: See Rule 8.2

## 2. BASIC PRINCIPLES

All procurements and disposals are to:

- Achieve Value for Money.
- Be awarded following open competition.
- Ensure fairness in allocating public contracts.
- Comply with all legal requirements and specifically with the Regulations.
- Be conducted proportionately, particularly with regard to the advertising of contracts and to the management of risk.
- Follow transparent procedures.
- Ensure that Considerations not related to Value for Money do not influence any Contracting Decision.
- Support the Council's corporate strategy and policies.
- Support Departmental aims and objectives.
- The basic principles apply equally to the use of E-procurement technology including but not limited to Purchase Cards, e-sourcing and e-tendering.
- Contracts for supplies, works and Schedule 3 services (see Appendix I) above the European tendering thresholds must be advertised in OJEU. Schedule 3 services and contracts below the EU threshold must be advertised sufficiently widely to ensure all suppliers who may be interested have an opportunity to tender. It must be decided on a case-by-case basis whether advertisements need to extend beyond UK boundaries taking into account, for example, value, type of service, location of the work, market characteristics etc. In the vast majority of cases this may be achieved by advertising on the National Procurement Website (see also Procurement Guidance).

### 3. OFFICERS' RESPONSIBILITIES

or
  2. An All-Wales Framework Agreement  
or
  3. Another appropriate framework agreement  
exists before seeking to let another contract. Where such a suitable contract/framework exists it must be used. If a Corporate Contract is in place, this will be used rather than an All-  
4. Wales Framework Agreement, and if an All-Wales Framework Agreement exists this will be used rather than another appropriate framework agreement.
- c. keep full and accurate records.
- d. ensure that all architects, engineers, surveyors or any other consultants to be engaged in construction, building, engineering, highways, estates or property related works on behalf of the Council are appointed by or in agreement with the Corporate Lead Officer Highways and Environmental Services or Corporate Lead Officer Economy & Regeneration
- e. ensure that agents, consultants and contractual partners acting on the Council's behalf also comply with these CPR (but note that this provision does not apply to sub-contracts).
- f. ensure that all TUPE issues are considered and obtain legal, Human Resources or other appropriate professional advice before proceeding to invite tenders or quotations if any employee either of the Council or of a service provider may be affected by a transfer arrangement.

#### 4. BEFORE COMMENCING A PROCUREMENT

- 4.1 Every procurement exercise needs to be appraised to ensure it is conducted proportionately to the complexity, risk and value of the proposed contract and in accordance with the Procurement Guidance.
- 4.2 In identifying and appraising the need for the procurement and its priority the following elements must be taken into account:
- the requirements arising out of any relevant inspection or service review
  - the objectives of the procurement
  - the procurement method most likely to achieve the objectives, including (but not limited to) internal or external sourcing, sourcing through an All-Wales Framework Agreement or other appropriate framework agreement, contract packaging strategy, collaboration with other purchasers or partnering
  - The results of consulting users as appropriate on the proposed procurement method, contract standards, performance and user satisfaction monitoring.
- 4.3 If the Total Value is £100,000 or over, the appraisal must be in writing.
- 4.4 In order to secure Value for Money the Council may enter into collaborative procurement arrangements. Any contracts entered into through collaboration with other local authorities or public bodies, where a competitive process has been followed complying with the CPR of the lead organisation (but not necessarily with these CPR), will be deemed to comply with these CPR and no exemption is required. This will include All Wales Framework Agreements and other appropriate Framework Agreements subject to prior consultation with the Procurement Manager and/or the Chief Finance Officer.

## **5. RETENTION OF RECORDS AND NOTIFICATION TO CANDIDATES**

The process must be recorded and records retained as evidence as specified below:

### **5.1 Contracts up to £4,999 Total Value**

Where the total value is up to £4,999 the following documents shall be retained and kept safe:

- Written confirmation from suppliers which can include web pages advertisements, receipts, e-procurement order etc.

### **5.2 Contracts of £5,000 and above to £99,999 Total Value**

Where the Total Value is under £100,000 and a quotation process is used, the following documents shall be retained and kept safe. If a full tender process is used the procedure to be followed is the same as for contracts of £100,000 and over:

- invitations to quote and quotations received
- a written or electronic record of any exemption(s) and the reasons for it or them
- to whom the contract was awarded and the reasons
- written or electronic records of communications with the successful contractor.

### **5.3 Contracts of £100,000 and over in Total Value**

Where the Total Value is £100,000 or over the tender process is to be managed by the Procurement Manager. The Procurement Manager is responsible for the retention and safekeeping of the tendering evidence. The Lead Officer shall ensure the Procurement Manager has all of the following items and will provide electronic copies where necessary:

- identification and appraisal of need

- method of obtaining bids including decisions on the breadth of advertising required.
- any Contracting Decision and the reasons for it
- any exemption granted together with the reasons for it and relevant exemption category recorded
- the Award Criteria, including their relative weighting in descending order of importance
- tender documents sent to and received from Candidates
- pre-tender market research (where undertaken)
- clarification of procedures or documentation (to include minutes of meetings)
- contract documents including a list of those documents to be included in the contract award documentation / e-Procurement order
- details of the tender award team
- full details of the evaluation and award
- Tenders – contract and award notices (OJEU where applicable)
- post-contract evaluation and monitoring
- written or electronic records of communications with Candidates and with the successful contractor throughout the period of the contract
- names of the successful tenderer and Lead Officer and date of the contract award.
- Evidence of the tender acceptance sign-off

#### **5.4 Directors or Chief Officers must:**

- keep a register of contracts of Total Value £100,000 or over
- retain and safeguard original contracts

- be responsible for the safekeeping of all original contracts on Council premises
- record any exemptions using the form in the Procurement Guidance.

### **5.5 Retention of Documents**

All records required by this Rule must be kept for six years after the end of the contract period, unless there is a requirement to retain them for a longer period such as contracts made under seal which must be retained for twelve years.

### **5.6 Disposal of Documents**

The disposal of Tender and contract documentation must be done in accordance with the guidelines on records management available on CardiNet, e.g. General Disposal Guidelines for Local Authorities as presented by the Records Management Society of Great Britain's Local Government Group.

### **5.7 Notification to Candidates**

Candidates that are excluded (not allowed to compete) must be informed. Candidates that fail to pre-qualify and are not invited to tender must be informed when they are deselected as opposed to the end of the tender exercise.

Contracts with a Total Value above the EU Threshold will be subject to the Standstill Period and potential challenges prior to contract award. (This does not apply to contracts awarded through frameworks and partially exempt contracts e.g. below threshold standard contract and Schedule 3 awards.) Notification of a decision to award a contract must be sent in writing to all Candidates simultaneously as soon as possible and must contain:

- the award criteria

- reasons for the decision, including the characteristics and relative advantages of the successful tender
- the score awarded to the recipient of the communication (for MEAT criteria)
- the name and the score of the winning Candidate (or those admitted to a framework)
- the expected end date of the Standstill Period

Templates of example letters that can be sent to successful and unsuccessful Candidates are available from Procurement Guidance.

Electronic notification must be used, and the Standstill Period ends at midnight on the 10<sup>th</sup> day after the sending date. When the last day of the Standstill Period is not a working day, the Standstill Period is extended to midnight at the end of the next Working Day.

## **6. FRAMEWORK AGREEMENTS**

### **6.1 Procedure and Practice**

6.1.1 The term of a Framework Agreement shall not exceed four years, except where approved in advance by Cabinet.

6.1.2 Whilst a Framework Agreement may be entered into with one contractor, where such an Agreement is concluded with several contractors, they must be at least three in number.

6.1.3 Contracts based on a Framework Agreement may be awarded either:

- In accordance with the terms of the Framework Agreement (where such terms are sufficiently precise to cover the particular Call-Off) without reopening competition; or
- Where the terms of the Framework Agreement are not precise enough or complete for the particular Call-Off, the

Council shall re-open competition between Bidders who are parties to the Framework Agreement in accordance with the following procedure:

- after consultation with Bidders, capable of performing the contract, invite them to submit written Tenders
- fix a reasonable time limit for submission of Tenders taking into account factors such as the complexity of the subject matter of the contract and estimated contract value
- invite Bidders to submit Tenders in writing (which will be by secure electronic communication), the content to remain confidential until the time stipulated for reply has expired
- award the contract to the Bidder who has submitted the best Value for Money Tender on the basis of the Award Criteria and as set out in the specifications of the Framework Agreement. The Award Criteria may be

adjusted with the prior agreement of the Procurement Unit to reflect the characteristics of the individual Call-Off contract.

## **6.2 Crown Commercial Services & Other Appropriate Frameworks**

Before commencing any procurement process utilising Crown Commercial Services or other appropriate Framework Agreements, the following procedures shall be observed:

- consult the Procurement Unit, and
- consider the terms and conditions of the relevant agreement, to ensure that they are appropriate, and the provisions of clause 6.1.3 above, and
- ensure that proper consideration, using all relevant documentation and literature, is given to the potential Bidders' capabilities to fulfil the contract satisfactorily.

## **7. DYNAMIC PURCHASING SYSTEMS**

### **7.1 Introduction**

It is not permissible to operate an Approved List, however a Dynamic Purchasing System (DPS) is a viable alternative.

European procurement legislation requires the value of ad hoc purchases of similar supplies, services and works to be aggregated for the purpose of determining whether the annual value of such purchases exceeds the relevant EU Threshold. If the EU Threshold is exceeded, the Council is required to comply fully with the legislation for each and every purchase irrespective of the value of the individual purchase.

For those supplies and services to which the aggregation rule is likely to apply, the Council will seek to establish a corporate Framework Agreement, will seek to utilise a collaborative arrangement such as an All-Wales Framework Agreement or establish a DPS.

### **7.2 General Features**

A DPS for commonly can be used for purchases the characteristics of which, as generally available on the market, meet their requirements.

- The DPS shall be operated as a completely electronic process, and shall be open throughout the period of validity of the purchasing system to any economic operator that satisfies the selection criteria.
- The DPS may be divided into categories of products, works or services that are objectively defined on the basis of characteristics of the procurement to be undertaken under the category concerned.
- Such characteristics may include reference to the maximum allowable size of the subsequent specific contracts or to a specific geographic area in which subsequent specific contracts will be performed.
- The period of validity of the DPS shall be stated in the call for competition. Lead officers must inform the Procurement Manager if the DPS is likely to be terminated early so necessary notifications can be made.
- No charges may be billed, prior to or during the period of validity of the DPS, to the economic operators which are interested in or party to the dynamic purchasing system.

### **7.3 Process**

Advice must be sought from the Procurement Unit before commencing the process, and the Unit will manage the initial tender. In order to procure under a DPS, the rules of the restricted procedure must be followed, subject to the following provisions:

- All the candidates satisfying the selection criteria shall be admitted to the system, and the number of candidates to be admitted to the system shall not be limited.
- Where the system is divided into categories of products, works or services the applicable selection criteria for each category must be specified.

### **7.4 Time Limits**

The minimum time limit for receipt of requests to participate shall be 30 days from the date on which—

the contract notice is sent, or where a prior information notice is used a means of calling for competition, the invitation to confirm interest is sent. No further time limits for receipt of requests to participate shall apply once the invitation to tender for the first specific procurement under the dynamic purchasing system has been sent.

The minimum time limit for receipt of tenders may set by mutual agreement between the Council and all selected candidates, provided that all selected candidates have the same time to prepare and submit their tenders. This requirement also applies when new Candidates are admitted to the DPS during the course.

#### **7.5 Requirement to use Electronic Communication**

All communications in the context of a dynamic purchasing system shall only be made by electronic means.

#### **7.6 The Call for Competition etc.**

For the purposes of awarding contracts under a DPS, the following actions must be undertaken:

- publish a call for competition making it clear that a DPS system is involved; indicate in the procurement documents at least the nature and estimated quantity of the purchases envisaged, as well as all the necessary information concerning the DPS, including how the DPS operates, the electronic equipment used and the technical connection arrangements and specifications;
- indicate in the procurement documents any division into categories of products, works or services and the characteristics defining them;
- offer unrestricted and full direct access, as long as the system is valid, to the procurement documents.

#### **7.7 Requests to Participate and their Evaluation**

Any economic operator, throughout the entire period of validity of the DPS, shall be given the possibility of requesting to participate in the system under the following conditions:

- The restricted procedure process is followed, and new Candidates must complete the same PQQ selection process used in the original tender exercise.
- All the candidates satisfying the selection criteria shall be admitted to the system, and the number of candidates to be admitted to the system shall not be limited.
- Where the system is divided into categories of products, works or services the applicable selection criteria for each category must be specified.
- The evaluation of such requests in accordance with the selection criteria must be made within 10 working days following their receipt. That period may be prolonged to 15 working days in individual cases where justified, in particular because of the need to examine additional documentation or to otherwise verify whether the selection criteria are met.
- The Candidate shall be informed at the earliest possible opportunity of whether or not it has been admitted to the DPS.

## **7.8 Tendering and Award of Contract**

All admitted participants must be invited to submit a tender for each procurement under the DPS. Where the DPS has been divided into categories of works, products or services, all participants having been admitted to the category corresponding to the specific procurement concerned must be invited to submit a tender.

The contract shall be awarded to the tenderer that submitted the best tender on the basis of the award criteria set out in the contract notice for the DPS. Those criteria may, where appropriate, be formulated more precisely in the invitation to tender.

## **7.9 Means of Proof**

At any time during the period of validity of the DPS, the Council may require admitted participants to submit a renewed SQuID within five working days from the date on which that request is transmitted. During the tender process it is possible to seek clarification and copies of relevant documentation as necessary.

## **7.10 Contract Award Notices**

For all contracts awarded under a DPS either:-

A contract award notice must be sent within 30 days after the award of each contract based on a DPS, or group such notices on a quarterly basis, in which case the grouped notices must be sent within 30 days of the end of each quarter.

It is the responsibility of the Lead Officer to ensure the Procurement Manager is provided with all the information necessary to post the notice within the timescale detailed above.

## 8. COMPETITION REQUIREMENTS FOR THE AWARD OF CONTRACTS

Determine the Total Value of the proposed contract (note that separate contracts must not be entered into nor a method of selecting the Total Value used which would have the effect of compromising or subverting these CPR).

Check whether there is an existing Corporate Contract, an All-Wales or another Appropriate Framework Agreement that can be used before initiating a competitive process.

The following procedures apply where there are no other procedures which take precedence, for example, agency agreements with government. If in doubt, Officers must seek the advice of the Procurement Unit.

### 8.1 Selection of the Award Process (Acquisition)

When the Total Value has been determined, the award process of either inviting tenders or requesting quotations can be selected. The table below summarizes the threshold values and the competition requirements together with the appropriate methods (see also the flowchart in Appendix 1). Records must be retained as specified in Section 5.

Thresholds and Advertising Requirements Estimated Value of Goods, Services or Works*	Number of Quotations/Tenders Required**	Method of Obtaining Quotations/Tenders
£0 - £4,999	Sufficient number to demonstrate best value and integrity of process.	Verbal enquiry confirmed by email. Internet searches including Sell2wales, trade paper etc.

		<p>Consideration of local suppliers must be part of the process. The CPU should be contacted if you need advice on what to procure and/or where to source it</p>	
£5,000 - £24,999	<p>A minimum of 4 quotations to be sought and at least 2 received.</p> <p>Consideration of local suppliers must be part of the process.</p> <p>Please refer to the Procedure Flowchart (Appendix 1) for the action to be taken if there are not enough suppliers to invite or if the minimum number of quotes has not been received.</p>	<p>Formal written quotation. Sell2wales Quick Quotes to be considered.</p>	
£25,000 - £99,999	<p>A minimum of 5 quotations to be sought and at least 3 received.</p>	<p><u>Either</u></p> <p>a) Formal written quotation. Sell2wales Quick Quotes to be considered.</p> <p><u>Or</u></p>	

	<p>Consideration of local suppliers must be part of the process.</p> <p>Please refer to the Procedure Flowchart (Appendix 1) for the action to be taken if there are not enough suppliers to invite or if the minimum number of quotes has not been received.</p>	<p>b) A full tender process conducted through etenderwales and managed by the Corporate Procurement Team.</p>
£100,000+ to below OJEU.	<p>A minimum of 5 formal tenders invited through an open call for competition or following an open call for competition (as in the case of a Restricted Tender process) and at least 3 received.</p> <p>Please refer to the Procedure Flowchart (Appendix 1) for the action to be taken regarding invitations to tender or if the minimum number of quotes has not been received.</p>	<p>In the first instance a check must be made to ensure the contract value over its proposed period of validity is under the OJEU threshold or not. This information can be found at: <a href="http://www.ojec.com/thresholds.aspx">http://www.ojec.com/thresholds.aspx</a></p> <p>A full electronic tender process is mandatory, and to be conducted through etenderwales. Below OJEU threshold a standard Contract Notice must be published and above the threshold an OJEU notice must be published. Both Notices are to be published through Sell2wales. The Corporate Procurement Team will manage this process.</p>
Above OJEU	Where the estimated value of a contract exceeds current EU Threshold, then the contract must be tendered in accordance with	

	<p>the UK's Public Contract Regulations, and these CPR's. In all such circumstances appropriate advice must be sought from the Corporate Procurement Unit.</p> <p>The OJEU thresholds can be checked at:  <a href="http://www.ojec.com/thresholds.aspx">http://www.ojec.com/thresholds.aspx</a></p>
--	---

\*Buyers should satisfy themselves the Council's aggregated annual expenditure does not exceed the threshold they are looking at for an individual procurement.

\*\*It is important to appreciate that Contractors must be informed of how their quotations will be evaluated and this information should be set out when Contractors are asked to quote.

\*\*When contracting from frameworks it is important to follow the rules on further competition and contract award as set out in the over-arching framework agreement. Framework agreements will have already been through an open competitive process, and so the minimum number of suppliers to be invited to quote/tender as set out in the framework rules takes precedence over the table above. However, the minimum number of quotes/tenders received remains as specified in the table, except in the case of single supplier frameworks.

European procurement legislation requires the value of ad hoc purchases of similar supplies, services and works to be aggregated for the purpose of determining whether the annual value of such purchases exceeds the relevant EU Threshold. If the EU Threshold is exceeded, the Council is required to comply fully with the legislation for each and every purchase irrespective of the value of the individual purchase.

Guidance on conducting tendering exercises (OJEU and non-OJEU) and requesting Quotations appears in the Procurement Guidance and the flowchart in Appendix I illustrates how the selection of the award process correlates with the EU Threshold.

Where it can be demonstrated that there are insufficient suitably qualified Candidates to meet the competition requirement, an Exemption is to be requested to the CPRs and if granted, all suitably qualified Candidates must be invited to bid.

## 8.2 Selection of the Award Process (Disposal)

Assets for disposal shall be sent to public auction whether electronic auctions or to tender as appropriate.

Alternatively, low value items (under £500) may have a purchase price assigned to each of them and advertised for sale.

Value Added Tax must be added to sales as necessary, and an official Council invoice raised when dealing directly with buyers

## **9. EXEMPTIONS**

There are 4 actions for which an exemption to the CPR can be sought as follows:

- Use of the Competitive Dialogue Procedure (12.3)
- Use of the Negotiated Procedure (13)
- Insufficient providers in the market to meet the requirements for competition
- Insufficient quotations/bids received to satisfy the requirement

The exemption form is available on the Procurement Guidance page of CardiNet. This form must be signed by the Procurement Manager indicating support of the request, the appropriate Director and the Chief Finance Officer.

The original signed form is to be kept on the project file by the Lead Officer, and copies provided to the Procurement Manager and the Council's Monitoring Officer. Note that for contract values above the EU Threshold the justification forms part of the annual returns for EU statistics on public procurement. The Exemption Justification categories are set out in Appendix III.

## **10. PRE-TENDER MARKET RESEARCH AND CONSULTATION**

The Lead Officer:

- a. may consult potential Candidates prior to the issue of the RFQ or ITT in general terms on the nature, level and standard of the supply, contract packaging and other relevant matters provided this does not prejudice any potential Candidate, but
- b. must not seek or accept technical advice on the preparation of a RFQ or ITT from anyone who may have a commercial interest in

all potential Candidates or distort competition (and this shall be presumed to be discriminatory unless proven not to be), and

- C. shall seek advice from the Procurement Unit.

## 11. REQUEST FOR QUOTATION (RFQ) OR INVITATION TO TENDER (ITT)

### QUOTATIONS

The Lead Officer should check the table (8.1) and seek quotations from at least the minimum specified number of suitable candidates. Inviting Local suppliers should always be considered, and the use of the Sell2wales Quick Quotes system is recommended because it manages the workflow and provides an audit trail.

Compliance with the following principles is required (as for all public contracts regardless of value):

1. Equal Treatment
2. Transparency
3. Non-discrimination
4. Mutual Recognition
5. Proportionality

11.1 The RFQ must include a specification (including for the Schedule 3 Services in Appendix II). The specification must describe clearly the Council's requirements in sufficient detail to enable the submission of competitive offers. In preparing specification the Officer should consult the Procurement Guidance.

11.2 The Lead Officer must have regard to the relevant British, European or International standards that apply to the subject matter of the contract to be included in the specification, including those standards necessary to describe the required quality.

Note: Further detail on the use of technical specifications in the contract documents is provided in Section 5 of the Regulations.

11.3 The RFQ must state that the Council is not bound to accept any Quotation (the Procurement Guidance contains some model documents and other sources of guidance).

11.4 All Candidates invited to Tender or quote must be issued with the same information.

11.5 Every RFQ shall include:

- A description of selection process, methodology and the Award Procedure
- In the Award Criteria, designed to secure Value for Money for the Council, the basic criteria shall be:
  - 'highest price' if payment is to be received from a disposal of goods, or
  - 'most economically advantageous' offer in providing goods, services or works as set out in a price/quality weighted scoring matrix.

Scoring used in the award of a contract shall use criteria linked to the subject matter of the contract to determine the most economically advantageous Tender including any, or all, of the following:

- Quality
- Price
- Technical Merit
- Aesthetic and Functional Characteristics
- Running Costs
- Environmental Characteristics
- Period of Completion
- After Sales Service
- Technical Assistance
- Delivery Date and Delivery Period

Where feasible, the price component of Value for Money should reflect the whole life cost of the purchase taking into account, for example, relevant operating, maintenance and disposal costs. Where these are not part of the tendered price, reasonable estimates may be made and added to the tendered price.

- Award Criteria that do not transgress any of the Basic Principles

If insufficient Quotations are received and the contract value is between £5k and £24,999 more must be requested until the minimum is satisfied. For contracts between £25k and £99,999 an open process must be conducted. In the event there are insufficient suppliers in the market to meet the requirements specified in the table an Exemption must be sought.

## **Tenders**

Tenders below the OJEU must have a standard Contract Notice published through sell2wales. Below the OJEU threshold there is flexibility on the regions where the contract opportunity is advertised and the tendering timescales. However, above the threshold the contract opportunity must be advertised in OJEU through Sell2wales and the stipulated timescales strictly adhered to. The principles of open, fair and transparent process apply equally above and below the OJEU threshold.

- 11.6 Every ITT must be managed by the Procurement Unit and conducted electronically using the corporate system. In the event of a technical failure the Chief Finance Officer has the authority to direct the Procurement Unit to conduct an alternative exercise which meets all the requirements set out in these CPRs. If such an alternative exercise is conducted the full details of the exercise must be uploaded to the corporate electronic system at the earliest opportunity after the functionality is restored.
- 11.7 Compliance with the following principles is required (as for all public contracts regardless of value):
- Equal treatment
  - Non-discrimination
  - Proportionality
  - Transparency
  - Mutual Recognition
- 11.8 The ITT must include a specification (including for the Schedule 3 Services in Appendix II). The specification must describe clearly the Council's requirements in sufficient detail to enable the submission of competitive offers. In preparing specification the Officer should consult the Procurement Guidance.
- 11.9 The Lead Officer must have regard to the relevant British, European or International standards that apply to the subject matter of the contract to be included in the specification, including those standards necessary to describe the required quality.

Note: Further detail on the use of technical specifications in the contract documents is provided in Part 5 of the Regulations.

11.10 The ITT must state that the Council is not bound to accept any Tender (the Procurement Guidance contains some model documents and other sources of guidance).

11.11 All Candidates invited to Tender must be issued with the same information at the same time and subject to the same conditions, other than in the case of ITT by Open Procedure where tenderers may request Tender documentation at any time during the Tender period. All supplementary information must be given to all Candidates on the same basis.

11.12 Every ITT shall include (unless the information has been specifically requested in the Pre-Qualification Questionnaire):

- A description of the Award Procedure, unless defined in a prior advertisement.
- A prohibition of submitting Tenders by fax.
- A definition of the Award Criteria in objective terms and, if possible, in descending order of importance, unless defined in a prior advertisement.
- In the Award Criteria, designed to secure Value for Money for the Council, the basic criteria shall be:
  - ‘highest price’ if payment is to be received from a disposal of goods, or
  - ‘most economically advantageous’ offer in providing goods, services or works as set out in a price/quality weighted scoring matrix.

Scoring used in the award of a contract shall use criteria linked to the subject matter of the contract to determine the most economically advantageous Tender including any, or all, of the following:

- Quality
- price
- technical merit
- aesthetic and functional characteristics

- running costs
- environmental characteristics
- period of completion
- after sales service
- technical assistance
- delivery date and delivery period

Where feasible, the price component of Value for Money should reflect the whole life cost of the purchase taking into account, for example, relevant operating, maintenance and disposal costs. Where these are not part of the tendered price, reasonable estimates may be made and added to the tendered price.

- Award Criteria that do not transgress any of the Basic Principles.
- A form of Tender, non-collusive tendering certificate and instructions to Candidates using appropriate paragraphs from the Procurement Guidance.
- A requirement for Candidates to declare that the Tender content, price or any other figure or particulars concerning the Tender have not been disclosed by the Candidate to any other party (except where such a disclosure is made in confidence for a necessary purpose).
- A statement that no Tender will be considered unless it is received by the date and time stipulated and that any Tender received in contravention of this clause shall not be considered.
- The procurement timetable including the Tender return date and time, which shall allow a reasonable period for the applicants to prepare their tenders.
- Pricing mechanism and instructions for completion.
- Whether the Authority is of the view that TUPE1 may apply.
- Form and content of method statements to be provided.
- Instructions for submitting Tenders electronically.
- Any further information which will inform or assist Candidates in preparing Tenders.
- A condition that the contractor may not assign or sub-contract without prior written consent.
- Any insurance requirements.
- Health and safety requirements.

- Ombudsman requirements if relevant.
- Data protection requirements if relevant.
- That charter standards are to be met if relevant.
- Equality Act requirements.
- Freedom of Information Act requirements.
- Welsh Language Standards.
- (Where agents are used to let contracts) that agents must comply with the Council's CPR relating to contracts.
- A right of access to relevant documentation and records of the contractor for monitoring and audit purposes if relevant.
- A clause stating that "The Council may terminate this contract and recover all its loss if the Contractor, its employees or anyone acting on the Contractor's behalf do any of the following things:
  - (a) offer, give or agree to give to anyone any inducement or reward in respect of this or any other Council contract (even if the Contractor does not know what has been done); or
  - (b) commit an offence under the Prevention of Corruption Acts 1889 to 1916 or Section 117(2) of the Local Government Act 1972; or
  - (c) commit any fraud in connection with this or any other Council contract whether alone or in conjunction with Council members, contractors or employees.

Any clause limiting the Contractor's liability shall not apply to this clause".

If insufficient Tenders are to meet the requirements specified (8.1) an Exemption must be sought.

1. If the Council is of the view that TUPE may apply, it should seek legal advice as appropriate on what information to include in the ITT. If it is likely that there will be a contractor to contractor TUPE transfer, then the Council will need to consider what information will be required to pass on to tenderers in respect of current contractual arrangements. The Council should ask prospective tenderers to sign a confidentiality undertaking before providing any details on any other

contractual arrangements. Existing contractors should be notified by the Council of any details provided to prospective tenderers.

## **12. OPEN OR RESTRICTED TENDERING PROCEDURE**

- 12.1 If the Open Procedure is used, all Candidates requesting Tender documents receive them without the need of a prior selection process. The personal situation, economic and financial standing and capability and capacity of candidates (as defined in the Regulations) must, however be evaluated through the Tender process. All Tenders returned correctly following an invitation to Tender using this procedure must be evaluated in accordance with the Procurement Guidance.
- 12.2 If the Restricted Procedure is used, a minimum of 5 candidates must be selected to be invited to Tender provided there are 5 suitable candidates. The criteria for selection must have regard to Candidates' personal situation, economic and financial standing and capability and capacity (as defined in the Regulations). This information will be provided by Candidates through the submission of the Pre-Qualification Questionnaire as provided for in the Procurement Guidance
- 12.3 The use of any other tendering procedure, i.e. the Negotiated Procedure with call for competition, or the competitive dialogue procedure, must be sanctioned by the **Chief Finance Officer**.

## **13. NEGOTIATED TENDERING PROCEDURES**

Justification for using a Negotiated Procedure must be recorded using the CPR Exemption Form available from the Procurement Guidance. The procedure applies in full above the EU Threshold; below this the Basic Principles under Rule 2 apply.

- 13.1 The Council may use the Negotiated Procedure, with prior publication of a contract notice, in the following circumstances:
- (a) with regard to works, supplies or services fulfilling one or more of the following criteria:—
- (i) the needs of the Council cannot be met without adaptation of readily available solutions;
  - (ii) they include design or innovative solutions;
  - (iii) the contract cannot be awarded without prior negotiation because of specific circumstances related to the nature, the complexity or the legal and financial make-up or because of risks attaching to them;

- (iv) the technical specifications cannot be established with sufficient precision by the contracting authority with reference to a standard, European Technical Assessment, common technical specification or technical reference;
- (b) with regard to works, supplies or services where, in response to an open or a restricted procedure, only irregular or unacceptable tenders are submitted.

Once the Negotiated Procedure has been justified as evidenced by the signed CPR Exemption Form, the Council shall publicise its intention to seek offers by inviting requests to be selected to negotiate.

To reduce the number of tenders to be negotiated, the Council may provide for the Negotiated Procedure to take place in successive stages by applying the award criteria in the contract documents (compare the Restricted Procedure).

If the Council provides for the Negotiated Procedure to take place in successive stages in accordance with the previous paragraph, it shall ensure that the number of Candidates to be invited to negotiate the contract at the final stage is sufficient to ensure genuine competition. The minimum number of Candidates to receive an invitation to negotiate is 3, provided there are 3 suitable candidates.

13.2 The Council may use the Negotiated Procedure without prior publication of a contract notice in the following circumstances:

1. In the specific cases and circumstances laid down in the Regulations, the Council may award public contracts by a negotiated procedure without prior publication.

#### General grounds

The negotiated procedure without prior publication may be used for public works contracts, public supply contracts and public service contracts in any of the following cases:—

where no tenders, no suitable tenders, no requests to participate or no suitable requests to participate have been submitted in response to an open procedure or a restricted procedure, provided that the initial conditions of the contract are not substantially altered and that a report is sent to the Commission where it so requests;

where the works, supplies or services can be supplied only by a particular economic operator for any of the following reasons:—

the aim of the procurement is the creation or acquisition of a unique work of art or artistic performance;

competition is absent for technical reasons;

the protection of exclusive rights, including intellectual property rights;

but only, in the case of paragraphs (ii) and (iii), where no reasonable alternative or substitute exists and the absence of competition is not the result of an artificial narrowing down of the parameters of the procurement;

insofar as is strictly necessary where, for reasons of extreme urgency brought about by events unforeseeable by the contracting authority, the time limits for the open or restricted procedures or competitive procedures with negotiation cannot be complied with.

For the purposes of paragraph (2) (a)—

a tender shall be considered not to be suitable where it is irrelevant to the contract, being manifestly incapable, without substantial changes, of meeting the contracting authority's needs and requirements as specified in the procurement documents;

a request to participate shall be considered not to be suitable where the economic operator concerned—

is to be or may be excluded under regulation 57, or

does not meet the selection criteria.

For the purposes of paragraph (2)(c), the circumstances invoked to justify extreme urgency must not in any event be attributable to the contracting authority.

#### *Additional grounds relevant to public supply contracts*

The negotiated procedure without prior publication may be used for public supply contracts—

where the products involved are manufactured purely for the purpose of research, experimentation, study or development, but contracts awarded in reliance on this sub-paragraph shall not include quantity production to establish commercial viability or to recover research and development costs;

for additional deliveries by the original supplier which are intended either as a partial replacement of supplies or installations or as the extension of existing supplies or installations where a change of supplier would oblige the contracting authority to acquire supplies having different technical characteristics which would result in incompatibility or disproportionate technical difficulties in operation and maintenance;

for supplies quoted and purchased on a commodity market;

for the purchase of supplies or services on particularly advantageous terms, from either a supplier which is definitively winding up its business activities, or the liquidator in an insolvency procedure, an arrangement with creditors, or a similar procedure under national laws or regulations.

In the case of paragraph (5)(b), the duration of the contract, as well as that of recurrent contracts, shall not, save in exceptional circumstances, exceed three years.

*Additional ground relevant to public service contracts that follow a design contest*

The negotiated procedure without prior publication may be used for public service contracts where the contract concerned—

follows a design contest organised in accordance with this part in the Regulations, and is to be awarded, under the rules provided for in the design contest, to—

the winner of the design contest, or one of the winners of the design contest.

Where paragraph (7)(b)(ii) applies, all winners must be invited to participate in the negotiation.

*Additional ground relevant to new works or services which repeat similar ones*

The negotiated procedure without prior publication may be used for new works and services consisting of the repetition of similar works or services entrusted to the economic operator to which the same contracting authority awarded an original contract, provided that such works or services are in conformity with a basic project for which the original contract was awarded following a procedure in accordance with Regulation 26(1) and (2).

The basic project shall indicate the extent of possible additional works or services and the conditions under which they will be awarded.

As soon as the first project is put up for tender, the possible use of this procedure shall be disclosed and the total estimated cost of subsequent works or services shall be taken into consideration by the contracting authority when it applies regulation 5.

This procedure may be used only during the three years following the conclusion of the original contract.

## **14. LIGHT TOUCH REGIME**

This Rule applies only to those services listed under Schedule 3 of the Regulations (See Appendix II). All the Basic Principals apply including the requirements of Equal Treatment, Non-Discrimination, Proportionality,

Transparency and Mutual Recognition. However there is no need to advertise the opportunity in OJEU if the contract value is below the threshold specified for Schedule 3 Services unless there is a clear indication for cross EU border interest. This allows more flexibility in the procurement process, including the timescales.

## **15. SUBMISSION, RECEIPT AND OPENING OF TENDERS**

- 15.1 Candidates invited to respond must be given an adequate period in which to prepare and submit a proper Tender, consistent with the urgency of the contract requirement. Normally at least 4 weeks should be allowed for submission of Tenders. If the Tender is sufficiently valuable to be advertised in OJEU there are specific minimum pre-award time periods to be observed during the process (see Procurement Guidance).
- 15.2 Tenders shall be conducted electronically using the corporate system except in the event of technical failure (See 10.1) The corporate system is hosted on a secure website and tenders can't be opened until the deadline for receipt has expired.
- 15.3 Tenders shall not be opened until the time limit for their submission has expired.
- 15.4 All Tenders of potential Total Value £100,000 or over must be returned to the Chief Finance Officer electronically to the relative ITT on the corporate system (In the event of system failure 10.1 applies, otherwise tenders received by any other means will be rejected). Quotations are to be returned to the appropriate departments and the Sell2wales Quick Quote system should be used for this purpose if deemed appropriate by the Lead Officer for the particular exercise
- 15.5 The names of Candidates must not be disclosed.
- 15.6 In the event of system failure the Chief Finance Officer shall be responsible for the safekeeping of tenders.
- 15.7 On receipt, each hard-copy Quotation must be:
- 15.7.1 date stamped
  - 15.7.2 initialled by the receiving Officer.

This rule will apply to Tenders in the event of technical failure.

- 15.8 The Chief Finance Officer must ensure that all Tenders are opened at the same time, when the period for their submission has expired, in the presence of at least one other officer.
- 15.9 If there appears to be an error in a bid or supporting information, the Candidate must be invited to confirm or withdraw the bid. Where the error relates to the Tender total as calculated from tendered rates and variable quantities, the rates will be regarded as the offer and the Tender total adjusted accordingly for a re-measurement contract. For a fixed-price contract, the Tender total will be regarded as the offer and the rate adjusted accordingly. The Candidate will be invited to confirm or withdraw the adjusted bid in both cases.

## **16. CLARIFICATION PROCEDURES**

Providing clarification of an ITT to potential or actual Candidates, or seeking clarification of a Tender from a Candidate, whether in writing or by way of a meeting, is permitted. Any additional information requested by Candidates shall be provided in writing. **All written correspondence must be conducted using the secure messaging facility within the corporate e-Tendering system (In the event of technical failure see 10.1)** Reference should also be made to the Procurement Guidance.

## **17. EVALUATION AND AWARD OF CONTRACT**

17.1 Subject to the notification procedure under Rule 5.6:

- confidentiality of Quotations, Tenders and the identity of Candidates must be preserved at all times
- information about one Candidate's response must not be given to another Candidate.

17.2 Contracts must be evaluated and awarded in accordance with the Award Criteria.

17.3 Candidates must be notified according to Rule 5.6

17.4 Where the Total Value of the contract is over the EU Threshold, the Officer must publish a contract award notice in OJEU within 30 days of the award of contract.

## **18. CONTRACT DOCUMENTS AND CONTRACT FORMALITIES**

### **18.1 Contract Documents**

## Appendix III Contract Exemption Justification Codes.

### JUSTIFICATION FOR THE USE OF THE NEGOTIATED PROCEDURE

Contracting Authorities should indicate in their return the justification for non-advertisement of a contract by reference to the appropriate letter (A-I) which relate to the specific provisions shown below, taken from regulation 32 of the Public Contract Regulations (2015).

#### Use of the negotiated procedure without prior publication of a contract notice

**Regulation 32.** —(1) In the specific cases and circumstances laid down in this regulation, contracting authorities may award public contracts by a negotiated procedure without prior publication.

#### *General grounds*

(2) The negotiated procedure without prior publication may be used for public works contracts, public supply contracts and public service contracts in any of the following cases:—

#### A

(where no tenders, no suitable tenders, no requests to participate or no suitable requests to participate have been submitted in response to an open procedure or a restricted procedure, provided that the initial conditions of the contract are not substantially altered and that a report is sent to the Commission where it so requests.

#### B

where the works, supplies or services can be supplied only by a particular economic operator for any of the following reasons:—

(i) the aim of the procurement is the creation or acquisition of a unique work of art or artistic performance,

(ii) competition is absent for technical reasons,

(iii) the protection of exclusive rights, including intellectual property rights,

but only, in the case of paragraphs (ii) and (iii), where no reasonable alternative or substitute exists and the absence of competition is not the result of an artificial narrowing down of the parameters of the procurement;

## C

insofar as is strictly necessary where, for reasons of extreme urgency brought about by events unforeseeable by the contracting authority, the time limits for the open or restricted procedures or competitive procedures with negotiation cannot be complied with. The circumstances invoked to justify extreme urgency must not in any event be attributable to the contracting authority.

**Supplies Only – The negotiated procedure without prior publication may be used for public supply contracts—**

## D (supplies only)

where the products involved are manufactured purely for the purpose of research, experimentation, study or development, but contracts awarded in reliance on this subparagraph shall not include quantity production to establish commercial viability or to recover research and development costs;

## E (supplies only)

for additional deliveries by the original supplier which are intended either as a partial replacement of supplies or installations or as the extension of existing supplies or installations where a change of supplier would oblige the contracting authority to acquire supplies having different technical characteristics which would result in incompatibility or disproportionate technical difficulties in operation and maintenance;

## F (supplies only)

for supplies quoted and purchased on a commodity market;

## G (supplies only)

for the purchase of supplies or services on particularly advantageous terms, from either a supplier which is definitively winding up its business activities, or the liquidator in an insolvency procedure, an arrangement with creditors, or a similar procedure under national laws or regulations.

### ***Additional ground relevant to public service contracts that follow a design contest***

The negotiated procedure without prior publication may be used for public service contracts where the contract concerned—

## H

(a) follows a design contest organised in accordance with this Part, and

(b) is to be awarded, under the rules provided for in the design contest, to—

(i) the winner of the design contest, or

(ii) one of the winners of the design contest.

### **Additional ground relevant to new works or services which repeat similar ones**

## I

The negotiated procedure without prior publication may be used for new works and services consisting of the repetition of similar works or services entrusted to the economic operator to which the same contracting authority awarded an original contract, provided that such works or services are in conformity with a basic project for which the original contract was awarded following a procedure in accordance with regulation 26(1) and (2) of the Public Contract Regulations (2015).

8. The names of individuals, or information where they may be identified, in relation to criminal charges;
9. Issues for which a petition is not the appropriate channel (for example, correspondence about a personal issue).

In the period immediately before an election or referendum we may need to deal with your petition differently. If this is the case we will explain the reasons and discuss the revised timescale which may apply.

**Submitting an e-petition using the Council's online system.** The Council's online petition system can be accessed here: You will be asked to input the following information:

- a) Title and the text of the petition
- b) Your name
- c) Your e-mail
- d) Your Address
- e) A date for your petition to stop collecting signatures. Petitions may collect signatures for a maximum period of 3 months. It might be worth bearing in mind that the Council will not consider your petition until after it has finished collecting signatures.

### **Acknowledging receipt of submission of an electronic petition**

Once you have submitted your petition, you will receive an e-mail confirming that it has been received. Democratic Services will then consider it against the rules for petitioning the Council as set out above.

If your petition is admissible as you have worded it, it be published on our website within 10 working days of receipt and can begin to collect signatures. We will confirm this by e-mail and send you the link to your petition.

If your petition is inadmissible, we will let you know and tell you the reason that it cannot go forward. It might be that the issue raised by your petition is admissible in principle, but there are some aspects of the wording which fall outside the rules. In these situations the Democratic Services team will contact you to suggest ways in which you can change the wording so that it complies fully with the rules. Once you are happy with the final wording, your petition will be published within 10 working days of confirmation of the revised wording and can begin collecting signatures.

If your petition is inadmissible as set out in the rules above and cannot be rectified by means of amending the wording, we will let you know and tell you the reason that it cannot go forward. The title and text of the petition will be published online as part of the list of inadmissible petitions, along with an explanation about why it wasn't admissible.

### **Handing in your petition**

For e-petitions, the first working day following the date stipulated to stop collecting signatures will be deemed to be the 'handing in' date. The e-petition will then be forwarded to the relevant Corporate Lead Officer, or in their absence, the relevant Corporate Director.

Any paper petition should be received by a Member, Chief Executive, Corporate Director or Corporate Lead Officer.

Any petition received should be immediately forwarded to the relevant Corporate Lead Officer, or in his / her absence, the relevant Corporate Director for the topic in question.

### **Acknowledging Receipt of all petitions**

A Democratic Services Officer will acknowledge receipt of the petition within 10 working days of the 'submission date'. The admissibility of electronic petitions are verified at the outset of the process, however if any paper petition is deemed to be inadmissible for the reasons outlined in the section above, you will be informed of the reason why it cannot go forward.

**NOTE** - Petitions should be acknowledged by writing to the first signatory to the petition, or to the person submitting the petition if it is accompanied by a covering letter, or if it is submitted electronically.

### **Steps taken by the Council in response to a petition received**

The Democratic Services Officer will forward a copy of the front sheet of the petition, together with an estimate of the number of signatories, to the relevant Corporate Lead Officer / Corporate Director / Chief Executive. The Head of Democratic Services shall maintain a register of all petitions received.

The Democratic Services Officer will report receipt of the petition to the next available Cabinet meeting and will retain custody of the original petition. The exact wording of the petition title will be reported to Cabinet, along with number of petitioners. This information will appear on the Cabinet agenda.

The relevant Corporate Director / Corporate Lead Officer will take the petition into account in making any delegated decision and will refer to it in any report to Cabinet regarding the topic in question.

The relevant Corporate Director / Corporate Lead Officer will notify the person submitting the petition of any outcome resulting from the petition.

### **Other Engagement Opportunities**

The relevant Cabinet Member will be made aware of the petition, and where the subject matter affects particular wards, the councillors representing those wards will also be notified of the receipt of the petition.

This will provide an opportunity for those Members to connect with the petitioner and to consider alternative or complimentary methods of dealing with the matter, such as submitting a letter request consideration of parking restrictions in a particular area or referring a matter to Scrutiny for consideration.

### **Equality and the Welsh Language**

In implementing the Petition Protocol, Ceredigion County Council will make regard to the statutory duties in respect of equalities, Welsh Language and the Well-being of Future Generations (Wales) Act 2015.

**Data protection and GDPR**

We will keep all petitions for 6 years. After that time it will be safely and securely destroyed.

### **10.1 Public and Private Meetings of the Cabinet**

The Cabinet may only make decisions in relation to its functions and conduct formal business in a properly constituted meeting that complies with Article 13 and these procedure rules. This does not prevent Cabinet from holding informal deliberations in private, with or without officers present, but these meetings shall not take decisions.

### **10.2 Confidential Information – Requirement to Exclude Public**

The public must be excluded from meetings whenever it is likely in view of the nature of the business to be transacted or the nature of the proceedings that confidential information would be disclosed.

### **10.3 Exempt Information – Discretion to Exclude Public**

The public may be excluded from meetings whenever it is likely in view of the nature of the business to be transacted or the nature of the proceedings that exempt information would be disclosed.

Where the meeting will determine any person's civil rights or obligations, or adversely affect their possessions, Article 6 of the Human Rights Act 1998 establishes a presumption that the meeting will be held in public unless a private hearing is necessary for one of the reasons specified in Article 6. Due regard will be given to the wishes of the individual should they so elect that the hearing be held in private where the law so permits.

Members will not make public Confidential or Exempt Information without the consent of the Council or divulge information given in confidence to anyone other than a Member or Officer entitled to know it unless otherwise authorised by law.

Members must be aware that an unauthorised disclosure of such Confidential or Exempt information may be dealt with as a breach of the Code of Conduct for Members.

## 10.7 Public Interest

Information within Categories 12 to 15 and 17 and 18 set out in Rule 10.5 may only be treated as exempt if an assessment of the public interest has been made by the Monitoring Officer.

The public interest will be assessed on a case by case basis having regard to all relevant factors, including but not limited to the following, to ensure a proper balance is achieved between the right to know, the right to personal privacy and the delivery of effective government.

In making such an assessment the Monitoring Officer shall have regard to any relevant prejudice which may be caused to the Council or any other party if the information were disclosed, having regard to the full context of any disclosure. Account may be taken of whether disclosure would breach any obligation of confidence not within Rule 10.5, or the rights of any individual under Data Protection Legislation or the Human Rights Act 1998.

Account will be taken of the fact that the public interest test may be served by allowing access to information which would:

- 10.7.1 further the understanding of and participation in debating issues of the day;
- 10.7.2 facilitate transparency and accountability in and enhance scrutiny of decisions taken by the Council;
- 10.7.3 facilitate transparency and accountability in the spending of public money;
- 10.7.4 help individuals understand the decisions made by the Council affecting their lives;
- 10.7.5 bring to light information affecting public safety or danger to the environment;
- 10.7.6 contribute to the administration of justice and enforcement of the law or the prevention or detection of crime or the apprehension or prosecution of offenders;
- 10.7.7 protect the public from unsafe products or rogue traders or practices.

In making such an assessment the following factors shall be regarded as irrelevant:

- possible embarrassment to the Council or its Officers;
- possible loss of confidence in the Council or another public body;
- the seniority of persons involved in the subject matter;
- the risk of the public misinterpreting the information.

### **10.8 Exclusion of the Public**

A decision to exclude the public from a meeting under this Rule shall be made in accordance with the Council Procedure Rules (Part 4 Document A of this Constitution) and Committee Procedure Rules (Overview and Scrutiny Procedure Rules at Part 4 Document E) or Cabinet Procedure Rules (Part 4 Document D of this Constitution) as appropriate.

## **11. EXCLUSION OF ACCESS BY THE PUBLIC TO REPORTS**

If the Monitoring Officer

so recommends, the meeting may exclude access by the public to reports which in their opinion relate to items during which, in accordance with Rule 10, the meeting is likely not to be open to the public. Such reports will be marked "Not for publication" together with the category of information likely to be disclosed. After the meeting, access to the Report is subject to Rule 7.2.

Where the decision to exclude access has required a determination of the public interest, the Proper Officer shall keep a note of the reasons for the decision.

## **12. THE FORWARD WORK PROGRAMME**

### **12.1 Period of Forward Work Programme**

The forward work programme will be prepared by the Proper Officer to cover a period of four months. It will be updated on a quarterly basis.

### **12.2 CONTENTS OF FORWARD WORK PROGRAMME**

Ceredigion County Council Constitution - Part 4 Rules of Procedure

PART 4 DOCUMENT B Access to Information Procedure Rules

Approved by Council 21 March 2019

Updated October 2022

The forward work programme will contain matters which Cabinet, Overview and Scrutiny Committees and full Council are likely to consider. It will contain information on:

- 12.2.1 the timetable for considering the budget and any plans forming part of the policy framework and requiring Council approval, and which body is to consider them;
- 12.2.2 the timetable for considering any plans which are the responsibility of Cabinet;
- 12.2.3 any individual matters which are outside the budget or policy framework on which Cabinet intends to consult in advance of taking a decision, and the timetable for consultation and decision;
- 12.2.4 the work programme of the Overview and Scrutiny Committees, to the extent that it is known.

### **13. CONSULTATION ON PROPOSALS TO BE CONSIDERED BY CABINET**

At least 3 weeks should be permitted in the forward work programme timetable for consultation with relevant Overview and Scrutiny Committees and ward members where a matter as defined in 12.2.3 above is to be considered by Cabinet and is not urgent (as defined below) or confidential or exempt (as defined in Para 10).

A matter may be considered urgent where the events which it addresses were unforeseen at the time that the last forward work programme was produced and a decision is required within the above period.

A decision can only be treated as urgent if the decision taker (if an individual) or the chair of the body making the decision obtains the agreement of the chair of a relevant Overview and Scrutiny Committee that the taking of the decision cannot be reasonably deferred. If there is no chair of a relevant Overview and Scrutiny Committee, or if the chair of each relevant Overview and Scrutiny Committee is unable to act, then the agreement of the Chairperson of the Council, or in their absence the Vice Chairperson will suffice. Any decisions taken under this urgency procedure will be recorded as having been taken in the absence of consultation in the decision record.

### **14. RECORD OF DECISIONS OF CABINET**

## **14.1 The Decision Record**

14.1.1 A written record will be made of every Cabinet decision made by Cabinet and its Committees (if any) and individual Cabinet members, and of Joint Committees and Joint Sub-Committees whose members are all members of a Council's Executive.

14.1.2 This decision record will include a statement, for each decision, of:

- the Members present
- any apologies for absence received
- the decision made
- the date the decision was made
- the reasons for that decision;
- any personal interest declared;
- any dispensation to speak granted by the Council's Ethics and Standards Committee;
- the consultation undertaken prior to the decision and, if such consultation has not taken place, the reason why.

## **14.2 PREPARING THE DECISION RECORD**

14.2.1 The Proper Officer or their representative shall attend any meeting of Cabinet, a Committee of Cabinet or a Joint Committee or Joint Sub-Committee where all its members are members of a local authority Executive, and shall as soon as reasonably practicable after the meeting produce a decision record, which shall be published on the Council's website as soon as is reasonably practicable.

14.2.2 Where an individual Cabinet member has made any Cabinet decision;

- 14.2.2.1 that Cabinet member shall as soon as reasonably practicable instruct the Proper Officer to produce a decision record; and

14.2.2.2 the decision shall not be implemented until that decision record has been produced, subject to 14.2.3 below.

14.2.3 Where the date by which a Cabinet decision made by an individual member must be implemented makes compliance with 14.2.2.2 above impracticable, the decision may be implemented if the decision maker has the agreement of:-

- the Chairperson of the relevant Overview and Scrutiny Committee, or
- if there is no such person or that person is unable to act, the Chairperson of the Council, or
- if there is no Chairperson of the relevant Overview and Scrutiny Committee or the local Council, the Vice-Chairperson of the Council
- that the making of the decision is urgent and cannot reasonably be deferred.

### **14.3 Publishing a note of all meetings of the Cabinet and its Committees**

14.3.1 The Council shall (whether this information is included in the minutes or a separate note) publish electronically, as soon as reasonably practicable after a Cabinet meeting, and in any event, before the end of 7 working days beginning with the day on which the meeting is held, setting out;

14.3.1.1 the names of the Members who attended the meeting;

14.3.1.2 any apologies for absence received;

14.3.1.3 any personal interests declared;

14.3.1.4 all decisions made at the meeting (excluding any decisions made when the meeting was not open to the public because exempt or confidential information was being considered);

14.3.1.5 the outcomes of any votes taken at the meeting (excluding any votes taken when the meeting was

not open to the public because exempt or confidential was being considered);

## **15. DECISIONS BY AN INDIVIDUAL MEMBER OF CABINET**

### **15.1 Reports Intended to be Taken Into Account**

Where an individual member of Cabinet receives a report which they intend to take into account in making any decision, then they will not make the decision until at least 3 clear days after receipt of that report.

### **15.2 Provision of Copies Report to Overview and Scrutiny Committees**

On giving of such a report to an individual decision maker, the person who prepared the report will give a copy of it to the Chair of every relevant Overview and Scrutiny Committee as soon as reasonably practicable, and make it publicly available at the same time.

### **15.3 RECORD OF INDIVIDUAL DECISION**

The decision recording rules in Para 14 will apply.

## **16. OVERVIEW AND SCRUTINY COMMITTEE MEMBERS' ACCESS TO DOCUMENTS**

### **16.1 Rights of Access**

Subject to Rule 16.2 below and subject to paragraph 5 of the Code of Conduct for members, an Overview and Scrutiny Committee (including its Sub-Committees) will be entitled to access to any document which is in the possession or control of Cabinet or its Committees and which contains material relating to

16.1.1 any business transacted at a meeting of Cabinet or its Committees; or

16.1.2 any decision taken by an individual member of Cabinet.

### **16.2 Limit on Rights**

Ceredigion County Council Constitution - Part 4 Rules of Procedure

PART 4 DOCUMENT B Access to Information Procedure Rules

Approved by Council 21 March 2019

An Overview and Scrutiny Committee or Sub-Committee will not be entitled to receive any part of a document that contains confidential or exempt information unless that information is relevant to an action or decision that is being reviewed or scrutinised or any review contained in a programme of work of that Committee or Sub-Committee.

## **17. ADDITIONAL RIGHTS OF ACCESS FOR MEMBERS**

### **17.1 Rights of Access**

All members will be entitled to inspect any document which is in the possession or under the control of Cabinet or its Committees and contains material relating to any business transacted at a meeting of a decision-making body of that authority or by an individual member of Cabinet. This provision is subject to paragraph 5 of the Code of Conduct for Members.

### **17.2 Nature of Rights**

These rights of a member are additional to any other right they may have.

- 5. VIREMENT ..... 7

## **1. THE FRAMEWORK FOR CABINET DECISIONS**

The Council will be responsible for the adoption of its policy framework and budget as set out in Article 4. The policy framework and budget adopted by the Council will be based on that proposed by Cabinet. Once a budget or a policy framework is in place, it will be the responsibility of Cabinet to implement it.

## **2. PROCESS FOR DEVELOPING THE FRAMEWORK**

The process by which the policy framework and budget shall be developed is:

- 2.1 The Cabinet will publicise, by including in the forward plan available at the Council's offices, and by other methods – e.g. on its web site and in local press, a timetable for making proposals to the Council for the adoption of any plan, strategy or budget that forms part of the budget and policy framework, and its arrangements for consultation after publication of those initial proposals. The chairs of Overview and Scrutiny Committees will also be notified. The consultation period shall in each instance be not less than 4 weeks.
- 2.2 At the end of that period, the Cabinet will then draw up firm proposals having regard to the responses to that consultation. If a relevant Overview and Scrutiny Committee wishes to respond to the Cabinet in that consultation process, then it may do so. As the Overview and Scrutiny Committees have responsibility for fixing their own work programmes, it is open to the Overview and Scrutiny Committee to investigate, research or report in detail with policy recommendations before the end of the consultation period.
- 2.3 The Cabinet will take any response from an Overview and Scrutiny Committee into account in drawing up firm proposals for submission to the Council, and its report to Council will reflect the comments made by consultees and the response of the Overview and Scrutiny Committee.  
If the Cabinet intends to approve firm proposals for the budget other than those recommended by the Section 151 Officer, the meeting must be adjourned for a period of 5 working days to allow sufficient time for the Section 151 Officer to prepare a report on the impact of the proposals. That report will be presented back to Cabinet. Such requirement to adjourn to be removed where the Section 151 Officer confirms that no report is necessary or such period to be shortened where the Section 151 Officer prepares a report in a shorter period and confirms that they are content to reconvene the Cabinet meeting.

2.4 Once the Cabinet has approved the firm proposals, the Proper Officer will refer them at the earliest opportunity to the Council for decision.

2.5 In reaching a decision, the Council may:

- adopt the Cabinet's proposals,
- amend them,
- refer them back to the Cabinet for further consideration, or
- in principle, substitute its own proposals in their place.

If the Council intends to substitute its own proposals in place of those recommended by Cabinet, the meeting must be adjourned for a period of 5 working days to allow sufficient time for the Section 151 Officer to prepare a report on the impact of the Council's proposals. That report will be presented back to Council. Such requirement to adjourn to be removed where the Section 151 Officer confirms that no report is necessary or such period to be shortened where the Section 151 Officer prepares a report in a shorter period and confirms that he/she is content to reconvene the Council meeting, notwithstanding that at all times the Council meeting must be reconvened before 11th March of the financial year preceding that for which the Budget and Council Tax are being set, in order to satisfy the requirements of the Local Government Finance Act 1992.

2.6 If Council accepts the recommendation of the Cabinet without amendment, the Council may make a decision which has immediate effect. Otherwise, it may only make an in-principle decision. The decision will be made on the basis of a simple majority of votes cast at the meeting.

2.7 The decision will be publicised in accordance with Article 4 and a copy shall be given to the Leader.

2.8 An in-principle decision will automatically become effective 5 working days from the date of the Council's decision, unless the Leader informs the Proper Officer in writing within 5 working days that he/she objects to the decision becoming effective and provides reasons why.

2.9 In that case, the Proper Officer will call a Council meeting within a further 5 working days. The Council will be required to re-consider its decision and the Leader's Written Submission within five working days. The Council may;

- 2.9.1 approve the Cabinet's recommendation by a simple majority of votes cast at the meeting; or
- 2.9.2 approve a different decision which does not accord with the recommendation of the Cabinet by a simple majority.
- 2.10 The decision shall then be made public in accordance with Article 4, and shall be implemented immediately.
- 2.11 In approving the budget and policy framework, the Council will also specify the extent of virement within the budget and degree of in-year changes to the policy framework which may be undertaken by Cabinet, in accordance with paragraphs 5 and 6 of these Rules (virement and in-year adjustments). Any other changes to the policy and budgetary framework are reserved to the Council.

### **3. DECISIONS OUTSIDE THE BUDGET OR POLICY FRAMEWORK**

- 3.1 Subject to the provisions of paragraph 5 (virement), the Cabinet, a Committee of the Cabinet, an individual member of Cabinet and any officers or joint arrangements discharging Cabinet functions may only take decisions which are in line with the budget and policy framework. If any of these bodies or persons wishes to make a decision which is contrary to the policy framework, or contrary to or not wholly in accordance with the budget approved by full Council, then that decision may only be taken by the Council, subject to 4 below.
- 3.2 If the Cabinet, a Committee of the Cabinet, an individual member of Cabinet and any officers or joint arrangements discharging Cabinet functions want to make such a decision, they shall take advice from the Monitoring Officer and/or the Chief Financial Officer as to whether the decision they want to make would be contrary to the policy framework, or contrary to or not wholly in accordance with the budget. If the advice of either of those officers is that the decision would not be in line with the existing budget and/or policy framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in paragraph 4 (urgent decisions outside the budget and policy framework) shall apply.

#### **4. URGENT DECISIONS OUTSIDE THE BUDGET OR POLICY FRAMEWORK**

4.1 The Cabinet, a Committee of the Cabinet, an individual member of Cabinet or officers, area committees or joint arrangements discharging Cabinet functions may take a decision which is contrary to the Council's policy framework or contrary to or not wholly in accordance with the budget approved by full Council if the decision is a matter of urgency. However, the decision may only be taken:

4.1.1 if it is not practical to convene a quorate meeting of the full Council; and

4.1.2 if the chair of a relevant Overview and Scrutiny Committee agrees that the decision is a matter of urgency.

The reasons why it is not practical to convene a quorate meeting of full Council and the chair of the relevant Overview and Scrutiny Committees' consent to the decision being taken as a matter of urgency must be noted on the record of the decision. In the absence of the chair of a relevant Overview and Scrutiny Committee the consent of the Chairperson of the Council, and in the absence of both the Vice-Chairperson, will be sufficient.

4.2 Following the decision, the decision taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

## **5. VIREMENT**

- 5.1 For the purposes of this section a budget head, or head of estimates, is defined as any area of operation which has a budget heading within the Council's detailed estimates of income and expenditure as they appear in the Council's annual budget book.
- 5.2 Cabinet may not incur expenditure which cannot be met from the amount provided in the approved revenue budget under a head of estimate (including any virement made in accordance with items 5.3 and 5.4 below) to which that expenditure would be charged or would result in an over-spending in the year on that head of estimate unless a supplementary estimate has been submitted to and approved by the Cabinet or the Council. This shall apply to a reduction in income and/or to an increase in expenditure.
- 5.3 Amounts provided under the several heads of the approved annual revenue budget shall not be diverted to other purposes without the approval of the Cabinet, or the approval of the Chief Financial Officer in accordance with the authority delegated to him/her by the Council.
- 5.4 Recommendations by Corporate Directors and Corporate Lead Officers in agreement with the respective Portfolio Member, for Virement of revenue expenditure must be notified to the Chief Financial Officer in accordance with the Scheme of Virement as laid out in the Council's 'Financial Regulations and Accompanying Financial Procedures' section of the Constitution.
- 5.5 The Cabinet shall keep the approved programme of capital expenditure under review and approve any virement within that programme.
- 5.6 Virement of revenue and capital expenditure of any amount must not result in any future annual financial commitments without the express approval of the Cabinet; and virement cannot be exercised to alter the Council's policy or service priority without the approval of the full Council.

## **6. IN-YEAR CHANGES TO POLICY FRAMEWORK**

The responsibility for agreeing the budget and policy framework lies with the Council, and decisions by the Cabinet, a Committee of the Cabinet, an individual member of Cabinet or officers or joint arrangements discharging Cabinet functions must be in line with it. No changes to any policy and strategy which makes up the policy framework may be made by those bodies or individuals except those changes:

- 6.1 which will result in the closure or discontinuance of a service or part of a service to meet a budgetary constraint;
- 6.2 necessary to ensure compliance with the law, ministerial direction or government guidance;
- 6.3 in relation to the policy framework in respect of a policy which would normally be agreed annually by the Council following consultation, but where the existing policy document is silent on the matter under consideration.
- 6.4 which relate to policy in relation to schools, where the majority of school governing bodies agree with the proposed change.

## **7. CALL-IN OF DECISIONS OUTSIDE THE BUDGET OR POLICY FRAMEWORK**

- 7.1 Where an Overview and Scrutiny Committee is of the opinion that a Cabinet decision is, or if made would be, contrary to the policy framework, or contrary to or not wholly in accordance with the Council's budget, then it shall seek advice from the Monitoring Officer and/or the Chief Financial Officer.
- 7.2 In respect of functions which are the responsibility of Cabinet, the Monitoring Officer's report and/or Chief Financial Officer's report shall be to the Cabinet with a copy to every member of the Council. Regardless of whether the decision is delegated or not, the Cabinet must meet to decide what action to take in respect of the Monitoring Officer's and/or Chief Financial Officer's report and to prepare a report to Council in the event that the Monitoring Officer or the Chief Finance Officer conclude that the decision was a departure, and to the Overview and Scrutiny Committee if the Monitoring Officer or the Chief Financial Officer conclude that the decision was not a departure.
- 7.3 If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the Chief Financial Officer is that the decision is or would be contrary to the policy framework or contrary to or not wholly in accordance with the budget, the Overview and Scrutiny Committee may refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Council shall meet within 21 days of the request by the Overview and Scrutiny Committee. At the meeting it will receive a report of the decision or proposals and the

advice of the Monitoring Officer and/or the Chief Financial Officer.  
The Council may either:

- 7.3.1 endorse a decision or proposal of the Cabinet decision taker as falling within the existing budget and policy framework. In this case no further action is required, save that the decision of the Council be minuted and circulated to all Councillors in the normal way; or
- 7.3.2 amend the Council's budget or policy concerned to encompass the decision or proposal of the body or individual responsible for that Cabinet function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all Councillors in the normal way; or

where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to or not wholly in accordance with the budget, and does not amend the existing framework to accommodate it, require Cabinet to reconsider the matter in accordance with the advice of the Monitoring Officer and/or the Chief Financial Officer.

the nature and extent of any delegation to officers with details of any limitation on that delegation, and the title of the officer to whom the delegation is made.

## **1.2.2 EMERGENCY POWERS-URGENT DECISIONS**

1.2.2.1 In the event of an emergency and urgent situation arising, in order to protect the Council and the public's interests,

in circumstances where the decision is deemed urgent such that any delay would seriously prejudice the Council's or the public's interests, then,

in respect of the exercise of executive functions as outlined in the Council's Constitution (Art 7, and Part 3.4 (Table 4)

and taking into account the Local Authorities Executive Arrangements (Functions & Responsibilities) Wales Regulations (as amended)

and taking into account Section 15(4) of the Local Government Act 2000, then,

1) in the absence or unavailability of both:

- the Leader, and
- the Deputy Leader,

the Leader and the Deputy Leader may both:

1.2.2.2 Delegations granted pursuant to 1.2.2.1 above, will expire when the Leader and/or Deputy Leader are next available, or after 21 days, whichever is the earlier.

1.2.2.3 Decisions made pursuant to 1.2.2.1 above will be reported to the next available Cabinet meeting.

1.2.2.4 The above is separate and distinct from the Council's functions/ duties pursuant to the Civil Contingencies Act 2004 which may include establishment of strategic incident co-ordination groups such Gold Command.

### **1.3 SUB-DELEGATION OF CABINET FUNCTIONS**

- 1.1.7 Where the Cabinet, a Committee of the Cabinet or an individual member of Cabinet is responsible for a Cabinet function, they may delegate further by joint arrangements or to an officer.
- 1.1.8 Unless the Council directs otherwise, if the Leader delegates functions to the Cabinet, then Cabinet may delegate further to a Committee of the Cabinet or to an officer.
- 1.1.9 Unless the Leader directs otherwise, a Committee of the Cabinet to whom functions have been delegated by the Leader may delegate further to an officer.
- 1.1.10 Even where Cabinet functions have been delegated, that fact does not prevent the discharge of delegated functions by the person or body who delegated those functions.

### **1.4 THE COUNCIL'S SCHEME OF DELEGATION AND CABINET FUNCTIONS**

- 1.4.1 Subject to 1.4.2 below the Council's scheme of delegation will be subject to adoption by the Council and may only be amended by the Council. It will contain the details required in Article 7 and set out in Part 3 of this Constitution.
- 1.4.2 With the Leader being able to decide whether to delegate Cabinet functions, he/she may amend the scheme of delegation relating to Cabinet functions at any time during the year. To do so, the Leader must give written notice to the Proper Officer and to the person, body or Committee concerned. The notice must set out the extent of the amendment to the scheme of delegation, and whether it entails the withdrawal of delegation from any person, body, Committee or Cabinet as a whole. The Proper Officer will present a report to the next ordinary meeting of the Council setting out the changes made by the Leader.
- 1.4.3 Where the Leader seeks to withdraw delegation from a Committee of the Cabinet, notice will be deemed to be served on that Committee when he/she has served it on its Chairperson.

- 1.5.3 If the exercise of a Cabinet function has been delegated to a Committee of the Cabinet, an individual member or an officer, and should a conflict of interest arise, then the function will be exercised in the first instance by the person or body by whom the delegation was made and otherwise as set out in the Council's Local Code of Conduct for Members in Part 5 of this Constitution and in consultation with the Monitoring Officer.

## **1.6 CABINET MEETINGS – WHEN AND WHERE?**

Assistants to the Cabinet are not entitled to vote at Cabinet Meetings nor Cabinet Committee Meetings.

## **2. HOW ARE THE CABINET MEETINGS CONDUCTED?**

The Leader will preside at any meeting of the Cabinet or its Committees at which he/she is present, or may appoint the Deputy Leader or another person to do so.

### **2.2 Who May Attend?**

These details are set out in the Access to Information Rules in Part 4 Document B of this Constitution.

## **2.6 Consultation**

All reports to the Cabinet from any member of Cabinet or an officer on proposals relating to the budget and policy framework must contain details of the nature and extent of consultation with stakeholders and relevant Overview and Scrutiny Committees, and the outcome of that consultation. Reports about other matters will

set out the details and outcome of consultation as appropriate. The level of consultation required will be appropriate to the nature of the matter under consideration.

## **2.7 Who can put Items on the Cabinet Agenda?**

The Leader will decide upon the schedule for the meetings of the Cabinet. He/she may put on the agenda of any Cabinet meeting any matter which he/she wishes, whether or not authority has been delegated to the Cabinet, a Committee of it or any member or officer in respect of that matter. The Proper Officer will comply with the Leader's requests in this respect.

Any member of Cabinet may require the Proper Officer to make sure that an item is placed on the agenda of the next available meeting of the Cabinet for consideration. If he/she receives such a request, the Proper Officer will comply.

The Proper Officer will make sure that an item is placed on the agenda of the next available meeting of the Cabinet where a relevant Overview and Scrutiny Committee or the full Council have resolved that an item be considered by the Cabinet.

There will be a standing item on the agenda of each meeting of the Cabinet for matters referred by Overview and Scrutiny Committees.

Any member of the Council may ask the Leader to put an item on the agenda of a Cabinet meeting for consideration, and if the Leader agrees, the item will be considered at the next available meeting of the Cabinet. The notice of the meeting will give the name of the Councillor who asked for the item to be considered.

The Monitoring Officer and/or the Chief Financial Officer may include an item for consideration on the agenda of a Cabinet meeting and may require the Proper Officer to call such a meeting in pursuance of their statutory duties. In other circumstances, where any two of the Chief Executive, Chief Financial Officer and Monitoring Officer are of the opinion that a meeting of the Cabinet needs to be called to consider a matter that requires a decision, they may jointly include an item on the agenda of a Cabinet meeting. If there is no meeting of the Cabinet soon enough to deal with the issue in question, then the person(s) entitled to include an item on the agenda may also require that a Cabinet meeting be convened at which the matter will be considered.

Financial Officer.

## **3. Publication of Decisions**

- 3.1 When a decision is made by the Cabinet, an individual member of Cabinet or a Committee of the Cabinet or under joint arrangements, the decision shall be published, including where possible by electronic means, and shall be

- 3.2 The decision notice will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of 5 working days after the publication of the decision, unless any three members of the relevant Overview and Scrutiny Committee whose terms of reference relate to the Cabinet decision (as described in Article 6 of Part 2 of the Constitution) or six elected members of the Council and the chair of that Committee, object to it and call it in. (See Document E)

## **1. WHAT WILL BE THE NUMBER AND ARRANGEMENTS FOR OVERVIEW AND SCRUTINY COMMITTEES?**

The Council will have the Overview and Scrutiny Committees set out in Article 6 and will appoint to them as it considers appropriate from time to time. Such Committees may appoint Sub-Committees. Overview and Scrutiny Committees may also be appointed for a fixed period, on the expiry of which they shall cease to exist. The list of current Overview and Scrutiny Committees and the Terms of Reference is included at Article 6 of this constitution.

## **2. WHO MAY SIT ON OVERVIEW AND SCRUTINY COMMITTEES?**

All Councillors except members of Cabinet may be members of an Overview and Scrutiny Committee. However, no member may be involved in scrutinising a decision in which they have been directly involved.

## **3. CO-OPTEEES**

Each Overview and Scrutiny Committee or Sub-Committee shall be entitled to recommend to Council the appointment of non-voting co-optees, subject to a maximum of 2 per Committee, with the exception of the Learning Communities Overview and Scrutiny Committee which will include 9 non-voting co-optees from teachers organisations and the free churches in Ceredigion.

## **4. EDUCATION REPRESENTATIVES**

Each relevant Overview and Scrutiny Committee/Sub-Committee dealing with education matters shall include in its membership the following voting representatives:

- 1 Church in Wales representative;
- 1 Roman Catholic Church representative;
- Independent Churches representative.
- 2 parent governor representatives.

A relevant Overview and Scrutiny Committee/Sub-Committee in this paragraph is an Overview and Scrutiny Committee or Sub-Committee of a Local Education Authority, where the Committee or Sub-Committee's functions relate wholly or in part to any education functions which are the responsibility of the Authority's Cabinet. If the Overview and Scrutiny Committee/Sub-Committee deals with other matters, these representatives shall not vote on those other matters and

may only attend as co-opted members of the Committee for discussion of those other matters if invited to do so.

## **5. MEETINGS OF THE OVERVIEW AND SCRUTINY COMMITTEES**

There shall be at least 5 ordinary meetings of each Overview and Scrutiny Committee in each year. In addition, Special meetings may be called from time to time as and when appropriate. An Overview and Scrutiny Committee meeting may be called by the chair of the relevant Overview and Scrutiny Committee, by any 6 members of the Committee or by the Proper Officer if they consider it necessary or appropriate.

## **6. QUORUM**

The quorum for an Overview and Scrutiny Committee shall be as set out for Committees in the Council Procedure Rules in Part 4 of this Constitution.

## **7. VOTING**

### **7.1 MAJORITY**

Unless this Constitution provides otherwise, any matter will be decided by a simple majority of those Committee members voting and present in the meeting at the time the recommendation or proposal was presented.

### **7.2 CHAIRPERSON'S CASTING VOTE**

If there are equal numbers of votes for and against, the Chairperson will have a second or casting vote. There will be no restriction on how the Chairperson chooses to exercise a casting vote.

## **8. WHO CHAIRS OVERVIEW AND SCRUTINY COMMITTEE MEETINGS?**

The Chairperson will be determined in accordance with the Section 75 of the Local Government (Wales) Measure 2011.

## **9. WORK PROGRAMME**

The Overview and Scrutiny Committees/Sub-Committees will, subject to the Co-ordinating Committee, be responsible for setting their own work programme and in doing so, they shall take into account the wishes of members on that Committee who are not members of the largest political group on the Council.

## **10. AGENDA ITEMS**

Any member of an Overview and Scrutiny Committee or Sub-Committee shall be entitled to give notice to the Proper Officer that they wish an item relevant to the functions of the Committee or Sub-Committee to be included on the agenda for, and be discussed at, a meeting of the Committee or Sub-Committee.

On receipt of such a request, the Proper Officer will ensure that it is included on the next available agenda.

Any 6 members of the Council who are not members of the Overview and Scrutiny Committee may give written notice to the Proper Officer that they wish an item to be included on the agenda of a relevant Overview and Scrutiny Committee. If the Proper Officer receives such a notification, then they will include the item on the first available agenda of the relevant Overview and Scrutiny Committee for consideration by the Committee.

The Overview and Scrutiny Committees shall also respond, as soon as their work programme permits, to requests from the Council and if it considers it appropriate from Cabinet to review particular areas of Council activity. Where they do so, the Overview and Scrutiny Committee shall report their findings and any recommendations back to the Council and/or Cabinet.

## **11. POLICY REVIEW AND DEVELOPMENT**

11.1 The role of the Overview and Scrutiny Committees in relation to the development of the Council's budget and policy framework is set out in detail in the Budget and Policy Framework Procedure Rules.

11.2 In relation to the development of the Council's approach to other matters, not forming part of its policy and budget framework, Overview and Scrutiny Committees or Sub-Committees may make proposals to Cabinet for developments in so far as they relate to matters within their terms of reference.

11.3 Overview and Scrutiny Committees may hold enquiries and investigate the available options for future direction in policy development and may appoint advisers and assessors to assist them in this process. They may go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to attend to address them on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and expenses for doing so.

## **12. REPORTS FROM OVERVIEW AND SCRUTINY COMMITTEE**

- 12.1 Once it has formed recommendations on proposals for development, the Overview and Scrutiny Committee will prepare a formal report and submit it to the Proper Officer for consideration by Cabinet (if the proposals are consistent with the existing budgetary and policy framework), or to the Council as appropriate (e.g. if the recommendation would require a departure from or a change to the agreed budget and policy framework).
- 12.2 If an Overview and Scrutiny Committee cannot agree on one single final report to the Council or Cabinet as appropriate, then up to one minority report may be prepared and submitted for consideration by the Council or Cabinet with the majority report.

## **13. MAKING SURE THAT OVERVIEW AND SCRUTINY REPORTS ARE CONSIDERED BY THE CABINET**

- 13.1 Once an Overview and Scrutiny report on any matter which is the responsibility of the Cabinet has been completed, it shall be included on the agenda of the next available meeting of Cabinet, unless the matter which is the subject of the report is scheduled to be considered by the Cabinet within a period of 4 weeks from the date the report was adopted by the Overview and Scrutiny Committee. In such cases, the report of the Overview and Scrutiny Committee shall be considered by the Cabinet when it considers that matter. If for any reason the Cabinet does not consider the Overview and Scrutiny report within 6 weeks, then the matter will be referred to Council for review, and the Proper Officer will call a Council meeting to consider the report and make a recommendation to the Cabinet.
- 13.2 Where an Overview and Scrutiny Committee prepares a report for consideration by Cabinet in relation to a matter where the Leader or Council has delegated decision-making power to another individual member of Cabinet, then the Overview and Scrutiny Committee will submit a copy of their report to that individual for consideration. At the time of doing so, the Overview and Scrutiny Committee shall serve a copy on the Proper Officer and the Leader. If the member with delegated decision-making power does not accept the recommendations of the Overview and Scrutiny Committee then they must then refer the matter to the next available meeting of the Cabinet for debate before exercising his/her decision-making power and responding to the report in writing to the Overview and Scrutiny Committee. Cabinet members to whom the decision-making power has been delegated will respond to the Overview and Scrutiny Committee within 4 weeks of receiving it. A copy of their written

response to it shall be sent to the Proper Officer and they will attend a future meeting to respond.

13.3 Overview and Scrutiny Committees will have access to Cabinet's forward work programme for decisions and intentions for consultation. Even where an item is not the subject of detailed proposals from an Overview and Scrutiny Committee following a consideration of possible policy/service developments, the Committee will be able to respond in the course of Cabinet's consultation process.

#### **14. RIGHTS OF OVERVIEW AND SCRUTINY COMMITTEE MEMBERS TO DOCUMENTS**

14.1 In addition to their rights as Councillors, members of Overview and Scrutiny Committees have the additional right to documents, and to notice of meetings as set out in the Access to Information Procedure Rules in Part 4 of this Constitution.

14.2 Nothing in this paragraph prevents more detailed liaison between Cabinet and Overview and Scrutiny Committee as appropriate depending on the particular matter under consideration.

#### **15. MEMBERS AND OFFICERS GIVING ACCOUNT**

15.1 Any Overview and Scrutiny Committee or Sub-Committee may scrutinise and review decisions made or actions taken in connection with the discharge of any Council functions. As well as reviewing documentation, in fulfilling the scrutiny role, it may require any member of Cabinet, the Chief Executive and any Corporate Director or Corporate Lead Officer to attend before it to explain in relation to matters within their remit:

15.1.1 any particular decision or series of decisions; and/or

15.1.2 the extent to which the actions taken implement Council policy;  
and/or

15.1.3 service performance.

and it is the duty of those persons to attend for this purpose if so required.

15.2 Where any member or officer is required to attend an Overview and Scrutiny Committee under this provision, the chair of that Committee will inform the Proper Officer. The Proper Officer shall inform the member or

officer in writing giving at least 10 working days' notice of the meeting at which they are required to attend. The notice will state the nature of the item on which they are required to attend in order to give account and whether any papers are required to be produced for the Committee. Where the account to be given to the Committee will require the production of a report, then the member or officer concerned will be given sufficient notice to allow for preparation of that documentation.

- 15.3 Where, in exceptional circumstances, the member or officer is unable to attend on the required date, then the Overview and Scrutiny Committee shall, in consultation with the member or officer, arrange an alternative date for attendance.

## **16. ATTENDANCE BY OTHERS**

An Overview and Scrutiny Committee may invite people other than those people referred to in paragraph 15 above to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, stakeholders and members and officers in other parts of the public sector and may invite such people to attend.

## **17. CALL-IN**

- 17.1 When a decision is made by the Cabinet, an individual member of Cabinet or a Committee of the Cabinet or under joint arrangements, the decision shall be published, including where possible by electronic means, and shall be available at the main offices of the Council normally within 2 working days of being made. Members will be sent copies of the records of all such decisions within 2 working days, by the person responsible for publishing the decision. (See Document D)
- 17.2 The decision notice will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of 5 working days after the publication of the decision, unless the decision is called-in (see below).
- 17.3 A call-in is the referral of a decision made, but not yet implemented, to the relevant Overview and Scrutiny Committee. Call in powers relate to (executive) Cabinet functions. Any decision made by Cabinet or a key decision made by an officer under delegated authority may be called-in (subject to exceptions).

A decision can be called-in when Members:

- believe it may be contrary to normal requirements of decision-making
- believe it is contrary to the Council's agreed policy framework and/or budget
- need further information from the decision-maker to explain why it was taken.

17.4 A decision is deemed to have been called in when:

- any three members of the relevant Overview and Scrutiny Committee ('the Committee') whose terms of reference relate to the Cabinet decision (as described in Article 6 of Part 2 of the Constitution); or
- six elected members of the Council, and the chair of that Committee, object to it and call it in by giving a valid call-in request to the Proper Officer (Head of Democratic Services).

17.5 On receipt of a valid Call-In request, the Proper Officer shall convene a meeting of the Committee on such date as the Proper Officer may determine, where possible after consultation with the Chair of the Committee, within 8 working days of the decision to call-in. The Proper Officer shall then notify the decision taker of the call-in.

17.6 A called-in decision cannot be implemented until it has been considered by the Committee.

17.7 If, following receipt of a valid call-in request, the Committee, having considered the decision, does not refer the matter back to the decision-making person or body, the decision shall take effect on the date of the Committee meeting.

17.8 If, having considered the decision, the Committee is still concerned about the decision, then the Committee may refer the decision either

- a) back to the decision-making person or body for reconsideration, setting out in writing the nature of its concerns and giving reasons OR
- b) to Council if the decision relates to the Council's policy framework or budget

17.9 If referred back to the decision maker, the decision-making person or

body shall then reconsider the decision within a further 10 working days. Having reconsidered the decision, the decision-making person or body shall either confirm the decision, amend the decision or revoke the decision. The decision is deemed to be final and will become effective immediately.

### **Referrals to Council**

17.10 If a decision is referred to Council by the Committee, a Council meeting shall be convened by the Proper Officer within 15 working days of the date of the Committee meeting.

## **SECTION 1**

### **1. INTRODUCTION**

The Authority's governance structure is laid down in its Constitution which sets out how the Council operates, how decisions are made and the procedures that are followed.

The Council collects and spends large sums of public money. Sound financial control is essential in order to maintain accountability and to achieve maximum efficiency and effectiveness. An effective system of financial control must be supported by a written code which sets out precisely a clear pattern of financial administration. These Financial Regulations and Procedures therefore provide the framework for managing the authority's financial affairs. They apply to every Member and employee of the Authority and anyone acting on its behalf.

The Regulations identify the financial responsibilities of the Council, Cabinet and Overview and Scrutiny Members, the Chief Executive, the Monitoring Officer, the Chief Finance Officer and other Chief Officers (also referred to as Corporate Directors) and Chief Executive. The Council's Constitution sets out the decision-making arrangements.

The Authority's detailed Financial Procedures, setting out how the regulations will be implemented, are contained after the section on Financial Regulations.

## **DOCUMENT F Financial Regulations and Accompanying Financial procedures**

### **APPENDIX**

#### **FINANCIAL PROCEDURES**

##### **1. FINANCIAL PROCEDURES**

###### **Introduction**

The following financial procedures outline how the previously stated Financial Regulations are to be implemented.

At the commencement of each relevant section, there is a statement which is intended to outline the standing and importance of the following issues:

- Key Controls – this explains the key internal controls that set the framework for ensuring the Financial Regulations are operating effectively.
- Responsibilities outlined of the Chief Finance Officer or, in certain circumstances, his/her nominated officer.
- Responsibilities outlined of Chief Officers.

##### **1.1 FINANCIAL MANAGEMENT STANDARDS**

All employees and members have a duty to abide by the highest standards of probity in dealing with financial issues. This is facilitated by ensuring everyone is clear about the standards to which they are working and the controls that are in place to ensure that these standards are met.

###### **Key Controls**

- a) their promotion throughout the Council;
- b) a monitoring system to review compliance with financial standards, and regular comparisons of performance indicators and benchmark and/or target standards that are reported to the Cabinet and Council.

### **Responsibilities of the Chief Finance Officer**

- To ensure the proper administration of the financial affairs of the Council.
- To set the financial management standards and to monitor compliance with them.
- To ensure proper professional practices are adhered to and to act as head of profession in relation to the standards, performance and development of finance employees throughout the Council.
- To advise on the key strategic controls necessary to secure sound financial management.
- To ensure that financial information is available to enable accurate and timely and timely monitoring and reporting of comparisons of national and local financial performance indicators.

### **Responsibilities of Chief Officers**

- To promote the financial management standards set by the Chief Finance Officer in their directorates and to monitor adherence to the standards and practices, liaising as necessary with the Chief Finance Officer.
- To promote sound financial practices in relation to the standards, performance and development of staff in their directorates.

## **1.2 MANAGEMENT OF EXPENDITURE**

### **Scheme of Virement**

The scheme of virement is intended to enable the Cabinet, Corporate Directors and their employees to manage budgets with a degree of flexibility within the overall policy framework determined by the Council, and therefore to optimise the use of resources.

## **Key Controls**

- a) It is administered by the Chief Finance Officer within guidelines set by the Council. Any variation from this scheme requires the approval of the Council.
- b) The overall budget is considered by the Cabinet and recommended for approval by the Council. Chief Officers and budget managers are therefore authorised to incur expenditure in accordance with the estimates that make up the budget. The rules below cover virement; that is, switching resources between approved budgets (e.g. as shown on each budget page of the Budget Book) or budget headings (e.g. employees, premises etc.) within an approved budget.
- c) Virement is not to create additional overall budget liability. Chief Officers are expected to exercise their discretion in managing their budgets responsibly and prudently. For example, they should aim to avoid supporting recurring expenditure from one-off sources of savings or additional income, or creating future commitments, including full-year effects of decisions made part way through a year, for which they have not identified future resources. Chief Officers must plan to fund such commitments from within their own budgets.
- d) A transfer of budget headings, otherwise known as re-alignment, from one portfolio to another within the budget or from one Business Unit to another within the budget is not virement.

## **Responsibilities of the Chief Finance Officer**

- To prepare jointly with the appropriate Chief Officers a report to the Council where revenue virements in excess of £250,000 on any one budget head are proposed which involve a significant variation in the level or nature of the delivery of the service approved by Council in the Revenue Budget.
- To prepare a report upon all adjusted virement.

## **Responsibilities of Chief Officers**

Amounts greater than £250,000 require the approval of the Council.
- Where an approved budget is a lump-sum budget or contingency intended for allocation during the year, its allocation will not be treated as a virement, provided that:
  - a) the amount is used in accordance with the purposes for which it has been established; and

## **1.7.2 Budgeting**

The format of the budget determines the level of detail to which financial control and management will be exercised. The format shapes how the rules around

virement operate, the operation of cash limits, and sets the level at which funds may be reallocated within budgets.

- b) The format complies with CIPFA's *Best Value Accounting – Code of Practice*.

- To advise the Cabinet on the format of the budget that is approved by the Council.

### **Responsibilities of Chief Officers**

#### **1.7.3 Revenue Budget Preparation, Monitoring and Control**

Budget management ensures that once the budget has been approved by the Council, resources allocated are used for their intended purposes and are properly accounted for. Budgetary control is a continuous process, enabling the Council to review and adjust its budget targets during the financial year. It also provides the mechanism that calls to account managers responsible for defined elements of the budget.

By continuously identifying and explaining variances against budgetary targets, the Council can identify changes in trends and resource requirements at the earliest opportunity. The Council itself operates within an annual cash limit, approved when setting the overall budget. To ensure that the Council in total does not overspend, each service is required to manage its own expenditure within the cash limited budget allocated to it.

## **Key Controls**

- a) Budget managers should be responsible for controllable income and expenditure.
- b) There is a nominated budget manager for each cost centre heading.
- c) Budget managers accept accountability for their budgets and the level of service to be delivered and understand their financial responsibilities.
- d) Budget managers follow an approved certification process for all expenditure.
- e) Income and expenditure are properly recorded and accounted for.
- f) Performance levels/levels of service are monitored in conjunction with the budget and necessary action is taken to align service outputs and budget.
- g) The requirements in terms of budget monitoring frequency are identified in the following table:

<b><u>Frequency</u></b>	<b><u>Requirements</u></b>
Monthly	<ol style="list-style-type: none"><li>1. Actual v. Budget for months two to twelve.</li><li>2. Projected out-turn.</li><li>3. Analysis of significant variances.</li><li>4. Full analysis of action to be taken to resolve any overspends – actual or projected.</li><li>5. Any emerging issues that may have an impact upon the financial position (a form of risk analysis).</li><li>6. Information reported as an aggregate report to the Cabinet quarterly with exception reporting in between the quarters when necessary.</li></ol>

## **Responsibilities of the Chief Finance Officer**

- To establish an appropriate framework of budgetary management and control that ensures that:
  - a) budget management is exercised within annual cash limits unless the Council agrees otherwise;
  - b) each Chief Officer has available timely information on receipts and payments on each budget which is sufficiently detailed to enable managers to fulfil their budgetary responsibilities;
  - c) expenditure is committed only against an approved budget head;
  - d) all officers responsible for committing expenditure comply with relevant guidance, and the financial regulations;
  - e) each budget head has a single named manager, determined by the relevant Chief Officer. As a general principle, budget responsibility should be aligned as closely as possible to the decision-making processes that commit expenditure;
  - f) significant variances from approved budgets are investigated and reported by budget managers regularly.
- To administer the Council's scheme of virement.
- To submit reports to the Cabinet and to the Council, in consultation with the relevant Chief Officer, where a Chief Officer is unable to balance expenditure and resources within existing approved budgets under his or her control.
- To prepare and submit reports on the Council's projected income and expenditure compared with the budget on a monthly basis – see Key Control 4.7.3(g) above for details of table contents. Reports may also be made on an ad hoc basis should there be a material issue, judged so, by the Chief Finance Officer.

### **Responsibilities of Chief Officers**

- To maintain budgetary control within their directorates, in adherence to the principles described earlier, and to ensure that all income and expenditure are properly recorded and accounted for.

- To ensure that an accountable budget manager is identified for each item of income and expenditure under the control of the Chief Officers (grouped together in a series of cost centres). As a general principle, budget responsibility should be aligned as closely as possible to the decision-making that commits expenditure.
- To ensure that spending remains within the service's overall cash limit, and that individual budget heads are not overspent, by monitoring the budget and taking appropriate corrective action where significant variations from the approved budget are forecast.
- To ensure that a monitoring process is in place to review performance levels / levels of service in conjunction with the budget and is operating effectively.
- To prepare and submit to the Cabinet reports on the service's projected income and expenditure compared with its budget, in consultation with Chief Finance Officer.
- To ensure prior approval by the Council or Cabinet (as appropriate) for new proposals, of whatever amount, that:
  - a) create financial commitments in future years
  - b) change existing policies, initiate new policies or cease existing policies
  - c) materially extend or reduce the Council's services.
- To ensure compliance with the scheme of virement.
- To agree with the relevant Chief Officers where it appears that a budget proposal, including a virement proposal, may impact materially on another service area or Chief Officer's level of service activity.

#### **1.7.4 Budgets and Medium Term Financial Planning**

The Council is a complex organisation responsible for delivering a wide variety of services. It needs to plan effectively and to develop systems to enable scarce resources to be allocated in accordance with carefully weighed priorities. The budget is the financial expression of the Council's plans and policies.

The revenue budget must be constructed so as to ensure that resource allocation properly reflects the service plans and priorities of the Council. Budgets (spending plans) are needed so that the Council can plan, authorise,

monitor and control the way money is allocated and spent. It is illegal for any Council to budget for an unfunded deficit.

Medium-term financial planning involves a planning cycle in which managers develop their own plans. As each year passes, another future year will be added to the medium-term plan. This ensures that the Council is always preparing for events in advance.

### **Key Controls**

- a) Specific budget approval for all expenditure.
- b) Budget managers are consulted in the preparation of the budgets for which they will be held responsible and accept accountability within delegations set by the executive for their budgets and the level of service to be delivered.
- c) A monitoring process is in place to review regularly the effectiveness and operation of budget preparation and to ensure that any corrective action is taken.

### **Responsibilities of the Chief Finance Officer**

- To prepare and submit reports on budget prospects for the Cabinet, including resource constraints set by the Welsh Assembly Government. Reports should take account of medium-term prospects, where appropriate.
- To determine the detailed form of revenue estimates and the methods for their preparation, consistent with the budget approved by the Council, and after consultation with the Cabinet and Chief Officers.
- To prepare and submit reports to the Cabinet on the aggregate spending plans of directorates and on the resources available to fund them, identifying, where appropriate, the implications for the level of Council Tax to be levied.
- To advise on the medium-term implications of spending decisions.
- To encourage the best use of resources and value for money by working with Chief Officers to identify opportunities to improve economy, efficiency and effectiveness, and by encouraging good practice in conducting financial

appraisals of development or savings options, and in developing financial aspects of service planning.

- To advise the Council on Cabinet proposals in accordance with his or her responsibilities under Section 151 of the Local Government Act 1972.

### **Responsibilities of Chief Officers**

- To prepare estimates of income and expenditure, in consultation with the Chief Finance Officer, to be submitted to the Cabinet.
- To prepare budgets that are consistent with any relevant cash limits, with the Council's annual budget cycle and with guidelines issued by the Cabinet. The format should be prescribed by the Chief Finance Officer in accordance with the Council's general directions.
- To integrate financial and budget plans into service planning, so that budget plans can be supported by financial and non-financial performance measures.
- In consultation with the Chief Finance Officer and in accordance with the laid-down guidance and timetable, to prepare detailed draft revenue and capital budgets for consideration by the Cabinet and then Council.
- When drawing up draft budget strategy requirements, to have regard to:
  - a) Corporate Strategy;
  - b) customer consultation;
  - c) spending patterns and pressures revealed through the budget monitoring process;
  - d) legal requirements;
  - e) policy requirements as defined by the Council in the approved policy framework;
  - f) initiatives already underway.

#### **1.7.5 Resource Allocation**

A mismatch often exists between available resources and required resources. A common scenario is that available resources are not adequate

to fulfil need/desire. It is therefore imperative that needs/desires are carefully prioritised and that resources are fairly allocated, in order to fulfil all legal responsibilities. Resources may include employees, money, equipment, goods and materials.

### **Key Controls**

- a) Resources are acquired in accordance with the law and using an approved authorisation process.
- b) Resources are used only for the purpose intended, to achieve the approved policies and objectives, and are properly accounted for.
- c) Resources are securely held for use when required.
- d) Resources are used with the minimum level of waste, inefficiency or loss for other reasons.

### **Responsibilities of the Chief Finance Officer**

- To advise on methods available for the funding of resources, such as grants from central government and borrowing requirements.

### **Responsibilities of Chief Officers**

- To work within budget limits and to utilise resources allocated, and further allocate resources, in the most efficient, effective and economic way.
- To identify opportunities to minimise or eliminate resource requirements or consumption without having a detrimental effect on service delivery.

#### **1.7.6 Capital Programmes**

Capital expenditure involves acquiring or enhancing fixed assets with a long-term value to the Council, such as land, buildings, and major items of plant, equipment or vehicles. Capital assets shape the way services are delivered in the long term and create financial commitments for the future in the form of financing costs and revenue running costs.

The NAW/Welsh Government places strict controls on the financing capacity of the Council. This means that capital expenditure should form part of an investment strategy and should be carefully prioritised in order to maximise the benefit of scarce resources.

### **Key Controls**

- a) Specific approval by the Council for the programme of capital expenditure.
- b) Development of three year capital programme.
- c) Expenditure on capital schemes is in accordance with budget provision.
- d) A scheme and estimate, including project plan, progress targets and associated revenue expenditure is prepared for each capital project.
- e) Approval by the Cabinet where capital schemes are to be financed from the revenue budget, up to a specified amount, and subject to the approval of the Council, where the expenditure exceeds this amount.
- f) Proposals for improvements and alterations to buildings must be approved by the appropriate Director.
- g) Schedules for individual schemes within the overall budget approved by the Council must be maintained by the appropriate Department.
- h) The development and implementation of asset management plans.
- i) Accountability for each proposal is accepted by a named manager.
- j) Monitoring of progress with approved budget, the project plan and agreed outputs.
- k) Maximisation of potential external grant funding is achieved.
- l) To comply with the CIPFA Prudential Code for Capital Finance in Local Authorities (2021 Edition) whilst setting capital programmes.

### **Responsibilities of the Chief Finance Officer**

- To prepare an estimate of available resources to fund the capital programme in a financial year and/or for a longer period where medium term planning requires.

- To prepare capital programmes jointly with Chief Officers, the Chief Executive and the Corporate Development Group and to report them to the Cabinet for approval. The Cabinet will make recommendations on the capital estimates and on any associated financing requirements to the Council.
- To advise Cabinet on the use of prudential borrowing when setting the capital programme. To set, report and monitor the prudential indicators.
- To prepare and submit reports to the Cabinet on the projected income, expenditure and resources compared with the approved estimates.
- To issue guidance concerning capital schemes and controls, for example, on project appraisal techniques. The interpretation of 'capital' will be determined by the Chief Finance Officer, having regard to government regulations and accounting requirements.
- To obtain authorisation from the Cabinet for individual schemes where the estimated expenditure exceeds the capital programme provision by more than 10% of the scheme cost or £50,000 whichever is the lesser.

### **Responsibilities of Chief Officers**

- To comply with guidance concerning capital schemes and controls issued by the Chief Finance Officer.
- To ensure that capital proposals have undergone a project appraisal as required by the Corporate Project Management Panel
- To prepare regular reports reviewing the capital programme provisions for their services. They should also prepare a regular return of estimated final costs of schemes in the approved capital programme for submission to the Chief Finance Officer.
- To ensure that adequate records are maintained for all capital contracts.
- To proceed with projects only when there is adequate provision in the capital programme and with the agreement of the Chief Finance Officer, where required.
- To prepare and submit reports, jointly with the Chief Finance Officer, to the Cabinet, of any variation in contract costs greater than the approved limits.

- To prepare and submit reports, to the Cabinet, on completion of all contracts where the final expenditure exceeds the approved contract sum by more than 10% or £50,000 whichever is the lesser.
- To ensure that credit arrangements, such as leasing agreements, are not entered into without the prior approval of the Chief Finance Officer and, if applicable, approval of the scheme through the capital programme.
- To consult with the Chief Finance Officer and to seek Cabinet approval where the Chief Officer proposes to bid for external capital grant aid to support expenditure that has not been included in the three year capital programme.

### **1.7.7 Maintenance of Reserves**

The Council must decide the level of general reserves it wishes to maintain before it can decide the level of Council Tax. Reserves are maintained as a matter of prudence. They enable the Council to provide for unexpected events and thereby protect it from overspending, should such events occur. Reserves for specific purposes may also be maintained, such as the purchase or renewal of capital items.

### **Key Controls**

- a) To maintain reserves in accordance with the *Code of Practice on Local Authority Accounting in the United Kingdom: A Statement of Recommended Practice* (CIPFA/LASAAC) and agreed accounting policies.
- b) For each reserve established, the purpose, usage and basis of transactions should be clearly identified.
- c) Authorisation from the Chief Finance Officer is required before transferring amounts to or from Earmarked Reserves unless the amounts are in accordance with approved budgets.

## **Responsibilities of the Chief Finance Officer**

- To advise the Cabinet and/or the Council on prudent levels of reserves for the Council, and to take account of the advice of the external auditor in this matter.

## **Responsibilities of Chief Officers**

- To ensure that reserves are used only for the purposes for which they were intended.

## **1.8 RISK MANAGEMENT AND CONTROL OF RESOURCES**

### **Risk Management**

It is essential that robust, integrated systems are developed and maintained for identifying and evaluating all significant operational risks to the Council. This should include the proactive participation of all those associated with planning and delivering services.

All organisations, whether private or public sector, face risks to people, property and continued operations. Risk is the chance or possibility of loss, damage, injury or failure to achieve objectives caused by an unwanted or uncertain action or event. Risk management is the planned and systematic approach to the identification, evaluation and control of risk. Its objectives are to secure the assets of the organisation and to ensure the continued financial and organisational well-being of the organisation. In essence it is, therefore, an integral part of good business practice. Risk management is concerned with evaluating the measures an organisation already has in place to manage identified risks and then recommending the action the organisation needs to take to control these risks effectively.

It is the overall responsibility of the Cabinet to approve the Council's risk management strategy, and to promote a culture of risk management awareness throughout the Council.

### **Key Controls**

- a) Procedures are in place to identify, assess, prevent or contain material known risks, and these procedures are operating effectively throughout the Council.
- b) A monitoring process is in place to review regularly the effectiveness of risk reduction strategies and the operation of these controls. The risk management process should be conducted on a continuing basis.
- c) Managers know that they are responsible for managing relevant risks and are provided with relevant information on risk management initiatives.
- d) Provision is made for losses that might result from the risks that remain.
- e) Procedures are in place to investigate claims within required timescales.
- f) Acceptable levels of risk are determined and insured against where appropriate.
- g) The Council has identified business continuity plans for implementation in the event of disaster that results in significant loss or damage to its resources.
- h) The Council maintains an effective Internal Audit Service which enhances and protects organisational value by providing risk-based and objective assurance, advice and insight.

### **Responsibilities of the Chief Finance Officer**

- To include all appropriate employees of the Council in a suitable fidelity guarantee insurance.
- To offer insurance cover to schools in accordance with Fair Funding arrangements.
- To effect corporate insurance cover, through external insurance and internal funding, and to negotiate all claims in consultation with other officers, and all other relevant parties, where necessary.

- To notify the Chief Finance Officer immediately of any loss, liability or damage that may lead to a claim against the Council, together with any information or explanation required by the Chief Finance Officer or the Council's insurers.
- To take responsibility for risk management, having regard to advice from the Chief Finance Officer and other specialist officers (e.g. crime prevention, fire prevention, health and safety).
- To ensure that there are regular reviews of risk within their directorates.
- To notify the Chief Finance Officer promptly of all new risks, properties or vehicles that require insurance and of any alterations affecting existing insurances.
- To notify the Chief Finance Officer promptly of any identified failures in internal controls which require further investigation.
- To consult the Chief Finance Officer and the Council's Corporate Lead Officer – Legal & Governance on the terms of any indemnity that the Council is requested to give.

### **1.8.1 Internal Controls**

The Council is complex and beyond the direct control of individuals. It therefore requires internal controls to manage and monitor progress towards strategic objectives.

The Council has statutory obligations and, therefore, requires internal controls to identify, meet and monitor compliance with these obligations.

The Council faces a wide range of financial, administrative and commercial risks, both from internal and external factors, which threaten the achievement of its objectives. Internal controls are necessary to manage these risks.

The system of internal controls is established in order to provide measurable achievement of:

- a) efficient and effective operations;
- b) reliable financial information and reporting;
- c) compliance with laws and regulations;
- d) risk management.

### **Key Controls**

- a) Key controls should be reviewed on a regular basis and the Council should make a formal statement annually to the effect that it is satisfied that the systems of internal control are operating effectively.
- b) Managerial control systems, including defining policies, setting objectives and plans, monitoring financial and other performance and taking appropriate anticipatory and remedial action. The key objective of these systems is to promote ownership of the control environment by defining roles and responsibilities.

- c) Financial and operational control systems and procedures, which include physical safeguards for assets, segregation of duties, authorisation, delegated decisions and approval procedures and information systems.
- d) An adequate and effective internal audit function that is properly resourced. It should operate in accordance with the Public Sector Internal Audit Standards and  
with any other statutory obligations and regulations.

### **Responsibilities of the Chief Finance Officer**

- To assist the Council to put in place an appropriate control environment and effective internal controls which provide reasonable assurance of effective and efficient operations, financial stewardship, probity and compliance with laws and regulations.
- To ensure the required skills and resources are available to deliver the Internal Audit Annual Strategy and Plan.

### **Responsibilities of Chief Officers**

- To manage processes to check that established controls are being adhered to and to evaluate their effectiveness, in order to be confident in the proper use of resources, achievement of objectives and management of risks.
- To review existing controls in the light of changes affecting the Council and to establish and implement new ones in line with guidance from the Chief Finance Officer. Chief Officers should also be responsible for removing controls that are unnecessary or not cost or risk effective – for example, if causing a duplication of work.

## **1.8.2 Audit Requirements**

### **Internal Audit**

The requirement for an internal audit function for local authorities is implied by Section 151 of the Local Government Act 1972, and section 112 of the Local Government Finance Act 1988, which require that authorities 'make arrangements for the proper administration of their financial affairs'. The

Ceredigion County Council Constitution - Part 4 Rules of Procedure

PART 4 DOCUMENT F Financial Regulations

Updated July 2022

Accounts and Audit Wales Regulations 2015 (as amended) more specifically require that a 'relevant authority must undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance'.

Accordingly, internal audit is an independent objective assurance and consulting activity designed to add value and improve the Council's operations. It helps the Council accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes.

### **Key Controls**

- a) That Internal Audit:

all necessary steps to prevent further loss and to secure records and documentation against removal or alteration.

### **External Audit**

The Government of Wales Act 1998 set up the office of the Auditor General for Wales, which is responsible for appointing external auditors to each local Authority in Wales.

The basic duties of the external auditor are defined in the Public Audit (Wales) Act 2004. In particular, under section 17 of that Act the Auditor General for Wales may issue a code of audit practice, which external auditors follow when carrying out their duties.

The code of audit practice issued in March 2000 sets out the auditor's objectives to review and report on:

- a) the financial aspects of the audited body's corporate governance arrangements;
- b) the audited body's financial statements; and

## **1.11 EXTERNAL ARRANGEMENTS**

### **1.11.1 Partnerships**

Partnerships are likely to play a key role in delivering community strategies and in helping to promote and improve the well-being of the area. Local authorities are working in partnership with others – public agencies, private companies, community groups and voluntary organisations. Local authorities still deliver some services, but their distinctive leadership role is to bring together the contributions of the various stakeholders. They therefore need to deliver a shared vision of services based on user wishes.

Local authorities will mobilise investment, bid for funds, champion the needs of their areas and harness the energies of local people and community organisations. Local authorities will be measured by what they achieve in partnership with others.

### **General Issues**

The main reasons for entering into a partnership are:

- a) the desire to find new ways to share risk;
- b) the ability to access new resources;
- c) to provide new and better ways of delivering services;
- d) to forge new relationships; and
- e) community involvement.

A partner is defined as either:

- a) an organisation (private, public or community) undertaking, part funding or participating as a beneficiary in a project; or
- b) a body whose nature or status give it a right or obligation to support the project.

Partners participate in projects by:

- a) acting as a project deliverer or sponsor, solely or in concert with others;
- b) acting as a project funder or part funder;
- c) being the beneficiary group of the activity undertaken in a project.

Partners have common responsibilities:

- a) to be willing to take on a role in the broader programme appropriate to the skills and resources of the partner organisation;
- b) to act in good faith at all times and in the best interests of the partnership's aims and objectives;
- c) be open about any conflict of interests that might arise;
- d) to encourage joint working and promote the sharing of information, resources and skills between public, private and community sectors;
- e) to hold confidentially any information received as a result of partnership activities or duties that is of a confidential or commercially sensitive nature; and
- f) to act wherever possible as ambassadors for the project.

### **Key Controls**

- a) If appropriate, to be aware of their responsibilities under the Council's Financial Regulations and Standing Orders with Regards to Contracts.
- b) To ensure that risk management processes are in place to identify and assess all known risks.

- c) To ensure that project appraisal processes are in place to assess the viability of the project in terms of resources, staffing and expertise.
- d) To agree and accept formally the roles and responsibilities of each of the partners involved in the project before the project commences.
- e) To communicate regularly with other partners throughout the project so that problems can be identified and shared to achieve their successful resolution.

### **Responsibilities of the Chief Finance Officer**

- To advise on effective controls that will ensure that resources are not wasted.
- To advise on the key elements of funding a project. They include:
  - a) a scheme appraisal for financial viability in both the current and future years;
  - b) risk appraisal and management;
  - c) resourcing, including taxation issues and loan guarantees;
  - d) audit, security and control requirements; and
  - e) carry-forward arrangements.
- To ensure that the accounting arrangements are satisfactory.

### **Responsibilities of Chief Officers**

- To maintain a register of all contracts entered into with external bodies in accordance with procedures specified by the Chief Finance Officer.
- To ensure that, before entering into agreements with external bodies, a risk management appraisal has been prepared.
- To ensure that such agreements and arrangements do not impact adversely upon the services provided by the Council.

- To ensure agreements and arrangements stipulate the Council's Internal Audit's authority's access to relevant records etc.
- To provide appropriate information to the Chief Finance Officer to enable a note to be entered into the Council's Statement of Accounts concerning material items.

- To ensure that the Chief Finance Officer is notified of any request of providing a financial guarantee.

### **1.11.2 External Funding**

External funding is potentially a very important source of income, but funding conditions need to be carefully considered to ensure that they are compatible with the aims and objectives of the Council. Local authorities are increasingly encouraged to provide seamless service delivery through working closely with other agencies and private service providers. Funds such as the National Lottery grants, European Union grants and other sources provide additional resources to enable the Council to deliver services to the local community. However, in some instances, although the scope for external funding has increased, such funding is linked to tight specifications and may not be flexible enough to link to the Council's overall plan.

#### **Key Controls**

- a) To ensure that key conditions of funding and any statutory requirements are complied with and that the responsibilities of the accountable body are clearly understood.
- b) To ensure that funds are acquired only to meet the priorities approved in the policy framework by the Council.
- c) To ensure that any match-funding requirements are given due consideration prior to entering into long-term agreements and that future revenue budgets reflect these requirements.

#### **Responsibilities of the Chief Finance Officer**

- To ensure that all funding notified by external bodies is received and properly recorded in the Council's accounts.
- To ensure that the match-funding requirements are considered prior to entering into the agreements and that future revenue budgets reflect these requirements.
- To ensure that audit requirements are met.

#### **Responsibilities of Chief Officers**

- To ensure that all claims for funds are made by the due date.

- To ensure that the project progresses in accordance with the agreed criteria and that all expenditure is properly incurred and recorded.
- To ensure that sufficient project management skills and resources are assigned to schemes to facilitate successful completion of all projects.
- To ensure that third party agreements are notified to the Chief Finance Officer
- To ensure that all relevant documentation is retained in accordance with the Council's Documents Retention policies.

### **1.11.3 Work for Third Parties**

Current legislation enables the Council to provide a range of services to other bodies. Such work may enable a unit to maintain economies of scale and existing expertise. Arrangements should be in place to ensure that any risks associated with this work is minimised and that such work is intra vires.

#### **Key Controls**

- a) Proposals are costed properly in accordance with guidance provided by the Chief Finance Officer.
- b) Contracts are drawn up using guidance provided by the Chief Finance Officer and that the formal approvals process is adhered to.
- c) Guidance is issued with regard to the financial aspects of third party contracts and the maintenance of the contract register.

#### **Responsibilities of the Chief Finance Officer**

- To issue guidance with regard to the financial aspects of third party contracts and the maintenance of the contract register.
- To ensure that appropriate insurance arrangements are made.

#### **Responsibilities of the Chief Officers**

- To ensure that Cabinet approval is obtained before any negotiations are concluded to work for third parties.

- To maintain a register of all contracts entered into with third parties in accordance with procedures specified by the Chief Finance Officer.
- To ensure that the Council is not put at risk from any bad debts.
- To ensure that no contract is subsidised by the Council.
- To ensure that, wherever possible, payment is received in advance of the delivery of service.
- To ensure that the service area has the appropriate expertise to undertake the contract.
- To ensure that such contracts do not impact adversely upon the services provided by the Council.
- To ensure that all contracts are properly documented.

To provide appropriate information to the Chief Finance Officer to enable a note to be entered into the Statement of Accounts.

It may also be necessary if the continuing presence of the relevant officer might compromise the investigation or impair the efficient exercise of the Council's functions.
15. In any case the relevant officer shall be informed of the reason for the proposed suspension and have the right to present information before any such decision is taken.
16. Any suspension must not last longer than 2 months unless the designated independent person has used his/her power to direct an extension to that period.

26. The decision of the investigating & disciplinary committee will be communicated to the parties in writing setting out the reasons for the decision.

### **Appeal Process**

27. In the event that the investigating and disciplinary committee proposes dismissal, any such dismissal must be referred to full Council for approval before any such notice is issued. In view of this requirement the meeting of the full Council will fulfil the function of an appeal meeting.
28. The Council will consider the proposal from the investigating & disciplinary committee that the relevant officer should be dismissed. The relevant officer (or his/her representative) will have the opportunity to put his/her case to the council before a decision is taken. The decision taken by full Council will be final.

## **1. Development Management Committee decision procedures**

See Article 8 for the Development Management Committee's Terms of Reference in the Councils Constitution.

The process of the Development Management Committee (DMC) is as follows:

- a. The appropriate Officer introduces the report*
- b. A discussion takes place including questions to Officers*
- c. If required, a presentation by the applicant, their agent and/or the local member occurs*
- d. If Members are minded to approve the Officer recommendation, they move straight to a vote*
- e. If members are considering rejecting an Officer recommendation, they should do so in the normal way with both the mover and seconder of any resolution to that effect recorded (subject to Section 2 below – Decisions Contrary to Officer Recommendation)*
- f. The proposer and/or the seconder should state explicit Material Planning Considerations as justifications for their wish to reject the officer recommendation.*
- g. These reasons will form part of the resolution and must be recorded by the minute taker*
- h. A further discussion may take place*
- i. The legal representative and/or the Planning Officer concerned should have the opportunity to comment on the matters raised under f. above.*
- j. The proposer of the resolution should sum up*
- k. A vote should be taken*
- l. Additionally, if an amendment is moved to the initial resolution this should be dealt with in the normal way again, if appropriate, stating Material Planning Considerations.*

## **2. Deferral process for applications presented to Development Management Committee**

The Development Management Committee and planning officers may on occasion need to defer an application at the Development Management Committee.

There are 4 main options in which a deferral could be made:

### **OPTIONS**

1. Site Inspection Panel.

Ceredigion County Council Constitution - Part 4 Rules of Procedure

PART 4 DOCUMENT I - THE DEVELOPMENT MANAGEMENT COMMITTEE – OPERATIONAL PROCEDURES

Updated July 2023

in accordance with the SIP protocol in the Development Management Committee Operational Procedures below.

2. For information reasons.  
i.e., to request new information to be fully considered or to request further information on a particular aspect of the case.
3. For 'cooling off'.  
This occurs where Members are minded to approve or refuse an application contrary to officer recommendation and or national and local policy and further time is required to consider the material planning considerations that would support the decision. See below.
4. New planning information  
New planning information brought to the attention of the members or planning officer post publication of the Development Management Committee agenda and papers (for example where an agent emails member of the Development Management Committee with additional information the day before the committee date)

#### **Deferring the application for 'cooling off'.**

The following protocol and process shall apply where Members are minded to make a decision which would represent a significant departure from national or local planning policies (i.e., scenario 3 above).

Where the Committee is minded to either approve or refuse a proposed development that would be deemed a **significant departure** to planning policies, contrary to officer recommendation, or local and national planning policy,

The item shall be deferred until a subsequent meeting so as to:

- allow further consideration of the matter, and
- for members to draw up detailed justified material planning reasons for the basis of the decision.

Where a decision to defer is taken in these circumstances, the Development Management Committee must set out the reasons for wishing to decide against the officer recommendation or local and national planning policy so that these can be taken into account for further consideration.

The case officer will prepare a further report that shall detail:

- the reasons put forward by the members, and indicate whether such reasons are, in their view, genuine,
- material planning reasons,
- discuss the land use planning issues raised.

At the subsequent meeting, Members will then need to consider these issues, and all relevant documents in making their decision.

The decision must include detailed and justified material planning reasons for decisions contrary to officer recommendation and / or local and national planning policy.

The Planning Officer should be given the opportunity to explain the implications of the contrary decision.

### **Procedure**

The following procedure will also apply:

- a) Where a proposal is put to a meeting, which if successful would result in the determination of a planning application contrary to policy and/or the advice of the Authority's Officers, the names of the Members voting for, against and abstaining in respect of that proposal shall be recorded in the minutes.
- b) Where material considerations are considered by the Development Management Committee to justify a decision contrary to recommendation or policy.
- c) The DMC must give clear and cogent reasons for coming to that conclusion. These reasons must be based on sound evidence or reasoning which supports the planning material considerations.

The reasons must be clear and convincing based on sound evidence or reasoning which supports the planning material considerations, and demonstrate the justification for making decisions that are contrary to policy.

Officer recommendations, and if relevant the view of the courts, and detailed reasons are necessary to ensure that the reason for the decision is completely clear to all interested parties, including the public, and to explain what otherwise might appear to be inconsistency.

- d) The reasons given for decisions will be recorded in the minutes.

### **3. Decisions Contrary to Officer Recommendation**

See section 2 above.

Where the Development Management Committee is minded to either approve or refuse an application, which is contrary to the Officer's recommendation and / or local

and national planning policy, and which, in the opinion of the Corporate Lead Officer – Economy and Regeneration could involve:

- A significant departure from the adopted Development Plan
- A significant risk of costs being awarded against the Council at any subsequent planning appeal, legal challenge, Welsh Government call-in or Ombudsman investigation

the item shall be deferred ( under option 3 above) until a subsequent meeting with an additional report, to include any additional information providing clarity or aiding further understanding and specifying the material planning considerations that justify such a departure for this application outlined by the members.

The Welsh Government Development Management Manual para 9.6.17 states:

- Where necessary, planning committees should defer applications by using a ‘cooling off period’ to the next committee meeting when minded to determine an application contrary to an officer recommendation.  
This is in order to allow time to reconsider, manage the risk associated with this action, and ensure officers can provide additional reports and draft robust reasons for refusal or necessary conditions for approval.

Where Members resolve to take a decision, contrary to an officer’s recommendation, which the Chief Executive or Corporate Lead Officer for Economy and Regeneration identifies as constituting a significant departure from an approved plan or policy of the Authority, or as otherwise having significant implications for the Authority, the decision shall be deferred until a further meeting of the Committee (See Deferral process outlined above).

#### **Cooling off period.**

The ‘**cooling off period**’ is in order to allow time to reconsider, manage the risk associated with the action, and ensure Officers can provide additional reports and draft robust reasons for refusal/necessary conditions for approval.

#### **Cooling Off Group (COG)**

During the cooling off period a Cooling-off group will meet to consider the application and consider the following:

- Points raised by members who are minded to support the application
- The need for additional information
- The significance of the departure in terms of the LDP and national policies
- Whether material considerations are sufficiently evidenced so as to outweigh the existing policy
- The risks associated with the decision e.g. call in, judicial review, costs, reputational damage.

Ceredigion County Council Constitution - Part 4 Rules of Procedure

PART 4 DOCUMENT I - THE DEVELOPMENT MANAGEMENT COMMITTEE – OPERATIONAL PROCEDURES

Updated July 2023

The Cooling-off Group will comprise of 7 politically balanced group of the Development Management Committee.

The COG will not make decisions, but will use its best endeavours to make recommendations to the DMC, addressing the point above.

These recommendations will be reflected in the case Officers report.

Where Members resolve to take a decision, contrary to an officer's recommendation, which the Corporate Lead Officer - Economy and Regeneration identifies as constituting a significant departure from an approved plan or policy of the Authority, or as otherwise having significant implications for the Authority, the Corporate Lead Officer - Economy and Regeneration may withdraw the application prior to decision in order to ensure its deferral under the Cooling off period process outlined above.

**Applications which are determined contrary to officer recommendations**

Applications which are determined contrary to officer recommendations must be supported by clear and convincing reasons based on material planning considerations.

Where Members resolve to take a decision, contrary to an officer's recommendation, which the Chief Executive or Corporate Lead Officer for Economy and Regeneration identifies as constituting a significant departure from an approved plan or policy of the Authority, or as otherwise having significant implications for the Authority, the decision shall be deferred until a further meeting of the Committee (See Deferral process outlined above).

If, ultimately, the Committee's decision is contrary to the Officer recommendation, there shall be taken a full minuted record of Members' reasons for rejecting the Officer recommendation, together with a recorded vote

**Determination**

The Development Management Committee must set out the reasons for wishing to decide against the officer recommendation.

The Development Management Committee members should adhere to these rules when making planning decisions and take policy guidance from planning officers into due regard and only vote against their recommendations where genuine and material planning reasons can be identified.

A detailed minute of the Committee's reason(s) shall be made and a copy placed on the application file.

Where deciding the matter contrary to the recommendation, there may a risk of costs on appeal, the Committee will take a recorded vote when deciding the application.

The Case Officer further report shall detail the reasons put forward by the Members, indicate whether such reasons are, in their view, genuine and material planning considerations and discuss the land use planning issues raised.

In the case where Members wish to add or amend conditions which are recommended by Officers, the Officers should be invited to draft such a condition and bring this back for approval at the subsequent meeting unless the drafting is straightforward and can be agreed at the initial meeting.

### **Appeals**

Where Officers are unable to defend such decisions on appeal (due to requirements of the professional conduct rules of the Royal Town Planning Institute 'RTPI') they shall make this point known to the Development Management Committee before the final vote is taken. In such cases, the Development Management Committee, who shall nominate (at least) two of its Members who voted contrary to the recommendation to appear at any appeal and explain the Development Management Committee's decisions and the reasons for them. These should, normally, be the proposer and seconder of the proposal which was contrary to the Officer's recommendation.

## **4. Code of practice for Development Management Committee site visits (Site Inspection Panels SIPs)**

### **Purpose of a Site Visit**

Site visits can be useful in identifying important site features relevant to a proposal that may be impossible to convey in a written report or by photographs, plans and drawings. However, site visits can cause delay in the planning process and should only be used where there is an expectation of clear potential benefit.

The purpose of a site visit is a fact-finding exercise in order to understand the context for a proposed development. It is not to be viewed as an alternative forum/venue for debate on the merits of any application.

It is not part of the formal consideration of the application. Site visits should not be used as a forum for debating the application.

Members of the public have an opportunity to put forward their views through written representations and/or the Public Speaking Scheme at the Development Management Committee when all Members are present and where the matter will be determined.

All contributions at site visits should therefore be directed to matters of fact. Applicants / Agents and members of the public will not normally be in attendance.

The Site Inspection Panel will comprise of 5 members of the DMC, including the chairman and vice chairman of the committee, the immediate past chairman of the

committee and two other members on a monthly rota basis. The Local Ward Member will also be invited to attend to observe.

### **Deciding whether a Site Visit is appropriate**

Site visits will generally only be considered necessary where:

- 1 the proposal is particularly complex or;
2. the impact or effects of the proposed development are difficult to visualise from the plans and any supporting material including slides or photographs which form a part of the Officer presentation.
3. Where the proposal is likely to have a major visual impact which could only be fully appreciated on site
4. Where the likely impact of the proposed development on adjoining development is such that it can only be fully appreciated on site
5. To gain a better understanding of the policy issues against which the proposed development is to be judged
6. Where the proposed development is likely to have a major impact over a wide area
7. Where there are significant objections to the proposed development which could only be fully taken into account by visiting the site (a large number of objections in itself is not sufficient justification).

When a site visit is proposed at a meeting of the Development Management Committee, the proposer will identify which of the criteria listed above or other good planning reason applies.

Members of the DMC will first vote on whether to see the visual presentation, before considering whether a site visit is necessary.

If it is decided to see the presentation, then it will be shown, with a factual commentary by Officers, but without the merits of the application being discussed.

In all cases a formal vote will be taken on whether to hold a site visit and if the vote is in favour of a site meeting the motion shall include the reasons for the visit.

The Authority through the Corporate Lead Officer - Economy and Regeneration, with the approval of the Chair of the Development Management Committee, may also authorise a site visit where s/he considers one of the criteria listed above applies and that to wait for the next available Committee meeting would unnecessarily delay the planning application.

The Authority through the Corporate Lead Officer - Economy and Regeneration, with the approval of the Chair of the Development Management Committee, may also authorise a site visit where s/he considers it would be beneficial that all members of the DMC should attend.

In such instances as those above Members will be provided with a draft report which sets out the key issues to be considered on site and will record the reasons why a site visit is considered necessary.

#### **Procedure at a Site Visit**

- (a) The Authority's Planning Services will send a written invitation to every invited Member of the Development Management Committee (the SIP panel), and the Local Ward Member enclosing a copy of the relevant Committee report.
- (b) The Planning Officer will obtain the owner's permission to enter the site, if necessary, and will invite consultees whose comments are pertinent to the planning issues under consideration (e.g., Highways, Natural Resources Wales).
- (c) The Planning Officer will describe the application and outline the relevant policies and planning considerations.
- (d) Invited consultees will advise on relevant matters of fact.
- (e) It will not usually be expected that the applicant and/or agent will be asked to attend; if there is a specific need to do so then they will be asked to only answer any questions raised by Members at the meeting.
- (f) The Site Inspection Panel is not a forum for debate of the application and serves only to view the site in person.
- (g) The SIP must be conducted in accordance with principles of natural justice.
- (h) Anything stated or seen must be heard and seen by all present.
- (i) The Chair will bring the site inspection to a close.
- (j) Immediately before or after the formal site inspection it may also be appropriate for Members to view the site from other vantage points.
- (k) The Authority's Standing Orders will apply generally over such matters as rule of debate.
- (l) The Chair may adjourn the inspection at any time, in the event of disturbance to orderly conduct.

### **5. Operational procedures for members of the public addressing the Development Management committee**

The Council has decided to give third parties the right to speak at Development Management Committee (“the Committee”).

This document explains the procedures which the Development Management Committee will adopt when a member of the public makes a written request to address the Committee

#### **a) Which matters can be drawn to the Committee’s attention?**

A wide range of issues may be drawn to the Committee’s attention, however under the relevant Planning Acts, decisions regarding planning applications must be in accordance with:

- the law,
- development plans and
- national guidelines,

unless other planning considerations are important enough to justify a decision which is to the contrary.

The Council cannot refuse planning permission for the sole reason that objections have been presented, and cannot approve an application for the sole reason that a number of people support it or because there are no objections.

#### **Material planning considerations**

The matters you raise must pertain to relevant planning considerations, e.g.

- Relevant legislation and the policies in the relevant development plans and national planning guidelines
- Relevant case-law and decisions on previous planning appeals before an Inspector
- The impact on the character and appearance of the area, e.g. site, scale, size, height and design
- The impact on the amenities of neighbouring residents, e.g. hours of use, overlooking, excessive impairment and traffic noise
- The impact on highway safety, e.g. poor visibility, the safety of pedestrians, parking, density of use.
- Land stability issues, drainage issues and fire precautions

### **Non-material planning considerations**

No attention may be given to matters which are not material planning considerations and which are private matters, e.g.

- Impact on land values, hygiene and the layout internal areas (these are mainly dealt with under legislation which is separate from Planning, e.g. Building Regulations)
- The applicant's personal characteristics, including age, race and language
- Disagreement regarding the ownership of the affected land
- Private rights of way and drainage and private easements and covenants
- The impact of the proposal on property value
- Commercial competition, e.g. between shops, restaurants, garages etc.
- Loss of views

### **New Planning information**

Should applicants / agents or any other person acting on their behalf draw attention to new information (such as by emailing/ lobbying in person/ written correspondence) after the publication of the Development Management Committee agenda and papers, the planning application will be deferred to a subsequent meeting. In accordance with Option 4 above.

It is unacceptable and inappropriate to bring to light new information at the eleventh hour that has not had the formal scrutiny procedures as is applied to a planning case file, and thus any such correspondence/ communication will result in an automatic deferral of the application.

### **b) How to make a request to speak at the Committee?**

The procedure to be followed in making a request is the same for everyone who wishes to speak at Committee.

Persons who can speak include:

- Applicant or agent,
- Objector,
- Town and Community Councils

It is the responsibility of the individual who wishes to speak to find out whether the particular application on which they wish to speak is to be submitted to the Committee or considered under delegated powers.

Information can be obtained by contacting the Planning Service on 01545 572135 or through the Council's website [planning@ceredigion.gov.uk](mailto:planning@ceredigion.gov.uk);

**Persons wishing to speak must submit a written request to speak to the Clerk to the Committee as soon as possible and no later than midday on the day before the Committee** (which usually meets on a Wednesday).

The contact details for the Clerk are Democratic Services, Neuadd Cyngor Ceredigion, Penmorfa, Aberaeron, Ceredigion, SA46 0PA (e-mail address: [democracy@ceredigion.gov.uk](mailto:democracy@ceredigion.gov.uk))

The following information must be provided:

- name;
- contact details, including a daytime telephone number;
- e-mail if available;
- details of the planning application;
- planning reference number;
- your interest i.e. applicant/agent; objector or Town / Community Council; and
- whether you wish to attend the meeting in person or remotely.

You will only be permitted to speak if the application is on the Committee's agenda.

An individual who wishes to speak will be informed by telephone, in writing or e-mail of the details of the meeting.

Reports on the Committee agenda may be found on the Council's website [www.ceredigion.gov.uk](http://www.ceredigion.gov.uk)

[Ceredigion County Council Browse meetings - Development Control Committee](#)

Or inspected at the meeting.

The applicant/agent will be informed, if s/he has not asked to speak at the Committee, should a notice be received from an objector expressing the desire to speak, so that s/he may also exercise his/her right to respond at the Committee.

It is only the applicant, his agent, or those who have already submitted written objections or observations within the 21-day consultation period who may make a request to address the committee.

Items will not be deferred simply because a person who has requested to speak cannot attend Committee on a particular date.

### **c)The procedure at the Committee**

Those who do speak will be allowed a maximum period of 5 minutes each to speak.

This includes:

- Applicant/ agent,
- Objector,
- Town and Community Council representatives
- Local ward Member

Each will be entitled to speak for 5 minutes maximum.

If more than one objector wants to speak, objectors will be either encouraged to appoint one spokesperson or split the 5 minutes available.

The Chair of the Committee will have the absolute discretion to rule in such matters.

The appropriate order for speaking is as follows:

- case introduced by officer,
- objector,
- applicant or agent,
- Town and Community Councils,
- Local Ward Member,

The matter is then opened up for discussion,

- Committee Members then make comments.

Unless the Chairperson of the Committee states otherwise, the planning applications will be considered in the order in which they appear on the agenda, and it will not be possible to defer an application because you cannot attend or because you are not ready to speak when the Chairperson presents the application. Information regarding the order on the agenda is available from the Planning Section.

Persons wishing to speak must be present at the Committee meeting between 9.45 and 10am and introduce themselves to the Clerk of the Committee. The Committee usually commences at 10.00 am. The Clerk will explain the arrangements and where person wishing to address the DMC will be seated when they speak.

When invited by the Chair of the Committee, persons wishing to address the Committee may speak once, **for up to five minutes**,

The importance of adhering to the time limit is emphasised.

In accordance with the Council's Welsh Language Standards, persons wishing to speak are entitled to speak in Welsh or English. There is no need to repeat all the points made in any letters, as these will have already been sent to members before the Committee. The focus should be on the main points of concern, or the points supported.

The circulation of any written material or photographs will not be permitted.

After speaking, the Committee will discuss the matter.

Persons addressing the DMC should not join in this discussion.

No message should be left in the remote Chat facility.

The committee may seek clarity from the Local Ward Member (LWM) on issues arising and thus the LWM may address the DCC further if invited by the Chair.

The Chair may ask a question/questions if further explanation of the points raised will be required.

There will be no opportunity for members of the public (including the objector, applicant and agent) and Town and Community Councils) on a deferred item to speak at a second or subsequent meeting of the Development Management Committee

## **6. Membership of the Development Management Committee:**

The Development Management Committee shall be composed of 15 members of the Council In accordance with its Terms of reference as set out in the Constitution.

These may include Cabinet Members.

Ceredigion County Council Constitution - Part 4 Rules of Procedure

PART 4 DOCUMENT I - THE DEVELOPMENT MANAGEMENT COMMITTEE – OPERATIONAL PROCEDURES

Updated July 2023

## Quorum

No business is to be transacted at a meeting of a Development Management Committee unless **at least half** of the total number of members of the committee, rounded up to the nearest whole number, is present. Substitute members will not be permitted.

## Simple Majority

Applications will be determined by a simple majority of those Members voting and present in the meeting at the time the recommendation or proposal was made.

Members must be present throughout the discussion in order to vote on a matter.

## Chair' Casting Vote

If there are equal numbers of votes for and against, the Chair will have a second or casting vote. There will be no restriction on how the Chair chooses to exercise a casting vote.

## **7. OUTCOME – Communication**

The Planning Service will inform the applicant/agent of the decision after the date of the Committee meeting and will inform everyone who has written to the Council of the outcome of the application.

## **8. The role of the Local Ward Member (LWM)**

The role of the Local / Ward member in Development Management Committee is dependent on whether they are a member of the committee or not.

If they are not, they are welcome to speak on the application in accordance with the procedure set out above representing the wider views of their constituents affected by the application.

LWMs cannot vote on the application and must observe the specified time limits, however they may remain at the table or as a panellist should the chair wish to ask further questions during the course of the debate.

When an application is presented that involves the Local Ward Member, who is also a member of the Development Management Committee, the said member cannot vote on an application and should 'step down' from the committee 'table' and join the public gallery from where they may wish to address the committee on their constituents' behalf.

This is so that it is clear that the LWM is not part of the Committee.

## 1: CONTEXT

Local Authorities Social Services are responsible for supporting, meeting the needs of and Safeguarding children, young people and their families, people who are disabled, have a learning disability, experience poor mental health and older people.

The functions and responsibilities of local authorities are set out in the Local Authority Social Services Act 1970, as amended by Social Services and Well-Being (Wales) Act 2014 (“the 2014 Act”). A table of social services functions are set out in Schedule 2.

The Social Services Department is now known as the Through Age Well-being service (TAW) /model within the Council.

A local authority must appoint an officer to be known as the Statutory Director of Social Services (“DoSS”) for the purposes of its social services functions (Section 144 of the 2014 Act).

Welsh Government produced a Code of Practice, in accordance with the “Social Services & Well-being (Wales) Act 2014.

The role of the Director of Social Services is set out in Part 8 of the Code.

The 2016 Code has been replaced by the Code of Practice on the Role of the Director of Social Services” (2023) (“the Code”): [sub-ld16218-e.pdf \(senedd.wales\)](#)

The 2016 Code was revised pursuant to The Local Authority Social Services Annual Reports (Prescribed Form) (Wales) (Amendment and Transitional Provision) Regulations 2023 Regulations :[The Local Authority Social Services Annual Reports \(Prescribed Form\) \(Wales\) \(Amendment and Transitional Provision\) Regulations 2023 \(senedd.wales\)](#)

The 2023 Regulations amend the 2017 Regulations in respect of the information that must be included in annual reports, and respective headings under which the information required is to be provided. This will align with the requirements of the revised Part 8 Code.

The Code sets out (Part 2) the governance and accountability of a director of social services, including the strategic leadership role which the DoSS must fulfil if the authority is to ensure the promotion of well-being, and the delivery of effective care and support services, which achieve the principles of the 2014 Act. In particular:

Role in executive structure of the local authority

Relationships with the Chief Executive and other senior officers

Accountabilities

## Corporate Lead Officers

The Authority must act in accordance with the requirements and guidelines contained in the Code.

The DoSS must be the source of advice to the authority on all social services matters and be responsible for decision-making in relation to individuals in the Ceredigion area, in accordance with the requirements of legislation.

## 2: THE NEED FOR CLEAR WORKING ARRANGEMENTS

The purpose of this Protocol is to ensure that the requirements of the Code have been incorporated into arrangements and structures within the Council, and are sufficiently robust to ensure that the DoSS can fulfil the accountabilities necessary, for the Council to deliver effectively on its social services responsibilities.

### 3: IMPLICATIONS OF THE CODE OF PRACTICE

Organisational arrangements:

The Authority must be satisfied that the DoSS demonstrates the competencies specified in Section 6 of the Code of Practice;

The Code of Practice places emphasis on the strategic leadership role of the DoSS;

The authority must recognise the central importance of social services as a key local government responsibility;

services are often delivered in partnership with others, including health, housing, education, the third sector and private providers;

services must be able to respond to shifts in public expectation, rising demand and be transformed, to make services sustainable adaptable, and meet people's changing needs.

The DoSS will have an essential role in providing the strategic leadership required to deliver care and support services, including:

The DSS must focus on people, giving them a voice in how services are designed and delivered and support them in achieving the outcomes that are important to them;

success must be measured in outcomes;

they must focus on early intervention and prevention and on the promotion of well-being;

effective partnership working and cooperation between agencies and organisations will be essential;

people must be able to access information and advice irrespective of their needs;

models of service which are new and innovative must be developed.

The Authority must ensure that adequate staff are provided to assist the DoSS in fulfilling the Council's Social Services functions.

The DoSS must:

have sufficient seniority to discharge the authority's social services functions and deliver its accountabilities;

be a member of the Corporate Management Team/Leadership Group and have direct access to the Chief Executive, and to Councillors;

be able to contribute to the vision and direction of the Council and ensure services promote the well-being of people with care and support needs.

In Ceredigion County Council, the DoSS:

~ supported by Corporate Lead Officers

has direct access to the Chief Executive, Leadership Group, Portfolio holders for the service areas, and to other Councillors; and

is a member of the Authority's Leadership Group Relationships:

The Code requires that:

“Defined working arrangements must be put in place between the director of social services and other senior officers within the local authority to ensure that the accountabilities of the director of social services are met”

“The relationship between the Chief Executive and the Director of Social Services must be properly agreed and appropriately communicated to councillors, officers and partners.

This must be underpinned in governance and delegation documents and should be subject to periodic review”.

There is a need to establish clear working arrangements between the DoSS, the Chief Executive, Director of Education, Monitoring Officer, and other Senior Officers within the Social Services, and across the Authority.

Chief Executive:

The Code emphasizes the importance of the relationship between the DoSS and the Chief Executive:

Ensuring that the DoSS has a direct reporting line to the Chief Executive;

Maintaining strong oversight of arrangements in place to enable the Director to fulfil the accountabilities as set out in the Protocol;

Meeting with the DoSS on a regular basis in order to ensure that the arrangements are working effectively;

Ensuring that social services are viewed as a corporate priority;

Enabling the DoSS to deliver the Authority's social services functions;

Ensuring that the corporate infrastructure supports the DoSS in fulfilling the statutory accountabilities;

Ensuring that the nature and level of the DoSS's authority is understood by Officers and Councillors;

Negotiating, setting out and communicating, both across the Authority and with partners, the detail of the relationship between the DoSS and the Chief

Executive. This should be enshrined in governance and delegation documents;

Ensuring these arrangements enable the Chief Executive to identify and correct any systemic and ongoing breakdowns in the service standards and quality;

Undertaking periodic review of the effectiveness of these arrangements;

Ensuring defined working arrangements are in place between the DoSS and other Chief Officers in the Authority which show how they contribute to the achievement of the DoSS's statutory accountabilities;

Regularly evaluating the effectiveness of the arrangements set out in the Protocol and initiating further strengthening where necessary.

To achieve this:

The DoSS is line-managed by a Corporate Director ;

The DoSS has ready access to the Chief Executive whenever the need arises;

The DoSS is responsible for keeping the Chief Executive informed about any potentially controversial matters that are likely to arise;

The DoSS and meet on a programmed monthly basis to discuss strategic and operational issues, to include-

steps that may need to be taken to ensure that the high profile of social services is maintained within the Authority;

ways in which Councillors can be assisted in their consideration of complex and sensitive matters relating to social services.

the Chief Executive will provide regular opportunities for the Leadership Group to consider how well the Protocol is working and their contribution to the achievement of effective social services;

The Chief Executive will, at regular intervals, initiate a formal review of the working of the Protocol and seek the agreement of the Corporate Management Team to any strengthening that may be required.

**Resolving Differences:** Differences of view will sometimes arise between the Director of Social Services and other Senior Officers. Where there are differences of view, the advice of the Director should be presented to Councillors alongside the view of the Chief Executive. The Authority is committed to ensuring that decisions arrived at upon completion of this process are corporately owned by the Authority as a whole

The Chief Executive, together with the Corporate Lead Officer-Finance & Procurement, has a responsibility for ensuring that Senior Officers and Councillors have clear advice on the financial position faced by the Authority and on the level of resources needed to meet the Council's statutory obligations and other policy aspirations. The DoSS must provide advice on the resources needed to fulfil the

Authority's social services functions and this may pose a challenge within the overall financial situation that prevails. Monitoring Officer ('MO')

There must be a clear working relationship between the DoSS and the Authority's Monitoring Officer. Disagreements which remain unresolved can have a detrimental effect on the Authority's ability to deal with difficult or sensitive issues. There must be mutual respect for both these statutory roles in- order that the DoSS can engage the MO in deliberations as necessary, and that the advice given by the MO can be used to inform decisions on appropriate courses of action.

Working together in this way should result in good decision making and avoid the need, except in the most extreme circumstances, for the Monitoring Officer to contemplate using powers under Section 5 of the Local Government and Housing Act 1989 to present a Report to the Council.

#### 4: THE STATUTORY DIRECTOR OF SOCIAL SERVICES' ROLE AND ACCOUNTABILITIES The Code of Practice sets out:

The core accountabilities which must be fulfilled by the Director of Social Services;

The part which the Chief Executive must play in ensuring that the Director is enabled to fulfil the accountabilities inherent in the role. This has been set out in preceding paragraphs;

The part which other senior officers across the Authority will play in supporting the Director to fulfil those accountabilities;

The contribution towards fulfilling those accountabilities which will be made by the Corporate Lead Officer within Through Age Wellbeing Services;

Clear reciprocal arrangements showing how the Director will support colleagues within Through Age Wellbeing Services and across the Authority to enable them to contribute effectively towards the achievement of the core accountabilities.

The Core Accountabilities: This Council recognises that the DoSS must fulfil specific core accountabilities. To do so effectively, other Senior Officers, within the Through Age Wellbeing Services and across the Authority, must play their part in supporting their achievement. There are reciprocal arrangements by means of which the DoSS will enable these officers to contribute towards the achievement of the accountabilities.

Managers within the Social Services service: Responsibilities and Accountability: The DoSS is supported by the Through Age Wellbeing Service Management Team made up of Corporate Lead Officers, with responsibility for Adult Social Services, and for Social Services for Children. Where responsibilities are delegated, they are set out in the Approved Schemes of Delegation for the Through Age Wellbeing Services and for the Authority.

However, accountability cannot be delegated and this remains with the Director of Social Services.

Lead Director for Children and Young People's Services (LDCYPS):

In accordance with the requirements of Section 27 of the Children Act 2004, the Authority has identified a Lead Director for Children and Young People's Services: (Corporate Lead Officer-Lifelong Learning (& Chief Education Officer)

The DoSS is responsible for coordinating and overseeing arrangements to improve the well-being of children in the area of the County Council and to be the champion of children's rights. This role sits well alongside the Chief Education Officer's responsibility for meeting the educational needs of the population of children and young people in the Authority.

The Code states:

“In authorities where the post of director of social services and lead director for children and young people’s services are held separately, there will be an overlap between the two roles.

The lead director for children and young people’s services will seek to address the well-being needs of all children.

The director of social services must focus on improving the well-being of children specifically with care and support needs and protecting children from harm”

The Authority must be clear about the particular focus of each role. Formal liaison will ensure effective partnership working.

The DoSS is a member of the Authority’s Leadership Group, and will work to involve partners to strengthen support and provision for all children in Ceredigion, and to ensure that a wide range of services is accessible to children generally

Fulfilling the Statutory Director of Social Services’ Core Accountabilities:

The Chief Executive, Corporate Lead Officers within the Through Age Well-being Services, and Chief Education Officer will contribute in enabling the DoSS to fulfil the core accountabilities. The Council’s Corporate Managers will have an equally significant part to play.

Chief Officers will seek to work effectively together will strengthen the performance of the Authority while not compromising individual areas of responsibility.

The DoSS will call on the support of colleagues where specific inputs are needed e.g. policy and service development, joint working initiatives and in the production of reports dealing with the fulfilment of the social services accountabilities. The Director’s Annual Report will require a significant contribution from Corporate Managers and other Chief Officers.

Other Chief Officers must be alert to the need to ensure that the Doss’s view is sought on all matters that could have a bearing on the Authority’s delivery of its social services functions and represented in any reports that are put forward for decision.

The DoSS will provide support for other Chief Officers in areas where the Director holds the lead responsibility. Providing advice and guidance on work to strengthen arrangements for safeguarding children and adults is a particularly important example of the reciprocal arrangements which must exist between the Director and other senior officers.

The Chief Executive must be satisfied that these arrangements are working effectively and that the Statutory Director of Social Services is able to fulfil the following expectations inherent in the role:

Providing the professional leadership for staff and a clear sense of strategic direction for the effective delivery of care and support services.

The Through Age Well-Being Corporate Lead Officers provide a significant resource of knowledge and experience in the planning and delivery of social services and this is drawn upon to support the Director's work.

Similarly, the DoSS is alert to opportunities to provide them with any assistance they might need in order to fulfil the Authority's expectations of them. The skills of other managers and operational staff are also utilised to ensure that Through Age WellBeing Services strives to achieve the highest professional standards in all that it does.

The DoSS will have in place a regular programme of meetings at all levels in the service, (as well as with the portfolio member) which provide opportunities to consider operational matters, identify areas for improvement, explore the potential for service initiatives and enable the Director to provide a clear sense of direction for services and for staff:

to focus on the future direction of services and to consider the implications of legislation, of guidance and of the findings of Inspections;

to evidence a commitment to engaging staff and enabling them to contribute to thinking on the future direction of services;

-

The Director plays a lead role in the development of Ceredigion's approach to meeting the Information, Advice and Assistance requirements of the Social Services and Well-Being (Wales) Act 2014. The DoSS seeks to ensure that assessment arrangements are sufficiently robust to ensure that those in need of assistance from social services are identified and referred to the appropriate source of help.

Advising the Council on the resources needed to fulfil its social services responsibilities and on the service implications of any budgetary reductions.

The DoSS provides professional advice on all social services matters.

This will include presenting arguments, as and when required, to support the case for additional resources to enable the effective delivery of services to meet the needs of the population in the Authority's area and explaining the service impact of any possible budget reductions, to inform consideration of the resources needed to fulfil the Authority's social services functions.

The Chief Executive, DoSS and Chief Finance Officer have in place arrangements to consider financial performance of social services, at various levels of need to agree the levels and patterns of spend, and to

review the use of resources and

explore ways of increasing effectiveness, the potential for cost reduction and evidence to support case for additional resources.

The objective of working closely together is to seek a service led approach to financial planning which is rooted in service best practice.

Being accountable for the quality and delivery of services in accordance with the Authority's social services functions and providing effective service and performance management.

It is a priority to have strong Performance Management arrangements in place. These are coordinated by the Corporate Lead Officers.

Quality assurance and service improvement frameworks operate within in Adult Services. These arrangements:

Seek to meet the whole Through Age Wellbeing Services' business needs;

Continue to strengthen the focus given to service quality and to outcome measures;

Provide the evidence base upon which Corporate Lead Officers can take responsibility for delivering and driving improvement in the services for which they are responsible;

Enable the Director to pursue strengthened performance across the Through Age Wellbeing Services in its entirety;

Contribute information to the Corporate Performance system;

Meet the Performance Information requirements of the Welsh Government.

The DoSS draws upon the skills available within the service, and within the authority corporately strengthening Performance Information & Management.

The educational achievement/performance of Looked After Children, is monitored .Both the DoSS and Chief Education Officer are committed to supporting this arrangement.

Ensuring effective safeguarding arrangements are in place.

The Code places great emphasis upon the importance of the safeguarding role:

“Safeguarding children and adults at risk of abuse or neglect is everyone’s responsibility. However, the DoSS must show leadership to ensure effective safeguarding arrangements are in place both within the authority and with relevant partners”

The Through Age Well-being Services Corporate Lead Officers are responsible for managing safeguarding practice in their service areas, and the DoSS requires regular assurance that practice and service arrangements meet the standards that are required.

The DoSS is also responsible for ensuring that arrangements are in place to provide good quality advice on safeguarding to each of the service areas and across the Authority as a whole.

Ceredigion County Council has adopted: “Policy and Guidelines for Safeguarding Children and Adults at Risk” in 2019This now sets out the Authority’s expectations in respect of this work.

Effective safeguarding arrangements must be built on an extensive platform of training which extends from general awareness training for all staff and Councillors across the whole Authority to more specialised training for particular groups of staff and in specified service areas.

The DoSS and Corporate Lead officers are supported in this by Human Resources. All officers, councillors, Head Teachers, school staff and Governors must support the DoSS in fulfilling the lead role on safeguarding. The DoSS will utilise information from various sources in order to arrive at an assessment of the strength of safeguarding arrangements in the Authority and to provide assurance.

The DoSS (and/or senior designated officers) will ensure that the authority supports and engages with relevant partner agencies which have a direct contribution to make to safeguarding vulnerable people. The DoSS “must support effective partnership working and ensure that safeguarding duties are effectively discharged collaboratively” The DoSS must ensure that this work is used to complement action being taken by the Council to strengthen its arrangements for safeguarding vulnerable children and adults.

## Deputyship Orders

Ceredigion County Council Constitution - Part 5 Codes and Protocols

PART 5 DOCUMENT P Role and accountabilities of the Statutory Director of Social Services

Approved by Council 18<sup>th</sup> July 2024 Updated April 2024

The DoSS is also responsible for carrying out the functions of the Council as appointed Deputy under any Deputyship Order granted to the Council by the Court of Protection under Section 16 of the Mental Capacity Act 2005 regarding any person who lacks capacity in relation to a matter or matters concerning their personal welfare or their property and affairs, and also for any such functions should the Statutory Director of Social Services be directly named on any such Deputy Order. In appropriate circumstances, it is also the responsibility of the DoSS to make applications to the Court of Protection for a Deputyship or such other order as is appropriate in the given circumstances. The Statutory Director of Social Services is also required to abide by the Mental Capacity Act 2005 Code of Practice.

Securing the essential political and corporate support for Social Services.

The DoSS holds overall accountability for ensuring that the social services functions of the Authority, as set out in statute, are fulfilled effectively.

The DoSS is the source of advice to the Authority on all social services matters and is responsible for the delivery and development of services to meet the needs of the population.

It is important that all Chief Officers and Councillors understand the range and nature of Through Age Well-being Services responsibilities and of the expectations placed upon them by the public and by Government. The DoSS must ensure that there is an understanding of this across the Authority and that there is regular reporting, at least on a quarterly basis, on the areas that are a prerequisite for the delivery of effective services.

The DoSS achieves this through:

attendance at and input to the Authority's Leadership Team meetings;

regular briefing of appropriate Portfolio holders by the DoSS and by the Corporate Lead Officers;

delivering workshops for Councillors to inform them about and to explore particular complex and challenging matters;

reports to Cabinet;

the Director's Annual Report to the Council.

In addition, the DoSS will report on sensitive issues and on matters of strategic direction as and when this may be appropriate.

The Chief Executive must support the DoSS in securing the necessary corporate and political support and ensure that social services are seen as a Corporate priority.

Fostering effective joint working relationships both within Through Age Wellbeing Social Services, across the Authority and with partners.

The DoSS must provide the strong leadership necessary to ensure that services for Children and for Adults work together in an integrated Through Age Wellbeing Services. This must be capable of looking both at the particular needs of each service area and of recognising the cross cutting issues that need to be addressed in a coordinated way.

The DoSS must lead, to strengthen the contribution which other services, both within and outside the Authority, can make to the delivery of the social services functions.

The DoSS will participate in or directly influence a number of partnerships which function on a level wider than Ceredigion and where the Authority is an active partner:

The DoSS must ensure that partners enable and promote cooperation to improve outcomes and promote the well-being of people in Ceredigion who need care and support,

the DoSS will seek to secure an appropriate share of the resources to complement the Authority's own training resources.

The DoSS must represent the interests of the Authority and make sure that the people of Ceredigion benefit from the experience, expertise, and access to resources and the potential for working in cooperation which they offer. The DoSS can influence other partnerships, although not a member, through the Chief Executive and other Ceredigion representatives who will be in a position to reflect social services views and advice.

However, it is important to recognise that the DoSS input to and the contribution made by these partnership forums does not in any way affect, weaken or cloud the DoSS accountability to Ceredigion County Council for the effective fulfilment of its social services responsibilities.

Fulfilling overall responsibility for workforce planning, training and development and for the recruitment and retention of a sufficient, suitably qualified and experienced workforce.

The DoSS is responsible for ensuring that the social services workforce is sufficient in number and has the skills and experience necessary to meet the needs of people in the Authority's area. Having such a workforce in place is a prerequisite to the effective delivery of services and to the fulfilment of the Authority's social services responsibilities. The DoSS must be seen as the authoritative professional voice on all social services workforce matters.

The DoSS works alongside Human Resources to implement an approach that is designed to meet the particular needs of Social Services, whilst recognising that this must be within the broad framework provided by the Corporate Workforce Strategy.

The DoSS will seek to ensure that the training and development programmes offered on a partnership basis are informed by and responsive to the Ceredigion's needs.

Producing an Annual Report at the end of each financial year which accounts for the exercise of the Authority's social services functions and sets objectives for the forthcoming year.

The DoSS must prepare and publish an Annual Report as soon as practicable after the end of the Financial Year. It is the Authority's Report on the performance of its social services functions and must explain how the Authority's wider functions, have contributed and will continue to contribute to the achievement of individuals' well-being outcomes. Other Chief Officers must therefore contribute to the Report from their areas of responsibility.

The specific requirements for the DoSS Annual report is prescribed by the 2023 Code.

The Report will evaluate performance in the year, including lessons learned, and set out the coming year's objectives relating to people who need care and support and carers who need support. It will also show how the needs of individuals have been assessed and how services have met the Quality Standards set out in the 2014 Act.

The Report will provide:

Assurance that structural arrangements for delivering and developing social services are strong;

Assurance that partnership working is effective;

Assurance that safeguarding arrangements are strong;

Information on the handling of representations and complaints and of the lessons learned from these;

The response to any Inspections;

The Authority's implementation of the Welsh Language Strategic Framework "Mwy Na Geiriau"/ "More Than Just Words".

The DoSS is responsible for ensuring that the Report reflects:

The views of service users and carers, including children and their parents, on how the Authority has discharged its social services functions;

The statutory social services performance information which is required must show how this has been secured;

The views of partner agencies and providers on partnership working.

The Report must show how the Authority has engaged with people in its production and should reflect the views of service users and service providers.

The DoSS will be supported by Corporate Lead Officers and other managers in producing the Report and each will lead on ensuring that service users and partners have been able to contribute to the Report's production.

The DoSS takes personal responsibility for the production of the Report and for its presentation to the Authority's Leadership Team, Portfolio Holders, Cabinet, Scrutiny Committees and to the Council.

INTRODUCTION .....	3
THE PRINCIPLES GOVERNING THE CONDUCT OF ELECTED AND CO-OPTED MEMBERS OF LOCAL AUTHORITIES IN WALES.....	4
CODE OF CONDUCT FOR MEMBERS OF CEREDIGION COUNTY COUNCIL .....	6

## INTRODUCTION

Part III of the Local Government Act 2000 (“the 2000 Act”) established a new ethical framework for local government in Wales.

Section 49(2) of the Act provides that the National Assembly for Wales may specify the principles which are to govern the conduct of elected and co-opted members of County Councils and Community Councils in Wales. The principles are contained in the Conduct of Members (Principles) (Wales) Order 2001 and are reproduced on pages 4 and 5. These principles articulate the fundamental values of public service that underpin the conduct of local government members.

Section 50 of the Act provides that the National Assembly may issue a model code as regards the conduct which is expected of elected and co-opted members of County Councils and Community Councils in Wales. Section 50 also enables the Assembly to revise any such model code which has been issued. The model code must be consistent with the principles referred to above.

The Conduct of Members (Model Code of Conduct) (Wales) Order 2001, which came into force on 28 July 2001, prescribed a model code as regards the conduct expected of elected and co-opted members of County Councils and Community Councils.

Following a review of the operation of the model code, the Local Authorities (Model Code of Conduct) (Wales) Order 2008 (“the 2008 Order”) was made on 20 March 2008 and introduced a revised model code of conduct.

The Local Government Act 2000 provides that County Councils and Community Councils must adopt a Code of Conduct, which includes each of the provisions contained in the model code of conduct, within 6 months from the date on which the Order was made. Ceredigion County Council resolved on 17 April 2008 to adopt the revised model code as its own Code of Conduct with effect from 5 May 2008.

The Local Authorities (Model Code of Conduct (Wales) (Amendment) Order 2016 (No. 2016/84) came into effect on 1st April 2016. These Regulations amend Part III Local Government Act 2000, and consequential provisions in the Local Government (Democracy) (Wales) Act 2013.

The 2016 Order amended the Model Code of Conduct for local government members, set out in the 2008 Order.

In accordance with Section 51 of the 2000 Act, all relevant authorities (including county and community councils) must within 6 months of the date of the 2016 Order was made, adopt the revised Code of Conduct.

On 21<sup>st</sup> April 2016, Ceredigion County Council resolved to adopt the revised Model Code with effect from 20<sup>th</sup> May 2016

All elected and co-opted members of County Councils and Community Councils must give an undertaking to abide by the code that their authority has adopted.

- (c) report to your authority's monitoring officer any conduct by another member which you reasonably believe breaches this code of conduct;
- (d) not make vexatious, malicious or frivolous complaints against other members or anyone who works for, or on behalf of, your authority.

- (2) You must comply with any request of your authority's monitoring officer, or the Public Services Ombudsman for Wales, in connection with an investigation conducted in accordance with their respective statutory powers.

**7. You must not —**

  - (ii) the authority's chief finance officer;
  - (iii) the authority's monitoring officer;
  - (iv) the authority's chief legal officer (who should be consulted when there is any doubt as to the authority's power to act, as to whether the action proposed lies within the policy framework agreed by the authority or where the legal consequences of action or failure to act by the authority might have important repercussions);
- (b) give reasons for all decisions in accordance with any statutory requirements and any reasonable additional requirements imposed by your authority.

### **Disclosure of Personal Interests**

**11.(1)** Where you have a personal interest in any business of your authority and you attend a meeting at which that business is considered, you must disclose orally to that meeting the existence and nature of that interest before or at the commencement of that consideration, or when the interest becomes apparent.

- (2) Where you have a personal interest in any business of your authority and you make —
  - (a) written representations (whether by letter, facsimile or some other form of electronic communication) to a member or officer of your authority regarding that business, you should include details of that interest in the written communication; or
  - (b) oral representations (whether in person or some form of electronic communication) to a member or officer of your authority you should disclose the interest at the commencement of such representations, or when it becomes apparent to you that you have such an interest, and confirm the representation and interest in writing within 14 days of the representation.
- (3) Subject to paragraph 14(1)(b) below, where you have a personal interest in any business of your authority and you have made a decision in exercising a function of an executive or board, you must in relation to that business ensure that any written statement of that decision records the existence and nature of your interest.
- (4) You must, in respect of a personal interest not previously disclosed, before or immediately after the close of a meeting where the disclosure is made pursuant to sub-paragraph 11(1), give written notification to your authority in accordance with any requirements identified by your authority's monitoring officer or in relation to a community council, your authority's proper officer from time to time but, as a minimum containing -
  - (a) details of the personal interest;
  - (b) details of the business to which the personal interest relates; and
  - (c) your signature.

- (5) Where you have agreement from your monitoring officer that the information relating to your personal interest is sensitive information, pursuant to paragraph 16(1), your obligations under this paragraph 11 to disclose such information, whether orally or in writing, are to be replaced with an obligation to disclose the existence of a personal interest and to confirm that your monitoring officer has agreed that the nature of such personal interest is sensitive information.
- (6) For the purposes of sub-paragraph (4), a personal interest will only be deemed to have been previously disclosed if written notification has been provided in accordance with this code since the last date on which you were elected, appointed or nominated as a member of your authority.
- (7) For the purposes of sub-paragraph (3), where no written notice is provided in accordance with that paragraph you will be deemed as not to have declared a personal interest in accordance with this code.

### ***Prejudicial Interests***

**12.**(1) Subject to sub-paragraph (2) below, where you have a personal interest in any business of your authority you also have a prejudicial interest in that business if the interest is one which a member of the public with knowledge of the relevant facts would reasonably regard as so significant that it is likely to prejudice your judgement of the public interest.

- (2) Subject to sub-paragraph (3), you will not be regarded as having a prejudicial interest in any business where that business—

- (c) your role as a community councillor in relation to a grant, loan or other form of financial assistance made by your community council to community or voluntary organisations up to a maximum of £500.

(3) The exemptions in subparagraph (2)(a) do not apply where the business relates to the determination of any approval, consent, licence, permission or registration.

## **Overview and Scrutiny Committees**

- 13.** You also have a prejudicial interest in any business before an overview and scrutiny committee of your authority (or of a sub-committee of such a committee) where —
- (a) that business relates to a decision made (whether implemented or not) or action taken by your authority’s executive, board or another of your authority’s committees, sub-committees, joint committees or joint sub-committees; and

- 14.** (1) Subject to sub-paragraphs (2), (2A), (3) and (4), where you have a prejudicial interest in any business of your authority you must, unless you have obtained a dispensation from your authority’s standards committee —
- (a) withdraw from the room, chamber or place where a meeting considering the business is being held —
    - (i) where sub-paragraph (2) applies, immediately after the period for making representations, answering questions or giving evidence relating to the business has ended and in any event before further consideration of the business begins, whether or not the public are allowed to remain in attendance for such consideration; or
    - (ii) in any other case, whenever it becomes apparent that that business is being considered at that meeting;
  - (b) not exercise executive or board functions in relation to that business;

  - (d) not make any written representations (whether by letter, facsimile or some other form of electronic communication) in relation to that business; and
  - (e) not make any oral representations (whether in person or some form of electronic communication) in respect of that business or immediately cease to make such oral representations when the prejudicial interest becomes apparent.

- (2) Where you have a prejudicial interest in any business of your authority you may attend a meeting but only for the purpose of making representations, answering questions or giving evidence relating to the business, provided that the public are also allowed to attend the meeting for the same purpose, whether under a statutory right or otherwise.
- (2A) Where you have a prejudicial interest in any business of your authority you may submit representations to a meeting in relation to that business, provided that the public are allowed to attend a meeting for the purpose of making representations, answering questions or giving evidence relating to the business, whether under a statutory right or otherwise.
- (2B) When submitting written representations under sub-paragraph (2A) you must comply with any procedure that your authority may adopt for the submission of such representation.
- (3) Sub-paragraph (1) does not prevent you attending and participating in a meeting if —
- (a) you are required to attend a meeting of an overview or scrutiny committee, by such committee exercising its statutory powers;  
or

- (i) state at the meeting that you are relying on the dispensation;

- (dd) your signature.
- (4) Where you have a prejudicial interest and are making written or oral representations to your authority in reliance upon a dispensation, you must provide details of the dispensation within any such written or oral representation and, in the latter case, provide written notification to your authority within 14 days of making the representation.

# CEREDIGION COUNTY COUNCIL

## PROTOCOL ON MEMBER/OFFICER RELATIONS

### **1. INTRODUCTION**

- 1.1 The purpose of this Protocol is to guide Members and Officers in their relations with one another and to assist them in maintaining high standards of integrity and propriety. Given the complexity of such relations, this Protocol does not seek to be either prescriptive or comprehensive. It is to a large extent a written statement of current practice and convention and simply offers guidance on some of the issues which most commonly arise. It is hoped however, that the approach adopted by this Protocol will serve as a guide in dealing with other circumstances.
- 1.2 The Council has adopted separate Codes of Conduct for Members and for Officers respectively which embody the mandatory provisions contained in regulations made by Senedd Cymru. This Protocol seeks to reflect the principles underlying the respective Codes of Conduct and should be read in conjunction with those Codes. The shared objective of these Codes is to enhance and maintain the integrity of local government by demanding high standards of personal conduct.
- 1.3 The following extracts from the respective Codes of Conduct are particularly relevant:-
  - 1.3.1 Members must not do anything which compromises, or which is likely to compromise the impartiality of the Council's employees
  - 1.3.2 Employees are expected to provide appropriate advice to Councillors and fellow employees with impartiality

## **2. RELATIONSHIP BETWEEN MEMBERS AND OFFICERS**

- 2.1 Councillors are responsible to the electorate, whom they serve throughout their term of office. Officers are responsible to the Council. Their job is to give advice to Councillors and the Council and to carry out the Council's works under the direction and control of the Council, the Cabinet and Committees. Councillors (Members) must not act as if they are Officers and Officers must not act as if they are Councillors.
- 2.2 It is important that Members and Officers should observe reasonable standards of mutual courtesy and respect and that neither should seek to take unfair advantage of their position in any circumstances.
- 2.3 Members should not make personal comments about an Officer or Officers or undermine respect for an Officer or Officers in Council, Cabinet and Committee meetings or public fora. If a member feels that they have not been treated with proper respect or has any concern about the conduct or capability of an Officer or Officers and is unable to resolve it through direct discussion with the Officer, they should raise the matter with the Corporate Director who heads the Service concerned. The Corporate Director will then investigate the matter and report back to the Member. If the Member continues to be concerned they should raise the issue with the Chief Executive who will look into the matter. Any action taken against an Officer in respect of a complaint will be taken in accordance with provisions of the Council's Disciplinary Procedure.
- 2.4 Where an Officer feels that a Member's conduct is inappropriate (including a breach of the Principles Governing the Conduct of Elected and Co-opted Members of Local Authorities in Wales referenced in the Code of Conduct for Members at Part 5 Document J of the Council's Constitution) or that they have not been properly treated with respect by a Member, they should raise the matter with their Corporate Director, the Chief Executive or Monitoring Officer as appropriate. The Corporate Director, Chief Executive or Monitoring Officer will then take appropriate action by approaching the individual Member and/or group leader.
- 2.5 No Member or Officer should allow any personal connection or relationship with any other Member or Officer to affect the performance of his or her official responsibilities, or the taking of any action or decision by or on behalf of the Council. Members and Officers should always consider how such a relationship or connection would be likely to be regarded by anyone outside the Council, or by any other Member or Officer, and avoid creating any impression of bias or unfairness.

- 2.6 Any Officer who is personally connected or related to any Member should notify their Chief Officer in writing.
- 2.7 Members should take into account any personal relationship or connection with any other Member or Officer, in considering the need to register or declare a personal interest whenever appropriate.
- 2.8 It must be remembered that Officers within a Service are accountable to their Corporate Director/Corporate Lead Officer and that whilst Officers should always seek to assist a Cabinet member/Chair (or indeed any Member), they must not in doing so, go beyond the bounds of whatever authority they have been given by their Corporate Director or Corporate Lead Officer. It should also be noted that the Chief Executive has statutory responsibility for ensuring the proper organisation and management of the Council's staff and has therefore an overall responsibility for the direction and management of all Officers.

### **3. RELATIONSHIP BETWEEN OFFICERS AND PARTY GROUPS**

- 3.1 There is statutory recognition for party groups and it is common practice for such groups to give preliminary consideration to matters of Council business in advance of such matters being considered by the Council, the Cabinet or the relevant Committee. Corporate Directors or their Corporate Lead Officer may properly be required to support and contribute to such deliberations by party groups, provided they maintain political neutrality. The Corporate Director or his or her Corporate Lead Officer will leave immediately after making the presentation.
- 3.2 Any request for a Corporate Director or Corporate Lead Officer to attend a meeting arranged by a party or party group, for the purpose of presenting information to the meeting must be made through the Chief Executive via the leader of the relevant party group. The Corporate Director or Corporate Lead Officer who attends will do so in their official capacity, will be politically neutral, and attendance will not signify support for any particular political view, proposal or response. Such attendance will generally be avoided during the period between the announcement and conclusion of any local or parliamentary election affecting the area involved ('pre-election' period).
- 3.3 Similarly, where a Corporate Director or their Corporate Lead Officer provide information to a party group meeting in relation to Council business, this cannot act as a substitute for providing all necessary information and advice to the Cabinet or relevant Committee when the matter in question is considered.
- 3.4 Corporate Directors will not provide information or advice to a party group meeting which includes persons who are not Members of the Council, as such persons are not bound by the Members' Code of Conduct (in particular the provisions concerning the declaration of interests and restrictions on disclosure of confidential information).
- 3.5 A Corporate Director or Corporate Lead Officer must respect the confidentiality of any party group discussion at which they are present and should not, in particular, relay the content of any such discussion to another party group.

#### **4. SUPPORT SERVICES AND FACILITIES FOR MEMBERS AND PARTY GROUPS**

The only basis on which the Council can lawfully provide support services and facilities to Members (e.g. computer equipment, stationery, typing, printing, photocopying, meeting rooms, transport etc.) is to assist them in discharging their role as Members of the Council. Except as may be provided in other agreed Council policies, such support services and facilities must only be used on Council business and in accordance with any written contract relating to the provision of such services made between Members and the Council.

## **5. MEMBERS' ACCESS TO INFORMATION AND TO COUNCIL DOCUMENTS**

- 5.1 Members are free to request any Service to provide them with such information, explanation and advice about that Service's function as they may reasonably need in order to assist them in discharging their role as Members of the Council. This may range from a request for general information about some aspect of a Service's activities to a request for specific information on behalf of a constituent.
- 5.2 Such approaches should normally be directed to the appropriate Corporate Lead Officer or Corporate Manager of the Service concerned.
- 5.3 Where there is a matter of dispute or dissatisfaction, such contact should go to the Corporate Lead Officer, Corporate Director or Chief Executive.
- 5.4 The legal rights of Members to inspect Council documents arise partly from statute and partly from the common law (judicial decisions). Reference should be made to the relevant provisions of the Constitution, to the Local Government Act 1972 (particularly Section 100F(2)) and to the Local Authorities (Executive Arrangements) (Decisions, Documentation and Meetings) (Wales) Regulations 2001 (as amended).
- 5.5 In summary, Members have a statutory right to inspect any Council document which contains material relating to any business which is to be transacted at a Council, Committee, Cabinet or Cabinet Member meeting for the purpose of making Cabinet decisions. This right applies irrespective of whether the Member is a member of the decision-making meeting concerned and extends not only to reports that are to be submitted to the meeting, but also to any relevant background papers. This right does not however apply to documents relating to exempt items on the agenda for any meeting. These contain information which is (by statute) exempt from publication because, for example, it relates or refers to employees, occupiers of Council property, applicants for grants or other services, the care of children, the proposed terms of a contract or contractual negotiations or other commercially sensitive information, industrial relations negotiations, legal advice or legal proceedings.
- 5.6 The common law right of Members is much broader and based on the principle that any Member has a prima facie right to inspect Council documents, provided this is reasonably necessary to enable the Member properly to perform their duties as a Member of the Council. This principle is commonly referred to as the 'need to know' principle. The Member must therefore demonstrate that they have the necessary 'need to know' in order to exercise this common law right. A member has no right to a 'roving commission' to examine documents of the Council and mere curiosity is not sufficient.

- 5.7 The common law test is therefore whether it is reasonably necessary for the Member to know the information in order to properly perform their duties as a Member of the Council. This question must initially be determined by the Corporate Director whose service holds the document in question (with advice from the Monitoring Officer). In the event of a dispute, the question may be referred for determination by the Cabinet Member and Corporate Director responsible for the function or purpose for which the document is held, again with legal advice from the Monitoring Officer.
- 5.8 In some circumstances, a Member's 'need to know' will normally be presumed (e.g. a Committee member wishing to inspect documents relating to the functions of that Committee). In other circumstances, a Member will normally be expected to justify the request in specific terms (e.g. a Member wishing to inspect documents which contain personal information about third parties).
- 5.9 Whilst the term 'Council document' is very broad and includes any document produced by whatever means with Council resources, it is accepted by convention that a Member of one party group will not have a 'need to know' and therefore no right to inspect a document which forms part of the internal working of another party group.
- 5.10 Members should not put undue pressure on Officers to release information and documents to which they are not entitled to have access. Advice should be sought from the relevant Corporate Lead Officer.
- 5.11 Further and more detailed advice regarding Members' rights to inspect Council documents may be obtained from the Monitoring Officer.
- 5.10 Finally, Council information provided to a Member must only be used by the Member for the purpose for which it was provided; that is, only to enable the proper performance of the Member's duties as a Councillor. This point is emphasised in the Members' Code of Conduct in the following terms:

"Members":

- (a) must not disclose confidential information or information which should reasonably be regarded as being of a confidential nature without the express consent of a person authorised to give such consent, or unless required by law to do so;
- (b) must not prevent any person from gaining access to information to which that person is entitled by law"

## **6 RELATIONSHIP BETWEEN OFFICERS, CHAIRS AND CABINET MEMBERS**

- 6.1 It is important that there should be a close working relationship between Cabinet members, Chairs of Committees and the Corporate Directors, Corporate Lead Officers and other senior officers of any Service which reports to decision-making meetings. However, such relationships should never be allowed to become so close, or appear to be so close, as to bring into question the Officer's ability to deal impartially with other Members and other party groups, or with any other individual or organisation.
- 6.2 Whilst a Cabinet Member or a Chair will be consulted as part of the process of drawing up the agenda for a forthcoming meeting, it must be recognised that in some circumstances the proper conduct of business may require a particular matter to be included on an agenda by Officers. Corporate Directors and Corporate Lead Officers will always be fully responsible for the contents of any report submitted in their name.
- 6.3 Any issue concerning the inclusion of any item on an agenda, or the submission of any particular report, that cannot be agreed between a Cabinet member/Chair and a Corporate Director should be referred to the Monitoring Officer. There may also be circumstances in which the Chief Executive or the Chief Finance Officer (as statutory Section 151 Officer) or Monitoring Officer will be under a duty to submit a report.
- 6.4 If a report is written in an Officer's name, it remains the Officer's report and, even if the Chairperson is unhappy with its contents, it should not be amended other than with the express approval of the relevant Chief Officer. Where the Chairperson wishes to suggest an alternative course of action to that proposed by the Officer, then in exceptional circumstances, they should write their own report in addition to the report submitted by the Chief Officer but should not use undue pressure to persuade the Chief Officer to withdraw or amend the original Officer report. Members should not interfere with the day to day work of the Chief Officers and their staff.

## **7. RELATIONSHIP BETWEEN MEMBERS, OFFICERS AND SCRUTINY COMMITTEES**

7.1 Any Overview and Scrutiny Committee or Sub-Committee may scrutinise and review decisions made or actions taken in connection with the discharge of any Council functions. As well as reviewing documentation, in fulfilling the scrutiny role, it may require any member of Cabinet, the Chief Executive, Corporate Director or Corporate Lead Officer to attend before it to explain in relation to matters within their remit:-

- Any particular decision or series of decisions; and/or
- The extent to which the actions taken implement Council policy; and/or
- The performance of the various sections within their span of control

and it is the duty of those persons to attend for this purpose if so required.

7.2 Where any member or Corporate Director or Corporate Lead Officer is required to attend an Overview and Scrutiny Committee under this provision, the chair of that Committee will inform the Proper Officer. The Proper Officer shall inform the member or officer in writing giving at least 10 working days' notice of the meeting at which they are required to attend. The notice will state the nature of the item on which they are required to attend to give account and whether any papers are required to be produced for the Committee. Where the account to be given to the Committee will require the production of a report, then the Corporate Director or Corporate Lead Officer concerned will be given sufficient notice to allow for preparation of that documentation.

7.3 Where, in exceptional circumstances the Member or Corporate Director or Corporate Lead Officer is unable to attend on the required date, then the Overview and Scrutiny Committee shall, in consultation with the Member or Corporate Director, arrange an alternative date for attendance.

7.4 It should be noted that it is not the role of an Overview and Scrutiny Committee to either

7.4.1 Act as a disciplinary hearing in relation to the actions of Officers – this is the Chief Executive's function alone in relation to staff or;

7.4.2 To act as a quasi 'court of appeal' against decisions, or to pursue complaints by individuals (Councillors, Officers or members of the public) as other procedures exist for this e.g. Complaints Procedure, Public Services Ombudsman, appeal to the Courts.

## **8. CORRESPONDENCE**

- 8.1 Correspondence, including e-mails between an individual Member and an Officer should not normally be copied by the Officer to any other Member, except where necessary for the proper conduct of business and either at the discretion of the Service's Corporate Director or with the agreement of the Member concerned. Where exceptionally it is necessary to copy the correspondence to another Member, the original Member should be informed.
- 8.2 Official letters on behalf of the Council should normally be sent out in the name of the appropriate Officer rather than in the name of the Member. It may be appropriate in certain circumstances (e.g. representations to a Government Minister or correspondence with the Leader of another local authority) for a letter to be issued in the name of the Leader of the Council. Letters which, for example, create obligations, confirm or deny the acceptance of any liability, or give instructions on behalf of the Council should always be sent out in the name of the Chief Executive or the appropriate Corporate Director or other senior Officer.

## **9. PUBLICITY AND THE MEDIA**

- 9.1 Contact with the media on issues related to the Council or to Council business, including the issue of press releases, will be handled through the Press Office.
- 9.2 If a Member speaks to the media without first having consulted with the Leader or relevant Cabinet Member or Committee Chair and/or the Press Office, then it will be deemed to be the Member's own personal view.
- 9.3 Members are reminded of the need to comply with the requirements of the Local Government Act 1986 and the Code of Recommended Practice on Local Authority Publicity which prohibit Councils from publishing any material which appears to be designed to affect public support for a political party. Publicity should not be used as a means to publicise individual Councillors, except where they are acting to represent the Council as a whole.

## **10. INVOLVEMENT OF WARD COUNCILLORS**

10.1 Ward Councillors should be kept informed and consulted on relevant matters affecting their ward, i.e. on planning, licensing and other relevant matters. The Ward Councillor should normally be invited to attend public meetings in their locality and could normally be expected to be consulted on any consultative exercise on local issues.

10.2 Members should not engage in negotiations with developers, business partners, business tenants, consultants or advisers without officers present.

## **11. FURTHER GUIDANCE**

Any Member who needs further guidance on any of the matters referred to in this Protocol, or on any similar or related issue, is advised to contact the Chief Executive or the Monitoring Officer.

Any Officer needing such guidance should refer initially to their manager, who will consult senior management and obtain advice as necessary. Questions of interpretation of this Protocol will be determined by the Monitoring Officer.

## **12. NON-ADHERENCE TO PROTOCOL**

Serious breaches of this Protocol by Officers should be dealt with under the Council's disciplinary procedures.

Breaches by Members may be referred to the relevant Group Leader for consideration and should be reported to the Chief Executive and the Monitoring Officer.

## The Council

Employees working for Ceredigion County Council ('the Council') serve the whole Local Authority, are accountable to, and owe a duty to the Council.

They must act in accordance with the principles set out in the Schedule to The Code of Conduct (Qualifying Local Government Employees) (Wales) Order 2001 (and S82 of the Local Government Act 2000) recognising the duty of all public sector employees to discharge public functions reasonably and according to the law.

The link to the 2001 Order is shown here:

<https://www.legislation.gov.uk/wsi/2001/2280/schedule/made>

### 1. Introduction

The public is entitled to expect the highest standards of conduct from all Employees of the Council.

### 2. Status of the Code of Conduct for Local Government Employees ('the Code of Conduct')

The Code of Conduct sets out the **minimum** standards that Employees should observe and will form part of their Contract of Employment. Its aim is to lay down guidelines for employees that will help maintain and improve standards, and also protect them from misunderstanding or from criticism.

Any breaches of this Code of Conduct may lead to disciplinary action being taken under the Council's Disciplinary Policy (available on the Council's intranet site (Cerinet)).

### 3. Principles of Public Life

3.1 The Nolan Report on Standards in Public Life defined good conduct for employees of public bodies as that of acting:

- Fairly;
- In good faith;
- In an impartial way; and
- So as to meet the specified objectives of the body to which they have been appointed.

3.2 The following principles underpin this Code of Conduct:

#### 3.2.1 **Selflessness**

Holders of public office should take decisions solely in terms of the public's interest. They should not do so in order to gain any benefits whether financial or otherwise for themselves, their family or their friends;

### 3.2.2 Integrity

Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations which might influence them in the performance of their official duties;

### 3.2.3 Objectivity

In carrying out public business including public appointments, awarding contracts or recommending individuals for rewards and benefits, holders of public office should make choices purely on merit;

### 3.2.4 Accountability

Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office;

### 3.2.5 Openness

Holders of public office should be as open as possible about all decisions and actions they take. They should give the reasons for their decisions and restrict information only when the wider public interest clearly so demands;

### 3.2.6 Honesty

Holders of public office have a duty to declare any personal interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest; and

### 3.2.7 Leadership

Holders of public office should promote and support these principles by leadership and example.

## 4. Service Standards

4.1 Employees must give the highest possible standard of service to the public and, where it is part of their duties, provide appropriate advice to Members of the Council and fellow Employees with impartiality. Employees should deal with the public, Members and other Employees sympathetically, efficiently, and without bias.

4.2 Mutual respect between Employees and Members is essential to good local government, and working relationships should be kept on a professional basis.

4.3 Employees must always remember their responsibility to the community they serve and ensure courteous, efficient and impartial delivery of services to all groups and people within that community according to Council Policies.

4.4 Employees must ensure that they use public funds entrusted to them in a responsible and lawful manner, and must not utilise property, vehicles or other facilities of the Council for personal use unless authorised to do so.

- 4.5 Employees must also be aware of and abide by the Council's Strategy on Countering Fraud, Corruption and Bribery (to include Anti-Money Laundering), which is available on the Council's website.
- 4.6 Subject to 4.9 below, in the event that an Employee becomes aware of activities, which that Employee believes to be illegal, improper, unethical, or otherwise inconsistent with this Code of Conduct, the Employee must report the matter immediately to their Line Manager or Corporate Lead Officer acting in accordance with the Employee's rights under the Public Interest Disclosure Act 1998, and the Council's Whistleblowing Policy (see 4.7 below).
- 4.7 In the event that an Employee becomes aware of activities, which that Employee believes to be a breach of the Council's Whistleblowing Policy, the Employee must raise a concern and follow the procedures set out in the Council's Whistleblowing Policy.
- 4.8 In the event that an Employee becomes aware of activities, which that Employee believes to be inconsistent with the Council's Strategy on Countering Fraud, Corruption and Bribery (to include Anti-Money Laundering), the Employee must report the matter immediately using the reporting procedure set out in the Council's Strategy on Countering Fraud, Corruption and Bribery (to include Anti-Money Laundering).
- 4.9 In the event that an Employee becomes aware of activities, which that Employee believes to be illegal, improper, unethical, or otherwise inconsistent with this Code of Conduct AND involves children and vulnerable adults, the Employee must follow the procedures and guidelines set out in the Council's Policy and Guidelines for Safeguarding Children & Adults at Risk ('the Safeguarding Policy').
- 4.10 In the event that an Employee becomes aware of activities, which that Employee believes to be inconsistent with the Council's Modern Slavery Policy, the Employee must report it in line with the Council's Modern Slavery Policy and associated procedures.
- 4.11 Employees have a duty to ensure compliance with the law and Employees should be aware that incidents of malpractice will be dealt with swiftly and could result with the Employee facing disciplinary action, other action in accordance with the Council's HR Policies and, depending on the circumstances and available evidence, the investigation may be referred to the Police or another appropriate external body.

## **5. Political Neutrality**

- 5.1 Where Employees are politically restricted (by reason of the post they hold, the nature of the work they do, or the salary they are paid), they must comply with any statutory restrictions on their political activities.
- 5.2 Employees must also be aware of and abide by the Council's Policy on Political Restrictions on Local Government Employees (the 'Political Restriction Policy'), including the restrictions upon them should they hold a Specified or Sensitive post, as defined in the Political Restriction Policy. Employees should also be aware that any breach of restrictions may be deemed to be an offence which will be dealt with in accordance with the Council's disciplinary procedure.

- 5.3 Employees should be aware that they serve the Local Authority as a whole. They are accountable to, and owe a duty to the Council. It follows that they must serve all Members and not just those of the controlling group, and must ensure that the individual rights of all Members are respected.
- 5.4 Subject to rules laid down from time to time, Employees may be required to provide information or clarification to political groups. They must do so in ways consistent with the Employee's political neutrality.
- 5.5 Whether or not Employees are politically restricted by the law, they must follow the lawfully expressed policies of the Council and must not allow their own personal or political opinions to interfere with their work.
- 5.6 An Employee who holds a politically restricted post is disqualified from becoming or remaining a member of a relevant authority (see the Council's Political Restriction Policy on the Council's intranet site (Cerinet)).

## 6. Personal Interests

- 6.1 Whilst Employees' private lives are their own concern, they must not allow their private interests to conflict with their public duty. They must not misuse their official position or information acquired in the course of their employment for personal gain to further their private interests, or the interests of others, such as their close relatives and associates, nor for causing disadvantage to any person or organisation. Employees must not pass on any information acquired in the course of their employment to others.
- 6.2 Employees must make a declaration regarding any actual personal interests or potential personal interests by filling in the Declaration of Interests form available on the Council's intranet site (Cerinet). Employees should also declare any such interests in writing to their Line Manager.
- 6.3 In completing the Declaration of Interests Form, the Employee will be required to provide any relevant information as is available to them at that time in order for a decision to be made as to whether there is a conflict (or potential conflict) of interest with their employment/role as a Council Employee.
- 6.4 The Employee must declare all interests as listed under 6.4.1 to 6.4.13 below. In addition, the Employee must declare an interest under 6.4.14 if the interest is one which a member of the public with knowledge of the relevant facts would reasonably consider could bring about a conflict with the Council's interests.
- 6.4.1 Remunerated directorship of companies (public or private);
- 6.4.2 a) Relationships with close family members/close personal associates /related-parties who are employees/officers of the Council or teachers within schools in the County. If they are a Chief Officer (CLO level or above) state:
- their name;
  - their role; and

- your relationship to them.
- b) Relationships with close family members/close personal associates/related-parties who are a Councillor of the Council.

State their:

- name
- ward

- 6.4.3 Remunerated employment, offices, trades or professions (other than Ceredigion County Council);
- 6.4.4 Details of external contractors, or potential contractors to the Council, managed or run by close personal associates/family (including members of their household) or with whom the Employee has been or is now closely connected (giving details);
- 6.4.5 Membership of any organisation not open to the general public without formal membership and commitment of allegiance and which has secrecy about rules of membership or conduct;
- 6.4.6 Membership of any society (see also 7. below), party or organisation whose aims and/or constitution conflicts with any Rule of Law or with the Equal Opportunities Policy adopted by the Council;
- 6.4.7 Details of any sponsorships provided to the Employee or any close personal associate/family (including members of their household) by an outside organisation likely to have dealings with the Council;
- 6.4.8 Details of any Town or Community Council, of which the Employee or any close personal associate/family (including members of their household) hold the position of Clerk or Member;
- 6.4.9 Details of the Employee's membership of any governing bodies (including schools) or other organisations likely to have dealings with the Council;
- 6.4.10 Positions of responsibility in any societies, clubs, trade unions or other organisations (apart from recognised Employee Trade Unions) where the interests of such bodies may be affected by the actions of the Council;
- 6.4.11 The names of any company or other body (which are likely to have significant dealings with the Council) that the Employee, or a close family member, or any person or organisation acting on the Employee's behalf is on the board of (directors or trustees), or is a member of a management committee or controlling group of the company or other body.
- 6.4.12 The names of any company or other body (which are likely to have dealings with the Council) in which the Employee, or a close family member (whether in their own right or on behalf of their infant children), or any person or organisation acting on the Employee's behalf, has a beneficial interest in the shareholdings of a nominal value greater than £25,000 or greater than 1% of all shares which have been issued;
- 6.4.13 Land ownership within the County exceeding 5 acres; and
- 6.4.14 Any other interests (whether financial or non-financial), which a member of the public with knowledge of the relevant facts would reasonably consider could bring about a conflict with the Council's interests.

- 6.5 In making a declaration, the Employee should provide any relevant details, such as the name of the relevant Company, Council, or organisation, the Employee's (or close personal associate/family member's) relationship/role (e.g. Councillor or Clerk for Town and Community Councils, as well as the date of the first election or appointment), and the relationship with the close personal associate (e.g. friend/family member/household

member). This duty is in addition to any declaration to any appropriate Town or Community Council.

- 6.6 The Employee will be asked to declare that the information provided is correct, to the best of their knowledge and belief, and provide their email address, which shall be used as their signature.
- 6.7 Once the Employee has completed the Declaration of Interests Form an endorsed receipt of the form is produced and it will be entered in the Central Register of Declarations. Further details on how to declare interests and access to the Declaration of Interests Form can be found on the Council's Intranet Site under 'Policies and Procedures' (under the heading 'Declaration and Registration of Hospitality and Interests Policy').
- 6.8 If the Employee is unsure whether a member of the public with knowledge of the relevant facts would reasonably consider the interest could bring about a conflict with the Council's interests, they must make the declaration and can contact the Monitoring Officer for advice. The presumption towards declaring an interest is required in order not only to protect the Council but also the Employee and for transparency.
- 6.9 The requirement to make a declaration does not mean that the Employee will be prevented from being involved with a particular piece of work associated with any interest declared, as it could be concluded that a conflict does not exist, but this will need to be carefully considered by the Monitoring Officer and/or Corporate Manager of the Employee (rather than the Employee), who may decide that the conflict should be avoided in some other way. Employees should refer to section 18.1 below for guidance on personal interests relating to other employment. Unless informed otherwise by their Corporate Manager, if an Employee has an interest in an item under consideration, that Employee should not take any part in any discussions on that matter.
- 6.10 In considering whether a conflict of interest with the Council's interests might reasonably be seen to occur (by a member of the public with knowledge of the relevant facts) it must be remembered that the public see the Council as one organisation, not a set of separate sections and departments. The aim of declaring a potential conflict of interest is so that the Council and the Employee can be seen to be above any possibility of suspicion of undue influence.
- 6.11 Employees have a continuing duty throughout their employment to consider and declare any such personal interests. Chief Officers must make annual declarations (even if only to confirm the interests have not changed).
- 6.12 The Monitoring Officer may raise a query regarding any declaration as necessary, in order to consider whether there is a conflict (or potential) conflict of interest and whether the Employee should cease to be involved with any particular piece of work giving rise (or which could give rise) to the conflict, or whether the conflict should be avoided in some way.
- 6.13 The Monitoring Officer shall consider whether the Employee's Corporate Lead Officer and/or Line Manager need to be made aware of any of the declarations, and shall inform

them of any such declarations, if deemed necessary. In considering whether it is necessary to inform the Employee's Corporate Lead Officer and/or Line Manager, the Monitoring Officer shall have regard to any lawful basis for disclosing the information including, but not limited to, Data Protection legislation.

## **7 Secret Societies**

- 7.1 Employees must declare any membership of secret societies (see also 6.4.6 above). This includes any lodge, chapter, society, trust or regular gathering or meeting (other than professional association), which:
- 7.1.1 Is not open to members of the public who are not members of that lodge, chapter, society, or trust; and/or
  - 7.1.2 Includes in the grant of membership an obligation on the part of the member a requirement to make a commitment (whether by oath or otherwise) of allegiance to the lodge, chapter, society, gathering or meeting; and
  - 7.1.3 Includes, whether initially or subsequently, a commitment (whether by oath or otherwise) of secrecy about the rules, membership or conduct of the lodge, chapter, society, trust, gathering or meeting.

## **8 Contractors**

- 8.1 All relationships of a business or private nature with external contractors, or potential contractors, must be declared by the Employee. Orders and contracts must be awarded in accordance with the Council's Financial Regulations and Contract Standing Orders (or Contract Procedure Rules), on merit, by fair and open competition against other tenders and no special favour should be shown to businesses run by, for example, friends, partners, close relatives or associates in the tendering process. No part of the local community should be discriminated against.
- 8.2 Employees who engage or supervise contractors or have any other official relationship with contractors and have previously had or currently have a relationship in a private or domestic capacity with contractors, must declare that relationship.

## **9 Council Services and Regulatory Functions**

- 9.1 The same principles referred to in 6. above (i.e. Employees must declare an interest, whether or not the interest is one which a member of the public with knowledge of the relevant facts would reasonably consider could bring about a conflict with the Council's interests) apply to:
- 9.1.1 Services the Council provides or where the Council has a regulatory function i.e. the Employees must, as soon as possible, declare and also make known all relationships of a business or private nature which they have with businesses, organisations or individuals for whom the Council provides services or acts in a regulatory capacity;

- 9.1.2 Employees who have interests in companies, businesses or firms with whom the Council contracts, or which provide a service to the Council including Employees who themselves, or their close personal associates/immediate family (including members of their household) are company directors, partners in a partnership, sole traders and/or have an interest in such businesses or organisations; and
- 9.1.3 Employees who themselves (or, to the best of their knowledge, their close personal associates/immediate family (including members of their household)) are involved in the overall running and/or control of a business or organisation that has applied for funding, loans or grants from the Council, including, for example, the Welsh Government Grants administered by the Council.

9.2 Employees shall not recommend any particular businesses used by individuals or other businesses, where this could be misconstrued as a recommendation of the Council or a recommendation by the Employee in their official capacity.

9.3 The businesses and organisations referred to in this section include but are not limited to private companies, public limited companies, partnerships, limited liability partnerships, sole traders, holding companies, subsidiary companies, associations and charities.

9.4 The Employee can also contact the Monitoring Officer for further advice.

## **10 Separation of Roles during Tendering**

10.1 Employees involved in the tendering process and dealing with contractors should be clear on the separation of client and contractor roles within the Council. Senior Employees who have both a client and contractor responsibility must be aware of the need for accountability and openness.

10.2 Employees in contractor or client units must exercise fairness, transparency, impartiality as well as acting ethically when dealing with all customers, suppliers, other contractors and sub-contractors.

10.3 Employees who are privy to confidential information on tenders or costs for either internal or external contractors should not disclose that information to any unauthorised party or organisation.

10.4 Any Employee contemplating a management buyout of a contractor should, as soon as they have formed a definite intent, inform the appropriate Corporate Lead Officer and withdraw from the contract awarding processes.

10.5 Employees should ensure that no special favour is shown to current or recent former employees or their partners, close relatives or associates in awarding contracts to businesses run by them or employing them in a senior or relevant managerial capacity.

## **11. Appointment and Other Employment Matters**

11.1 Employees involved in the recruitment and appointment of Staff must ensure that

appointments are made on the basis of merit. In order to avoid any possible accusation of bias, employees must not be involved in any appointment or any other decisions relating to discipline, promotion or pay and conditions for any other Employee, or prospective Employee, to whom they are related, or with whom they have close personal relationship outside work.

11.2 Employees shall not canvass any Member or Officer of the Council in respect of candidates seeking employment with the Council.

11.3 This section should be read in conjunction with the Council's Recruitment and Selection Policy.

## **12 Equality Issues**

12.1 All local government Employees must comply with policies relating to equality issues, as agreed by the Council, in addition to the requirements of the law. All members of the local community, customers and other Employees have a right to be treated with fairness and equity. The Council has adopted the principle, in the transaction of public business and the administration of justice in Wales, that it will treat the Welsh and English languages on the basis of equality. Information on the Council's Welsh Language Scheme is available on Ceredigion's intranet site (Cerinet) under 'Policies and Procedures'.

## **13 Corruption**

13.1 Employees in their official capacity must be aware that it is a serious criminal offence under the Prevention of Corruption Acts for them to receive or give any gifts, loans, fees, rewards or any other advantage for doing or not doing anything or showing favour or disfavour to any person or organisation.

13.2 Corruption involves a wide range of unethical behaviour and includes but is not limited to the abuse of entrusted power for private gain and the offering, giving, receiving or soliciting, directly or indirectly, anything of value to influence improperly the actions of another party. Employees must promptly report the matter in line with the Council's Strategy on Countering Fraud, Corruption and Bribery (to include Anti-Money Laundering) if:

13.2.1 The Employee is in doubt as to whether an act of corruption has, will or may occur (potential act of corruption);

13.2.2 Anyone makes an approach to an Employee which seems (or might seem to a third party) to be aimed at obtaining some form of preferential treatment or in any suspicious circumstances in connection with a service provided by the Council, a regulatory function of the Council or a contract, for the Employee's own protection; or

13.2.3 The Employees suspects money laundering activity, fraud, bribery or corruption.

13.3 In raising concerns regarding fraud, bribery and corruption, Employees should note that their concerns will be treated confidentially, as far as possible. A suspicion of wrongdoing must be reasonably held and the Council will ensure that any allegation of any kind,

including anonymous letters or telephone calls, will be looked at and thoroughly investigated in an appropriate manner.

- 13.4 The Council will deal swiftly and thoroughly with any incidents of malpractice and Employees may face disciplinary or other action in accordance with the Council's HR Policies. Disciplinary or other action may be taken in addition to, or instead of criminal proceedings (this depends on the circumstances of each individual case), in keeping with the Council's Disciplinary Policy, which is available on the Council's Intranet Site (Cerinet).

## **14 Use of Financial Resources**

- 14.1 Employees must ensure that they use public funds entrusted to them in a responsible and lawful manner so that the Council obtains value for money and avoids legal challenge to the Council, and must not utilise property, vehicles or other facilities of the Council for personal use unless authorised to do so.
- 14.2 Employees must declare an interest and not be involved in any financial transactions dealing with public funds with which they, or any partner, spouse, close relative or associate have a personal or financial interest.
- 14.3 A personal or financial interest includes any business or organisation for which the Employee, their partner, spouse, close relative or associate (including members of their household) is a company director, partner (for a partnership), or sole trader, or is involved in the overall running and/or control of a business or organisation that has applied for funding, loans or grants from the Council, including, for example, the Welsh Government Grants administered by the Council.
- 14.4 Managers should ensure that there is a separation of duties within any financial transaction arranged using public funds, by ensuring that there are at least two employees involved in the process. Furthermore these transactions should also be verified by an independent Officer.

## **15 Hospitality/Gifts**

### Gifts

- 15.1 Employees must be aware that anyone with whom they have dealings may provide gifts and/or hospitality and by doing so may be seeking to influence Council Employees. To maintain transparency, integrity and the trust of the public, colleagues and all suppliers, Employees should not generally accept any gifts or hospitality.
- 15.2 Employees:
- 15.2.1 should not accept personal gifts of a value of greater than £10 ('significant gifts') from contractors, outside suppliers, other organisations or individuals.
- 15.2.2 can keep gifts of token value such as pens, diaries, chocolates, wine etc. up to the value of £10 ('insignificant gifts') from contractors, outside suppliers, other organisations,

individuals or sources ('donors').

- 15.3 It is the responsibility of the Employee to consider whether a gift has a significant value (of greater than £10). Reasonable enquiries must be taken by the Employee to ascertain the value of the gift. Such steps could include, but are not limited to, carrying out an internet search/researching the value of the gift.
- 15.4 Employees should not accept multiple insignificant gifts from the same donor(s), as these would constitute significant personal gifts when considered together e.g. more than 3 gifts during a 1 year period.
- 15.5 Employees should not to accept any gifts from contractors or suppliers of the Council during the time of (or leading up to) contract renewals/tender processes.
- 15.6 The Employee must make a Declaration in all circumstances, whatever the value of the gift.

### Hospitality

15.7 Employees:

15.7.1 should generally refuse all offers of hospitality wherever possible.

15.7.2 can accept hospitality of a value of £10 or less ('insignificant hospitality').

15.7.2 should not accept hospitality of a value of greater than £10 ('significant hospitality') unless there is a genuine and integral need to represent the Council at an event or in the community and they have obtained the consent of their Corporate Lead Officer or Corporate Manager.

- 15.8 Employees should not accept multiple offers of hospitality from the same donor(s), as these would constitute significant hospitality when considered together e.g. more than 3 offers of hospitality during a 1 year period.
- 15.9 Employees should not accept any hospitality from contractors or suppliers of the Council during the time of (or leading up to) contract renewals/tender processes.
- 15.10 All hospitality accepted must be declared.
- 15.11 It is the responsibility of the Employee to consider whether an offer of hospitality has a significant value (of greater than £10). Reasonable enquiries must be taken by the Employee to ascertain the value of the hospitality. Such steps could include, but are not limited to, carrying out an internet search/researching the value of the hospitality.
- 15.12 If in doubt as to whether there is a genuine and integral need to accept the hospitality, the Employee should check with the Monitoring Officer (see also acceptable examples at 15.16 below).
- 15.13 When hospitality has to be declined, the person offering hospitality should be courteously

but firmly informed of the procedures and standards operating within the Council.

15.14 When receiving authorised hospitality, Employees should be particularly sensitive as to its timing and public perception in relation to decisions which the Council may be taking affecting those providing the hospitality.

15.15 Acceptance by Employees of hospitality through attendance at relevant conferences and courses is acceptable where it is clear the hospitality is corporate rather than personal, where the line manager gives consent in advance and where the Council is satisfied that any purchasing decisions are not compromised. Where visits to inspect equipment, etc. are required, Employees should ensure the Council meets the cost of such visits to avoid jeopardising the integrity of subsequent purchasing decisions.

15.16 Acceptable examples of hospitality/gifts include:

15.16.1 An offer of refreshment following a site inspection;

15.16.2 Invitations to attend functions where the Officer represents the Council, or to functions attended by virtue of a professional position e.g. awards ceremony;

15.16.3 A working lunch of a modest standard provided to enable the parties to continue to discuss business; or

15.16.4 Insignificant gifts of token value such as pens, diaries, chocolates, wine, tickets for an event etc. up to the value of £10.

15.17 Unacceptable examples of hospitality/gifts include:

15.17.1 Holidays;

15.17.2 Personal invitations to have evenings out with representatives of a company or a firm which have dealings with the Council;

15.17.3 Offers of hotel or tickets for theatres/sporting events; or

15.17.4 The use of a company property.

15.18 Any Employee wishing to accept gifts/hospitality must ensure that the Council's Employee Hospitality and Gifts Declaration Form is fully completed, which is available on the Council's internet site (Cerinet). Employees must complete the Hospitality and Gifts Declaration Form, in order to comply with the Code of Conduct.

15.19 All declarations must be made as soon as reasonably practicable following receipt of the gift/hospitality and at least within 7 working days.

15.20 In completing the Hospitality and Gifts Declaration Form, the Employee will be required to provide any relevant information, including:

15.20.1 The name of the organisation providing the hospitality;

15.20.2 The organisation sponsoring the hospitality (if different from above);

15.20.3 The date the hospitality is to be/was received;

15.20.4 The nature of the event and the context in which the hospitality is to be/was provided;

15.20.5 The name of any other Employee/Employees of Ceredigion County Council who

will be attending/attended the event;

15.20.6 The name of any other organisation which will be attending/attended the event, if associated with the hospitality to be/that was received;

15.20.8 Whether acceptance of the hospitality was authorised in advance (and if so, provide details and records).

15.21 The Employee will also be asked in the Hospitality and Gifts Declaration Form to declare that the information provided is correct to the best of their knowledge and belief (email provided as signature).

15.22 Once the Employee has completed the Hospitality and Gifts Declaration Form an endorsed receipt of the form is produced. It will be entered in the Central Register of Declarations. Further details on how to register hospitality declarations and access to the Hospitality Declaration Form can be found on the Council's Intranet Site (Cerinet) under 'Policies and Procedures' (under the heading 'Declaration and Registration of Hospitality and Gifts Interests Policy').

## **16 Sponsorship – Giving and Receiving**

16.1 Where an outside organisation wishes to sponsor, or is seeking to sponsor, a local government activity, the basic conventions concerning acceptance of gifts or hospitality apply. Particular care must be taken when dealing with contractors or sub-contractors.

16.2 Where the Council wishes to sponsor an event or service, neither an Employee nor any partner, spouse, close relative or associate must benefit from such sponsorship in a direct way, without there being full disclosure, and through completion of the Declaration of Interests Form (available on the Council's Intranet Site (Cerinet)). Similarly, where the Council, through sponsorship, grant aid, financial or other means, gives support in the community, Employees should ensure that impartial advice is given and that there is no conflict of interest involved.

16.3 This section does not place any limitation on an Employee's ability to carry out their own charitable activity outside their employment duties and to seek sponsorship from their colleagues for such activity.

## **17 Confidentiality**

17.1 Openness in the dissemination of information and decision-making should be the norm in the Council. However, certain information may be confidential or sensitive and therefore not appropriate for a wide audience, including information contained in exempt reports reported in public meetings.

17.2 Where confidentiality is necessary to protect the privacy or other rights of individuals or bodies, information should not be released to anyone other than a Member, Employee or other person who is entitled to receive it, or needs to have access to it for the proper discharge of their functions.

- 17.3 Nothing in this Code of Conduct can be taken as overriding existing statutory or common law obligations to keep certain information confidential, or to divulge certain information.
- 17.4 Employees who are not aware of which information is open and which is not, must seek clarification from their Line Manager who will seek advice from the Monitoring Officer and/or Data Protection Officer where appropriate.
- 17.5 All press releases must be placed through the Council's Communications Team or in their absence through the relevant Corporate Lead Officer.

## **18 Other employment/Private Work/Other Activities**

- 18.1 An Employee wishing to carry out other employment may only do so if permitted by their Contract of Employment and by the Employee Handbook. If so, the Employee must inform their Line Manager. Where there is deemed to be a conflict, a discussion will take place between the Employee, the Service and Human Resources to consider how the conflict may be avoided. Any other employment must not affect the work that the Employee does for the Council or affect the Employee's ability to do their job. It must not damage the Council's reputation or have a negative effect on its duties or interests.
- 18.2 Employees cannot carry out other employment in the Council's offices and must not use any of the Council's facilities, for example, phones, computers, printers, faxes, photocopiers etc.
- 18.3 Employees must not carry out other employment during their paid working time. If they do wish to do so, they should discuss this with their Corporate Manager and Human Resources.
- 18.4 Employees can provide a service to voluntary or other organisations during their own time. However, it is important that the service that the Employee provides does not affect their job or the Council's reputation. Employees must tell their Line Manager if they provide a service to an organisation where there may be a conflict of interest relating to their employment.
- 18.5 Employees must not use their position as a Council Employee to favour any voluntary or other organisations.
- 18.6 Employees must give the Council any money they receive for work they do such as lectures, broadcasts or magazine articles that are part of the Employee's duties and must not retain any payment in such circumstances, if the external organisation provides a payment for the Employee's time. If the Employee is taking part in such an event as part of their Employment, any charges/payments must be arranged through the Council. Employees are not required to give the Council any money they receive for work they do outside of their duties as an Employee in their own time.

## **19 Patent Rights**

- 19.1 In respect of any invention that belongs to Ceredigion County Council by virtue of the

Patents Acts, it shall be for the Council in the first instance to decide whether to apply for patent or other protection in law.

- 19.2 Any matter or thing capable of being patented under the Patents Acts which is made, developed or discovered by the Employee, either alone or in concert, while in the performance of their normal duties or duties specifically assigned to the Employee, will forthwith be disclosed to their Corporate Lead Officer or Chief Executive and, subject to the provisions of the Patents Acts/Patents Rules, shall belong to and be the absolute property of Ceredigion County Council.
- 19.3 An Employee must, notwithstanding the termination of their contract of employment, sign and execute all such documents and do all such acts as the Council may reasonably require:
- 19.3.1 To apply for and obtain in the sole name of Ceredigion County Council, unless it otherwise directs, any patent, registered design or other protection of any nature whatsoever in respect of the invention in any country throughout the world and, when so obtained or vested, to renew and maintain the same.
  - 19.3.2 To resist any objection or opposition to obtaining, and any petitions or applications for revocation of, any such patent, registered design or other protection.
  - 19.3.3 To bring any proceedings for infringements against a third party of any such patent, registered design or other protection.
- 19.4 Ceredigion County Council hereby undertakes to indemnify the Employee in respect of all costs, claims and damages, howsoever and wheresoever incurred in connection with the discharge by the Employee of any and all such requirements as explained in 19.3.1 to 19.3.3 above.

## **20 Copyright**

- 20.1 All records, documents and other papers, including copies and summaries thereof, which pertain to the finance and administration of the Council and which are made or acquired by the Employee in the course of their employment shall be the property of the Council. The copyright in all such original records, documents and papers shall at all times belong to the Council.
- 20.2 The copyright in any work or design compiled, edited or otherwise brought into existence by the Employee as a scholarly work produced in furtherance of their professional career shall belong to the Employee. For this purpose, 'scholarly work' includes items such as books, contributions to books, articles and conference papers.
- 20.3 The copyright in any material produced by the Employee for their personal use and reference shall belong to the Employee. However, the copyright in documents produced by the Employee in the course of their employment for the purposes of the Council and produced, used or disseminated by the Council shall belong to the Council.

## **21 Investigations by Monitoring Officer & Internal Audit**

- 21.1 Where the Council's Monitoring Officer is undertaking an investigation in accordance with regulations made under section 73(1) of the Local Government Act 2000, Employees must comply with any requirement made by the Monitoring Officer in connection with such an investigation.
- 21.2 Employees must also comply with any requirements made by Internal Audit, as authorised by their rights of access set out in the Council's Constitution and the Internal Audit Charter of the Council. As part of the Council's Financial Regulations and Accompanying Financial Procedures contained in the Council's Constitution, Internal Auditors have the right to:
- 21.2.1 Enter any Council premises or land at any reasonable time;
  - 21.2.2 Access all assets, records, documents, correspondence and control systems relating to any financial and other transactions of the Council;
  - 21.2.3 Require and receive any such information and explanations considered necessary concerning any matter under consideration/examination;
  - 21.2.4 Require any Employee of the Council to account for cash, stores or any other Council property under their control; and
  - 21.2.5 Have access to records belonging to third parties, such as contractors or partnership agencies, according to the relevant contractual terms.
- 21.3 The Council may, from time to time, also be subject to audit, inspection or investigation by external bodies that have statutory rights of access. Employees are expected to co-operate fully with requirements in these instances.

## **22 Behaviour Outside Work**

- 22.1 As a general rule, an Employee's private life is their own concern. However, some forms of behaviour occurring away from work, such as violence or dishonesty can have a significant impact on the Council and the service it provides. Employees must therefore ensure that their behaviour in and away from work will not bring the name of the Council into disrepute or attract damaging publicity for the Council. Employees must, as referenced in their Contract of Employment, inform their Line Manager and Human Resources at the earliest opportunity and in writing if they are under investigation for a criminal offence or are cautioned, reprimanded, given a final warning or are convicted of a criminal offence, and must report similarly any activity falling within the Safeguarding procedure to their Line Manager and Human Resources at the earliest opportunity.

## **23 Social Media**

- 23.1 Employees must comply with the Council's Social Media Policy, including associated guidance at Appendix 1 to the Council's Social Media Policy (available on the Council's Intranet Site (Cerinet)), and including relating to safeguarding vulnerable adults and children and regarding politically restricted posts.
- 23.2 Employees should be aware that failure to abide by the guidelines in the Council's Social Media Policy could lead to disciplinary action under the Council's disciplinary procedure.

## **24 Data Protection and UK GDPR**

- 24.1 Employees must comply with the Council's Data Protection and GDPR Policy, which is available on the Council's Intranet Site (Cerinet) including the requirement to consult with the Data Protection Officer regarding any Data breach or potential breach, and adhere to the rules of the Policy regarding Data Protection Impact Assessments.
- 24.2 Employees must be aware that they, as Council Staff, are responsible and accountable for following established corporate and departmental procedures with regard to data protection and for keeping their training and understanding up-to-date and in particular for undertaking all mandatory training, as confirmed in the Policy.
- 24.3 As stated in the Data Protection and GDPR Policy, failure to comply with the Policy and Data Protection Act 2018 may be regarded as serious misconduct and, if so, will be dealt with in accordance with the Council's Disciplinary Policy. Employees must also be aware that, as stated in the Data Protection and GDPR Policy, misuse and unauthorised disclosure of personal data can lead to personal prosecution.
- 24.4 Employees are also responsible for ensuring that volunteers, apprentices, trainees and work experience interns working alongside them temporarily are given, where necessary, an appropriate basic training as part of their induction about data protection, and respect for individual privacy rights.

## **25 Central Register**

- 25.1 Employee declarations referred to in this Policy shall be maintained on a central register, with copies provided to the Monitoring Officer. The Monitoring Officer shall consider whether the Employee's Corporate Lead Officer and/or Line Manager need to be made aware of any of the declarations, as referred to at 6.13 above.

## **What is Overview and Scrutiny?**

The Local Government Act 2000 requires Local Authorities to have executive arrangements. Decisions are made by the Cabinet on most major issues. Overview and Scrutiny Committees are there to ensure that the decisions taken by the Cabinet and Officers are in the best interests of the people of Ceredigion.

The Cabinet currently consists of the Leader of the Council and seven other Councillors from the three groups who form the Coalition which controls the Council.

Overview and Scrutiny is undertaken by Councillors who do not hold cabinet posts within the Council. It is used to ensure that the work of Ceredigion County Council is accountable, open and transparent. There is one Co-ordinating and four Overview and Scrutiny Committees.

## **The roles of Scrutiny**

Whilst Scrutiny is about reviewing decisions already made, it can also influence the development of new policies or bring old policies up to date by reviewing them.

The role includes:

- Assessing the impact of the Council's policies and recommending improvement;
- Ensuring that Ceredigion is performing to the best of its ability and delivering high quality services to its citizens;
- Being a 'critical friend', through questioning how decisions have been made to provide a 'check and balance' to decision-makers adding legitimacy to the decision-making process.

## **Why me?**

Contributors are invited to the Overview and Scrutiny Committee meetings because of their knowledge on a particular topic. The Committee are also interested in hearing opinions, views and experiences on the topic that they are looking at.

The information that contributors provide is vital to improving Service Delivery and Performance in Ceredigion. It provides valuable insight to the members of the Overview and Scrutiny Committees.

## **The Scrutiny Investigation**

Councillors will decide how the investigation will be undertaken, who will be invited to appear before the Committee and which questions are most relevant.

Following all the information being heard the Committee will consider its conclusions and make recommendations within a report to be considered by the Cabinet, the Council or an outside organisation.

## **Providing Information**

The Scrutiny Support Officer will contact the contributor before the Committee meeting to explain the type of information that is required and what is expected from them. Contributors are encouraged to present their information in a concise, clear, jargon free manner.

Information can be provided in the form of a report, written statement or as oral evidence which can be in the form of a presentation, interview or discussion.

The role of the Scrutiny Committees is to utilise people's expertise and experiences so that they can gain a better understanding of issues affecting the Council and the people of Ceredigion.

## **What to expect**

Meetings normally take place at Penmorfa, Aberaeron, although wherever possible and appropriate, meetings are held in local communities.

There is always a formal agenda. If you are taking part in the proceedings then you will receive a draft copy of the relevant agenda in advance.

Members will sit around a table with contributors giving evidence from a separate table set up with any equipment that they may be using. Members will usually have questions to ask of the contributors following the presentation, usually to seek clarification of any matters raised. Microphones are provided so that everyone can hear one another. The meetings are carried out interchangeably between Welsh and English with a translation service provided.

There is seating provided for the public, press or other personnel attending.

On arrival introduce yourself to one of the Scrutiny staff who will answer any questions you may have and show you where to sit.

# PROTOCOL FOR ACCESS BY CABINET MEMBERS TO OVERVIEW AND SCRUTINY COMMITTEES

---

Democratic Services Committee: 15<sup>th</sup> February 2019  
Council: 20 June 2019

The effectiveness of Overview and Scrutiny is not a matter for Overview and Scrutiny Members and Officers alone. It is as much the responsibility of the Executive i.e. Cabinet. The Executive has a duty to ensure that the way that it and its Members act does not undermine scrutiny.

Responsibility for a failing or ineffective scrutiny function very often rests as much with the Cabinet as it does with Overview and Scrutiny Members and their Support Officers.

This shared responsibility for ensuring that Scrutiny works as well as it can means that a good Scrutiny/Cabinet relationship is one of the most critical criteria for its success.

### **What does the law say about what Officers and the Cabinet must do?**

The Local Government Act 2000 says that Cabinet Members and Officers of the Council must:

- Attend meetings, where required to do so. The word “require” is not defined in the Act but it can be assumed that it does confer a choice as to whether or not to attend;
- Provide information, where required to do so;
- Respond to recommendations.

### **Attendance at Overview and Scrutiny meetings**

Meetings should be set so that the Cabinet meetings do not clash with scheduled Overview and Scrutiny meetings and vice versa. Special meetings arranged should also avoid clashes.

It is common and a good practice for Ceredigion County Council Cabinet Members to attend an Overview and Scrutiny Committee meeting for the purpose of being held to account in relation to decisions and proposals.

Cabinet Members are encouraged to attend the meeting relevant to their Portfolio to gauge the views of Overview and Scrutiny Members.

An open discussion and exchange of views will be of importance to the Cabinet Member(s) and Overview and Scrutiny Members, particularly where consideration is being given to the development of the Council’s budget or policy framework.

Depending on the nature of the agenda item, either the Cabinet Member or Corporate Lead Officer will be asked to present the item whichever is deemed appropriate. Members of the Committee should however be aware that although Officers can reply to specific questions regarding the operational performance of a service, the reasoning behind why a decision was made should be directed to the Cabinet Member(s).

It is possible for any Cabinet Member to attend any Overview and Scrutiny Committee meeting and hear the discussion. It will be at the Chairman's discretion as to whether a Cabinet Member can contribute i.e. provide information relevant to the topic, not to provide opinion, at the Overview and Scrutiny Committee meeting. However, it is established practice that all Councillors are permitted to speak at all meetings.

The Chairman shall be responsible for the effective conduct of the business at the meeting and may, if deemed necessary provide a time limit for questions or responses given or the number of such questions that may be put by a Member in respect of any particular decision or proposal.

It is accepted that although the Cabinet Member may have been invited to report on a particular agenda item, given the fact that he/she is at the meeting, questions may stray into other areas (subject to them remaining relevant to agenda items). It should be understood that the Cabinet Member will respond to the best of his/her knowledge on particular questions. On occasions, the Cabinet Member may need to undertake further research in order to provide the answers.

All Members should promote an atmosphere of openness at Overview and Scrutiny Committee meetings and should strive to ensure that questioning and debate takes place within a climate of mutual respect and trust between Overview and Scrutiny Committee members, the Cabinet Portfolio Member and other participants.

Cabinet Portfolio Members can also attend and participate in informal or workshop sessions and/or task and finish groups to Overview and Scrutiny Committees if invited to do so.

Overview and Scrutiny Committees oversee the work of the Council to make sure that it delivers services in the best way and for the benefit of the local community.

The role of Overview and Scrutiny is to look at the services and issues that affect people in Ceredigion. Scrutiny plays an essential role in promoting accountability, efficiency and effectiveness in the Council's decision making process and the way in which it delivers services.

The main roles of the Overview and Scrutiny Committees:

- Ensuring that Ceredigion is performing to the best of its ability and delivering high quality services to its citizens
- Assessing the impact of the Council's policies on local communities and recommending improvement
- Engaging with the public to develop citizen centred policies and services

Effective Overview and Scrutiny can lead to:

- Better decision making
- Improved Service Delivery and Performance
- Robust Policy Development arising from public consultation and input of independent expertise
- Enhanced Democracy, Inclusiveness, Community Leadership and Engagement

Members of the public can also make a written contribution if they are unable to attend in person. At the Chair's discretion, such contributions can be circulated to members of the committee at the start of the meeting. ## **6. Presenting Information**

The information must be relevant to the business of the Overview Scrutiny Committee to which it is put.

To allow each member of the public wishing to participate at the meeting to speak, an allocated time limit of 5 minutes per speaker will be given. The total allocated time for members of the public at each overview and scrutiny committee will be 30 minutes per meeting. If there are more speakers than the allocated time allows for, members of the public will be required to nominate a speaker for the cause or split the time between them.

The Chairman of the Committee will have the absolute discretion to rule in such matters.

The role of the Scrutiny Committees is to utilise people's expertise and experiences so that they can gain a better understanding of issues affecting the Council and the people of Ceredigion.

When invited by the Chairman of the Committee, you may speak once, for up to five minutes, and the importance of adhering to the time limit is emphasised. You will not be allowed to circulate any written material or photographs unless these have been included with the written request to the Scrutiny Officer 2 working days prior to the commencement of the meeting. After speaking, you must allow the Committee to discuss the matter, and you should not join in this discussion. The Chairman may ask a question/questions if further explanation of the points raised will be required.

## **Introduction**

Planning is not an exact science. Rather, it relies on informed judgement within a firm policy context. It is also highly contentious because its decisions affect the daily lives of everyone and the private interests of individuals, landowners and developers. This is heightened by the openness of the system (it actively invites public opinion before taking decision) and the legal nature of development plans and decision notices. It is important, therefore, that the process is characterised by open and transparent decision making.

One of the key purposes of the planning system is to manage development in the public interest. In performing this role, planning necessarily affects land and property interests, particularly the financial value of landholdings and the quality of their settings. It is important, therefore, that planning authorities should make planning decisions affecting these interests, openly, impartially, with sound judgement and for justifiable reasons. The process should leave no grounds for suggesting with any justification that a decision has been partial, biased or not well-founded in any way.

The purpose of this protocol is to set out clearly the way in which the Council will expect Members to behave and act in their dealings with planning applications. The protocol sets standards of probity and conduct which the residents of Ceredigion can expect of Members.

**Members are expected to take account of and adhere to this protocol**

## 1. Relationship to Code of Conduct

It is fundamental to the adoption of a Member Protocol of Good Practice in Planning, that Members recognise the relationship between the Members Code of Conduct (the Code) and Member Protocol of Good Practice in planning.

The Code of Conduct sets out general provisions and obligations for Members; addresses the issue of personal and prejudicial interests and registration and declaration of Members' interests and of gifts and hospitality.

Within the planning process, the following principles of the Code are particularly relevant:

### a) **Selflessness**

Members must act solely in the public interest. They must never use their position as members to improperly confer an advantage on themselves or to improperly confer an advantage or disadvantage on others.

### b) **Honesty**

Members must declare any private interests relevant to their public duties and take steps to resolve any conflict in a way that protects the public interest.

### c) **Integrity and Propriety**

Members must not put themselves in a position where their integrity is called into question by any financial or other obligation to individuals or organisations that might seek to influence them in the performance of their duties. Members must on all occasions avoid the appearance of such behaviour.

### d) **Objectivity in Decision-making**

In carrying out their responsibilities including making appointments, awarding contracts, or recommending individuals for rewards and benefits, members must make decisions on merit. Whilst members must have regard to the professional advice of officers and may properly take account of the views of others, including their political groups, it is their responsibility to decide what view to take and, if appropriate, how to vote on any issue

### **e) Accountability**

Members are accountable to the electorate and the public generally for their actions and for the way they carry out their responsibilities as a member. They must be prepared to submit themselves to such scrutiny as is appropriate to their responsibilities.

In addition, the following paragraphs of the Code are particularly relevant:

#### **You must**

carry out your duties with due regard to the principle that there should be equality of opportunity for all people regardless of their gender, race, disability, sexual orientation, age or religion

not do anything which compromises, or which is likely to compromise, the impartiality of those who work for, or on behalf of, your authority.

when participating in meetings or reaching decisions regarding the business of your authority, do so on the basis of the merits of the circumstances involved and in the public interest having regard to any relevant advice provided by your authority's officers,

give reasons for all decisions in accordance with any statutory requirements and any reasonable additional requirements imposed by your authority.

#### **You must not**

disclose confidential information or information which should reasonably be regarded as being of a confidential nature, without the express consent of a person authorised to give such consent, or unless required by law to do so;

in your official capacity or otherwise, use or attempt to use your position improperly to confer on or secure for yourself, or any other person, an advantage or create or avoid for yourself, or any other person, a disadvantage;

This Member Protocol of Good practice in planning is not intended to replace the Members Code of Conduct but to supplement it and assist in giving guidance on the roles and expected behaviour of Members, including dealing with applications from relatives and associates where they have a personal interest, lobbying and negotiations with applicants and their agents, site visit procedure, and decisions contrary to Officers' recommendations, amongst other things.

The protocol is intended to show how the Council deals with planning matters, and sets standards of probity and conduct which residents expects of members.

**Do** apply the rules in the Members' Code of Conduct first, which must always be complied with.

**Do** then apply the rules in this member protocol of good practice in planning, which seeks to explain and supplement the Members' Code of Conduct for the purposes of planning control. If you do not abide by this Protocol of Good Practice, you may put:

- The Authority at risk of proceedings on the legality or maladministration of the related decision, and
- Yourself at risk of either being named in a report made to the Standards Committee or Authority, or if the failure is also likely to be a breach of the Code of Conduct, a complaint being made to the Public Services Ombudsman for Wales and ultimately to the Adjudication Panel for Wales.

## **2. The Planning Protocol**

One of the key purposes of the planning system is to regulate the development and use of land in the public interest. Planning necessarily affects land and property interests and as such is often highly contentious. It is important therefore that planning decisions are made openly, impartially, with sound judgment and for justifiable reasons. This includes not just the making of the final planning decisions themselves but also applies to the developmental phases and development of the Authority's longer-term planning e.g., the Local Development Plan and its successors.

The aim of this Protocol of Good Practice is to ensure that there is a framework in place so that Members can work with the overall objective of ensuring that in the entire planning process there are no grounds for suggesting that a decision has been biased, partial or not well founded in any way and that such decisions have been taken openly, transparently and fairly in accordance with established procedures that have been and are scrutinized periodically.

This Protocol of Good Practice applies to Members at all times when they are involved in the entire planning process. This includes both Development Management Committee meetings, meetings of the Authority when exercising the functions of the Planning Authority, and less formal occasions, such as meetings with Officers or the public and consultative meetings. It applies to planning enforcement matters or site-specific policy issues as well as to planning applications. It also applies to the development of the Local Development Plans which are periodically reviewed and then adopted.

### **3. Development Proposals and Interests under the Members' Code**

#### **Members must always declare personal and prejudicial interests in accordance with the Members' Code of Conduct**

**Do** disclose the existence and nature of your interest at any relevant meeting, including informal meetings or discussions with Officers and other Members. Disclose your interest at the commencement of the meeting, and at start of the discussion on that particular matter.

#### **Where your interest is personal and prejudicial, unless you have a dispensation:**

**X Don't** participate, or give the appearance of trying to participate, in the making of any decision on the matter by the Local Planning Authority and/or the Development Management Committee

**X Don't** get involved in the processing of the application or any proposal for the possible amendment of the Local Development Plan

**X Don't** use your position to discuss the proposal with Officers or Members when other members of the public would not have the same opportunity to do so. (You should never seek or accept any preferential treatment, or place yourself in a position that could lead the public to think you are receiving preferential treatment, because of your position as a Member).

Whilst you are not prevented from seeking to explain and justify a proposal in which you have a personal and prejudicial interest to an appropriate Officer, in person or in writing, the Code and protocol places greater limitations on you in representing that proposal than would apply to a normal member of the public. You may address the Committee but only to make a presentation in the same manner that would apply to a member of the public. You must then withdraw from further conduct on the matter.

#### **4. When to make your decision**

##### **4 a) Committee members decision making**

To protect the rights of planning applicants or objectors, and to preserve the integrity of Committee decisions, it is vital that Members do not make up their minds before they have all relevant material and arguments before them at the Development Management Committee meeting. This also applies to Local Development Plan proposals and their consideration at Cabinet and Council meetings. Members will be aware that they are entitled to feel pre-disposed towards a particular decision, but must still be able to consider and weigh relevant factors before reaching the final decision.

This should not be confused with the issue of "Pre-determination" which arises when Members' minds are closed (or reasonably perceived to be closed) to the consideration and weighing of the relevant factors. That risks making the whole decision vulnerable to legal challenge.

**X Don't** make up your mind, or appear to have made up your mind, on how you will vote on any planning matter until you have heard the Officer's presentation and evidence at the Development Management Committee or the Cabinet or Council meeting if the development proposal is considered there. This is particularly important if you are

contacted by an external interest or lobby group. If you have made up your mind prior to the meeting, then you will not be able to participate in the determination of the matter by the Authority because if you did take part in the discussion or vote it would put the Authority at risk in a number of ways.

Firstly, it may, in the view of the Public Services Ombudsman for Wales, constitute maladministration.

Secondly, the Authority could be at risk of legal proceedings on a number of possible grounds:

- that there was a danger of bias on your part; and/or
- pre-determination; and/or
- failing to take into account all of the factors enabling the proposal to be considered on its merits.

The consequence of any of the above could be that a planning permission that you wished to support or a decision you were party to could end up being quashed by the courts.

You may take part in the debate on a proposal when acting as part of a consultee body such as a Community Council or Town Council provided:

- the proposal does not significantly affect the financial standing of the consultee body; and
- you make it clear during the discussion at the consultee body that;
  - i. your views are expressed on the limited information before you only; and
  - ii. you will reserve judgment and the independence to make up your own mind on each separate proposal when it comes before the Authority and you hear all of the relevant information; and
  - iii. you will not in any way commit yourself as to how you or others may vote when the proposal comes before the Authority; and
- you disclose the personal interest regarding your membership of the consultee body when the Authority comes to consider the proposal.

Where you have given the clear impression that you have already made up your mind (in legal terminology “fettered your discretion”), and therefore decline to speak or vote on a proposal on the issue before the Development Management Committee or Cabinet or Council, you do not also have to withdraw (unless you also have a prejudicial interest), but you may prefer to do so for the sake of appearances and public perception.

If you decide to stay in the meeting, explain that you do not intend to speak and vote because you have previously given (or you could reasonably be perceived as having given) the impression that you have already made up your mind or judged the matter elsewhere, so that this may be recorded in the minutes and use the disclosure form for disclosing interests.

Where you are a Chair or a person who is perceived as being in control of another body, which is itself submitting an application for consideration, you should refer to the Members Code of Conduct and respond accordingly.

#### **4 b) Role of Local Ward Member (LWM) in planning matters and in determining applications**

*Please also see DMC Operational procedures document within the Constitution*

The role of the Local Ward Member (LWM) in Development Management Committee is dependent on whether they are a member of the committee or not. If they are not, they are able to speak on the application in accordance with the operational procedures representing the wider views of their constituents affected by the application. However, they cannot vote on the application and must observe the specified time limits.

When an application is presented that involves the LWM of one of the members of the Development Management Committee the said member should ‘step down’ from the committee ‘table’ and join the public gallery as they are not permitted to vote on applications impacting upon their ward.

**X Don’t** act or be perceived to act as agent for the applicant. The LWM must consider the application in context of the whole Community.

If you are a member of both a Community Council and a County Council, you are not prevented from discussing the same matters at both. You may, for example, take

part in a discussion about a planning application about which your Town/Community Council has been consulted and still go on to participate in a decision about the application if you sit on the Development Management Committee of your County Council.

**Do** at the Development Management Committee, make it clear that you are not bound by the views of the Community Council.

**Do** If the planning application was one submitted by a Town/Community Council, declare both a personal and a prejudicial interest, and withdraw.

## **5. Contact with Applicants, Developers and Objectors**

It is the role of a local member to listen to their constituents' issues and you will have not breached any part of this code by being available to listen to people. However special considerations apply when a planning application is being considered that mean it is imperative members are not seen to have fettered their discretion.

**Do** be careful about social contact with agents. They should be regarded and treated with the same approach as that adopted in relation to social contact with developers.

**Do** seek to minimise social contacts with known developers particularly when the developer is known to be contemplating development within Ceredigion or has submitted a planning application which has yet to be determined. Within the small communities of Ceredigion, local Members who have long standing social contacts with known developers may have difficulty avoiding such contacts. Nevertheless, Members should avoid social contact with those who are known to have submitted a "live" planning application or a development proposal for consideration in any form, either directly or indirectly, or objected to another's proposal in case this gives the impression that their contact with the developer would affect their judgment of the public interest. If this impression could have been given, Members should declare a personal and prejudicial interest and not participate in determination of the proposals.

**☑ Do** refer an applicant, developer or objector who approaches you about a planning application or development proposal to Officers, if they need planning, procedural or technical advice.

**X Don't** agree to any meeting with applicants, developers or groups of objectors where it could give rise to the perception that you are taking sides. Be careful you do not give the impression that you are acting as agent. Where you feel that a formal meeting would be useful in clarifying the issues, you should never seek to arrange that meeting yourself as this may be perceived that you are promoting one point of view or the other. Request the Authority to organise it. The Officers will then ensure that those present at the meeting are advised from the start that the discussions will not bind the Authority to any particular course of action; that the meeting is properly recorded on the application file and Authority records; and the record of the meeting is disclosed when the application or development proposal is considered by the Development Management Committee or Cabinet or Council, or any other relevant Committee.

**☑ Do** remember to:

- follow the rules on lobbying (referred to below);
- consider whether or not it would be prudent in the circumstances to make notes when contacted; and
- report to the Authority any significant contact with the applicant and other parties, explaining the nature and purpose of the contacts and your involvement in them, and ensure that this is recorded on the planning file.

In addition, in respect of presentations by applicants/developers:

**X Don't** attend a planning presentation unless an Officer is present and/or it has been organised by Officers.

**☑ Do** ask relevant questions for the purposes of clarifying your understanding of the proposals.

**☑ Do** remember that the presentation is not part of the formal process of debate and determination of any subsequent application. This will be carried out by the appropriate Committee of the planning authority.

**Do** be aware that a presentation is a form of lobbying and you must not express any strong view or state how you or other Members might vote.

## 6. Lobbying

For the purposes of this protocol, lobbying is defined as the following:

*“Approaches or representations to a Member with the intention, or which may appear to have the intention, of influencing the way the Member deals with the planning matter.”*

### 6 a) Lobbying from agents / applicants

Applicants, supporters or those who may be affected by a proposal will often seek to influence the decision by an approach to a Member of the Development Management Committee or Local Planning Authority. It is a fundamental principle that members of the public are free to make their views known to Members and lobbying is a legitimate form of public representation. In order for the planning system to work effectively public concerns must be adequately aired.

However, if such lobbying of Members of the Development Management Committee or Local Planning Authority oversteps the mark it can lead, unless care is taken, to the impartiality and integrity of Members being called into question. The information provided by lobbyists is unlikely to represent a complete picture of the relevant considerations in respect of a planning matter. The views of consultees, neighbours and the assessment of the case by the Planning Officer all need to be considered before a Member is in a position to form a balanced judgment on the case. The time for individual Members to make a decision on a proposal is when all available information is to hand and has been duly considered and a request for delegated authority has been made or at the relevant Ceredigion County Council meeting or Development Management Committee meeting. Members may of course form preliminary views, but if they commit themselves to supporting or opposing a particular proposal outside of the meeting at which it is being considered they should take no part in determining the matter.

Discretion is always advisable, and the furthest a Member should ever go would be to say *“From what I know at the moment I support (or have reservations about) this*

PART 5 DOCUMENT Q Members Planning Protocol of Good practice in Planning 3.3.22– February 2022

*application, but I won't make a final decision until I have all the facts before me at Development Management Committee".*

**☑ Do** note that, unless you have a personal and prejudicial interest, you will not have fettered your discretion or breached this Planning protocol of Good Practice through:

- listening or receiving viewpoints from residents or other interested parties;
- making comments to residents, interested parties, other Members or appropriate Officers, provided they do not consist of or amount to pre-judging the issue and you make clear you are keeping an open mind;
- seeking information through appropriate channels.

If you are lobbied:

**☑ Do** explain to those attempting to lobby you that, whilst you can listen to what is said you are not in a position to express an intention to vote one way or another or to express such a firm point of view that it amounts to the same thing because this will mean you cannot participate in the Authority's decision-making process.

**☑ Do** pass on any representations you receive and copy or pass on any lobbying correspondence you receive to the Authority at the earliest opportunity. It will be placed on the relevant file and taken into account in determining the application.

**☑ Do** report lobbying at the start of the Development Management Committee meeting or any other relevant Committee meeting of the Local Planning Authority so that it may be minuted.

**☑ Do** refer any offers made to you of planning gain or to restrict the development through a proposed Section 106 Planning Obligation or otherwise to the Authority.

**X Don't** accept gifts or hospitality from any person involved in or affected by a planning proposal. If a degree of hospitality is entirely unavoidable, ensure it is of a minimum amount and, if over £21 in value, its acceptance is registered in the Register of Gifts and Hospitality in accordance with the Authority's Code of Conduct as soon as possible.

**Do** indicate that you will pass on that person's views to the Local Planning Authority and if necessary, the Development Management Committee when it considers the matter but that you cannot commit yourself to vote in any particular way. If you intend to speak at the Committee meeting in this way, make it clear at the start of your speech on the item that this is what you are doing.

**X Don't** take part in negotiations with applicants or potential applicants regarding their proposals for development except where such negotiations are part of a structured arrangement with Officers. To do so risks public perception of pre determination. Factual information on adopted policies can be provided, but if applicants want more detailed discussions on a scheme, then they should be referred to the relevant Planning Officer.

**Do** inform the Monitoring Officer if you feel you have been exposed to undue or excessive lobbying or approaches (including inappropriate offers of gifts or hospitality).

Unless you have a personal and prejudicial interest in the matter, if you follow this and the other advice in this protocol, you will be able to speak and vote at the Committee meeting.

## **6 b) Lobbying by Members**

**X Don't** lead or act as spokesperson of an organisation whose primary purpose is to lobby or promote or oppose a planning application. If you do, you will have fettered your discretion and are likely to have a personal and prejudicial interest.

This does not preclude you from joining general interest groups which reflect your areas of interest and which concentrate on issues beyond particular planning applications. You should disclose a personal interest where that organisation has made representations on a particular proposal and you should make it clear to the Authority that you have reserved judgment and retained your independence to make up your own mind on each separate proposal.

You should, however, make sure that if the group to which you belong has adopted a view on the matter, then you declare a personal (but not necessarily prejudicial) interest when the matter is discussed.

**X Don't** excessively lobby fellow Members regarding your concerns or views nor attempt to persuade them on how they should decide how to vote in advance of the meeting at which any planning decision is to be taken.

**X Don't** decide or discuss how to vote on any application at any sort of political group meeting, or lobby any other Member to do so. Political Group Meetings should never dictate how Members should vote on a planning issue.

## 7. Site Visits

These rules apply to formal site visits.

*See also operational procedures of the Development Management Committee.*

Site visits can play an important role in ensuring that Members make decisions on a sound understanding of the relevant issues. However, care must be taken to ensure that site visits are not misused as a lobbying device to help ensure a particular outcome in respect of controversial applications or as a delaying tactic to defer consideration of an application to a subsequent meeting. It is also important that there is a clear understanding by members of the public as to why certain applications require a site visit and others do not. For these reasons:

**Do** comply with the operational procedures in deciding whether a site visit is required and if so, the procedure to be followed.

**Do** attend, if part of the SIP panel. A SIP panel is a panel of members of the Authority who will be invited to attend site visits.

Please note members of the public including applicants and agents and objectors will not normally be invited to attend and if required to do so should not be allowed to make representations at the SIP.

**Do** ensure that you treat the site visit only as an opportunity to seek information and to observe the site.

**Do** ask the Officers at the site visit questions or seek clarification from them on factual matters which are relevant to the site inspection.

**X Don't** express opinions or views on the proposal to anyone.

**X Don't** enter a site which is subject to a planning application other than as part of an official site visit, even in response to an invitation, as this may give the impression of bias unless:

- you feel it is essential for you to visit the site other than through attending the official site visit, and
- you have first spoken to the Authority about your intention to do so and why (which will be recorded on the file), and
- you can ensure you will comply with these good practice rules on site visits, and
- you have the permission of the owner of the land.

As a principle you should remember the above where there is unlikely to be formal Member visits but where Members feel they need to access a site to become familiar with it, in respect of sites currently being considered or already within the Development Plan process.

You may of course view a site from a public highway at any time, but guard against becoming drawn into discussions of the merits of any proposal.

## **8. Speaking to the Public during Meetings**

**X Don't** encourage members of the public to communicate with you during the Committee proceedings (orally, electronically or in writing) other than through the scheme for public speaking, as this may give the appearance of predetermination or bias. If you receive such a communication, you should not reply.

**Do** ensure that you comply with the Authority's procedures in respect of public speaking.

## 9. Discussions with Officers

**X Don't** put pressure on any Officer to put forward a particular recommendation as this may be seen as prejudicing his/her professional integrity and impartiality and may be a breach of the Code of Conduct. This does not prevent you from asking questions or submitting views to the Corporate Lead Officer for Economy and Regeneration which may be incorporated into any Committee report.

**Do** recognise that Officers are part of a management structure and only discuss a proposal, outside of any arranged meeting, with a Head of Service/Team Leader or those Officers who are authorised by the Corporate Lead Officer for Economy and Regeneration to deal with the proposal at a Member level.

**Do** recognise and respect that Officers involved in the processing and determination of planning matters must act in accordance with any appropriate Officer and professional codes of conduct, primarily the Royal Town Planning Institute's Code of Professional Conduct. As a result, Planning Officers' opinions and recommendations will be presented on the basis of their overriding obligation of professional independence, which may on occasion, be at odds with the views, opinions or decisions of Members. Officers in their role of advising and assisting Members in their determination of planning applications and Development Plan matters will provide:

- impartial and professional advice;
- consistency of interpretation of the planning policies;
- complete written reports which will include:
  - a clear and accurate analysis of the issues in the context of the relevant Development Plan policies and all other material considerations;
  - the substance of the representations, objections, and views of all those who have been consulted;
  - a clear written recommendation of action and where that recommendation is contrary to the Development Plan, the material considerations which justify the departure;
  - all necessary information for the decision to be made.

## 10. Decision Making

### 10 a) Importance of approved policies in decision making on planning applications

In making decisions on planning applications and Development Plans, the law requires the application to be determined in accordance with the current Development Plan where relevant unless material considerations indicate otherwise. The development plan comprises the Development Plan for the time being in force and any successor Plan adopted in its place and such policies should not be set aside in a particular case without sound planning reasons for doing so.

**Do** come to meetings with an open mind and demonstrate that you are open-minded.

**Do** comply with Section 38(6) of the Planning and Compulsory Purchase Act 2004 and make decisions in accordance with the current Development Plan unless material considerations indicate otherwise.

**Do** come to your decision only after due consideration of all of the information reasonably required upon which to base a decision. If you feel there is insufficient time to digest new material or information or that there is simply insufficient information before you, request that further information. If necessary, propose deferral of the application.

**X Don't** vote or take part in the decision on a proposal unless you have been present to hear everything that has been said at that meeting, including the Officers' introduction to the matter.

**Do** make sure that if you are proposing, seconding or supporting a decision (especially one contrary to Officer recommendations or the current Development Plan) that you clearly identify and understand the planning reasons leading to the conclusion/decision and can identify the supporting evidence. These reasons must be given prior to the vote and be recorded. Be aware that you may have to justify the

resulting decision by giving evidence in the event of any challenge (for example at a Public inquiry or Judicial Review proceedings).

**Do** make your decision based on cogent sound and material planning considerations

**Don't** make your decision based on personal circumstances unless there are exceptional planning reasons to do so

**Don't** refer to personal details of any person (e.g., health, age, home address, employment status or business) they are not relevant in coming to a planning decision and raise concerns regarding GDPR even with the applicant's consent.

### **10 b) Reports to Committee on planning applications**

Officers' written reports to Committee aim to be accurate and concise and provide all relevant information. They describe the proposal, and have a reasoned planning assessment of the proposal including an analysis of all relevant planning policies and other material planning considerations. They contain a written recommendation justified on the basis of relevant development policies and other material planning considerations. They cover consultations and other representations but may not include copies of all letters of objection or support received. They will, however, summarise any material planning considerations contained in such representations. Complete copies of all such correspondence are placed on the planning file and are available to Members.

**Do** advise the Case Officer as soon as is practicable if you become aware of information relevant to the determination of a case which is on the Development Management Committee agenda. Failure to do so may result in deferment of the case causing unnecessary delay.

**Do** contact the Authority as soon as possible if you wish to discuss the interpretation of information in a Development Management Committee report, or a Local Planning Authority report on a development proposal.

## **10 c) Decision's contrary to policy and/or recommendation**

Section 38(6) of the Planning and Compulsory Purchase Act 2004 requires that decisions must be taken in accordance with the current Development Plan unless material considerations indicate otherwise.

Officers will advise in their report what arguments put forward by an applicant/objector or supporter to an application are considered capable of constituting material considerations. Often arguments of a personal kind relating to the circumstances of the applicant are put forward to support a proposal.

Personal circumstances cannot outweigh other planning considerations except in the most exceptional circumstances; an example could be in the cases of temporary Gypsy Traveller Accommodation whilst permanent sites are being developed.

Where for example a personal permission for a temporary structure may be acceptable it would be subject to specific conditions limiting the occupation to a particular individual for a specified period i.e., 3 years - however the authority will need to be assured it is not running the risk of contravening its duties under the Equality Act 2010.

### **The grant of a permanent structure due to the needs of the intended occupiers does not constitute a material planning consideration as planning consent runs with the land.**

It is important to for members to be mindful that National Planning Policy and Guidance has been developed in accordance with the Well Being and Future Generations (Wales) Act 2015 (WBFG Act) and therefore the inherent principle of sustainable development as enacted in the WBFG Act has been incorporated in planning policy at a national and local level. It is not the case that developments which support an individual's wellbeing outweigh the tenets of national policy – as indeed the WBFG Act has been enacted through national planning policy. The central premise of the WBFG Act is to require public bodies to think about the long-term impact of their decisions. To consider an individual's circumstances and support a development on that behalf if not sustainable development is in direct conflict with the Act which requires public bodies to consider sustainable development for the wellbeing of future generations and ensure resources

are not wasted, in effect to make decisions for the greater good, even if that does not support an individual's personal needs at a given time.

Applications which are determined contrary to officer recommendation must be supported by clear robust and convincing reasons based on material planning considerations.

Making decision against offers advice may expose the Council to legal or other challenge, including complaint to PSOW, or call-in by Welsh Ministers.

**Do** ensure that members remember and keep in mind that the Authority has adopted a protocol in relation to making decisions contrary to officer recommendation, and / or local and national policies which is set out in the Development Management Committee's operational procedures.

**Do** ensure that if Members are minded to approve or refuse an application contrary to policy or to the recommendation of the Officer, then such consideration shall follow and be deferred until the Development Management Committee meeting where, on reconsideration of the matter, members must identify clear and substantiated reasons capable of constituting material planning considerations.

## 11. Member Training

The planning system is a quasi-judicial process involving complex legal and technical issues which require the application of sound judgment in the assessment of planning proposals. A failure to follow proper practice and procedures can lead to serious consequences for the planning authority and to the Council in general. Therefore, Members will be unable to participate in decision making involving planning matters if they have not attended the mandatory planning training prescribed by the Authority.

**Do** endeavor to attend any specialised training sessions provided, since these will be designed to extend your knowledge of planning law, regulations, procedures, Guidance and Codes of Practice and the Development Plans and thus assist you in carrying out your role properly and effectively.

## **12. Planning applications by Members and Officers of the Authority**

When a planning application is submitted by:

A serving Elected Member or close personal associate,

Chief officers (Chief Executive, Corporate Directors and Corporate Lead Officers),

All staff employed by the planning service(s) including Development management and Planning Policy

Any other staff closely linked to the planning service or a particular planning application,

Or a close personal associate;

The Member or Officer concerned will:

- i. take no part in the processing and determination of the application/Development Plan matter;
- ii. not communicate with any development management or planning officers or with any member of the Development Management Committee on the matter
- iii. advise the Chief Executive, Monitoring Officer and the Corporate Lead Officer for Economy and Regeneration and relevant Head of Service/Team Leader.
- iv. make appropriate declarations of interest

All planning applications submitted by a Member, or an officer or their close personal associates will be reported to and determined by the Development Management Committee.

This is to ensure that such planning applications are dealt with independently, to safeguard against any perceived conflicts of interest, and to promote fairness and transparency.

The report of the Corporate Lead Officer for Economy and Regeneration will include confirmation from the Monitoring Officer that these requirements have been met.

### **13. Planning applications by the Council as landowner**

Any application submitted by, or on behalf of, or on land in the ownership of Ceredigion County Council for which the Council has a direct interest will be reported to and determined by the Development Management Committee.

Cabinet Members who are also Members of the Development Management Committee will be expected to declare a prejudicial interest, and to stand down from the application. This is in order to ensure that council-led projects can be determined by the Development Management Committee, and that Cabinet members have not fettered their discretion or predetermined (or appeared to have made up their mind) and predetermined their position by being part of decision making on the suitability of projects at earlier stages.

### **14. Major Developments**

## **Introduction - Purpose of document**

The Local Government and Elections (Wales) Act 2021 (LG&EW2021), Section 47 requires principal councils to make and publish arrangements for the purpose of ensuring that from 5 May 2022, that local authority meetings are able to be held by means of any equipment or other facility which enables persons who are not in the same place to attend the meetings, to speak to and be heard by each other, and in the case of meetings to be broadcast (under Section 46 of the regulations), to speak and be heard by each other and to see and be seen by each other.

In addition, the LG&EW2021, Section 46 requires principal councils to make and publish arrangements for the purpose of ensuring that from 5 May 2022-

- (a) a broadcast of proceedings at a meeting to which subsection (2) applies is available electronically so that members of the public not in attendance at the meeting can see and hear the proceedings;*
- (b) the proceedings are broadcast as they take place, subject to any specified exceptions;*
- (c) the broadcast is available electronically for a specified period after the meeting.*

*This subsection applies to proceedings at a meeting, or any part of a meeting, which is open to the public of—*

- (a) a principal council;*
- (b) any of the following specified bodies—*
  - (i) the executive of a principal council;*
  - (ii) a committee or sub-committee of an executive of a principal council;*
  - (iii) a committee or sub-committee of a principal council;*
  - (iv) a joint committee, or a sub-committee of a joint committee, of two or more principal councils.*

The Local Authorities (Coronavirus) (Meetings) (Wales) Regulations 2020 which came into force on 22 April 2020 made provision in relation to local authority meetings, as a result of the covid-19 outbreak. The regulations related to participation at meetings held between 22 April 2020 and 1 May 2021. As a result of these regulations, all Ceredigion County Council meetings open to the public were held remotely, and the Council and Cabinet meetings were broadcasted as they took place, and made

available electronically for a specified period after the meeting. These arrangements have continued and will form the basis for the arrangements post 5 May 2022.

In addition to the current arrangements, Ceredigion County Council will also implement hybrid style meetings from 5 May 2022, whereby Members, Officers and the public are able to attend meetings remotely or in person.

This protocol has been created, in line with the LG&EW2021 Act to provide a guide as to the implementation of the Regulations and to outline the process to apply to the public meetings of Ceredigion County Council, and sets out the practical issues that will need to be addressed in relation to protocols for hybrid meetings. It is based on the principle of full or partial remote attendance so long as persons who are not in the same place are able to speak to, and be heard by, other participants, and in the case of meetings that are broadcasted to also see and be seen by each other.

Underpinning this Protocol are the fundamental principles that conduct shall be compliant with the Code of Conduct for Members and that the integrity and security of any confidential information is maintained.

The objective will be to make hybrid meetings as close as possible to the Council's usual meetings practice which will follow normal procedural rules in the Constitution where possible.

### **1.0 Attending in person or remotely**

Members, Officers and members of the public will be able to attend meetings of the Council that are open to the public in person at the Council's Penmorfa Offices, Aberaeron or remotely (wherever possible).

Please note that attendance in person may be subject to limitations on numbers due to space and any regulations that may be in place at that time, such as the 2 metre social distances regulations or guidance. In person meetings may also be suspended at any time should regulations or guidance deem it necessary due to COVID-19.

Priority will be given to Committee Members, Officers presenting or advising on reports, facilitating officers, translators and members of the public addressing the committee.

## **1.1 Invitation to join the meeting remotely**

### Councillors

Councillors will be sent an electronic link for each individual meeting. This link must not be shared with any other person.

### Members of the public

Members of the public who wish to attend a meeting remotely, should contact Democratic Services at least 1 hour prior to the commencement of the meeting to request a link to the meeting. We cannot guarantee that later requests will be processed, as Officers will be involved in setting up the meetings, or minute taking once the meeting has commenced. Please e-mail your request to: [democracy@ceredigion.gov.uk](mailto:democracy@ceredigion.gov.uk) or telephone CLIC on 01545 570881.

The electronic meeting will be open to Members and those that will be addressing the meeting 30 minutes before the start of the meeting. Members are requested to join the meeting at least 15 minutes prior to the time of commencement in order to check that everyone is able to participate. Access to simultaneous translation will be checked prior to the commencement of the meeting.

## **1.2 Electronic broadcasts of meetings**

Meetings of the full Council and Cabinet will be broadcasted as they take place in order that members of the public not in attendance in person or remotely can see and hear the proceedings, subject to the following exceptions:

- consideration of exempt / confidential information (para 1.12)
- the discretion of the Chair to terminate the meeting (para 1.13)

The broadcasting will be available electronically for a period of up to 6 years following the meeting.

## **1.3 Preparations in advance of the meeting**

Committee Members are asked to confirm the following information with the Meeting Facilitator prior to the date of the meeting:

- Attendance / apologies
- Whether they wish to attend in person or remotely
- Declarations of interest
- Any personal matters that they wish to submit
- Non-Committee Members must notify the Chair and facilitator in advance if they are aware in advance that they wish to speak on a specific agenda item

Members of the public address the following committees, (subject to the terms of reference for addressing said committee as published in the Council's Constitution):

- a) Overview and Scrutiny Committees
- b) The Development Control Committee

must contact Democratic Services by mid-day, two days prior to the meeting, confirming the following:

- a) the committee that they will be addressing, and the agenda item
- b) whether they wish to attend in person or remotely
  - (i) if attending remotely, an e-mail address in order for the link to be sent.

#### **1.4 Filming the Meeting**

The Chair will remind everyone at the commencement that the proceedings of the meeting that the Council and Cabinet meetings will be filmed for live or subsequent broadcast via the Council's internet site and in the archive record of the meeting. The images and sound recording may also be used for training purposes within the Council.

All Council Members participating in the Council and Cabinet meetings will be seen and heard during said meeting.

For all other meetings that are open to the public, the legislation requires that Members are able to speak to and be heard by each other. However, the hybrid system does allow for those present at the meeting to see and be seen by each other in addition to the requirement to speak to and be heard by each other. Members of the public addressing an Overview and Scrutiny Committee, or Development Control Committee

will be visible and audible to all those attending the meeting during their presentation only, whether in person or remotely, however as these meetings are not broadcast this will not be available to the general public in the broader sense as per the Council and Cabinet meetings.

### **1.5 Confirmation of the speaker**

Normally, the Chair will invite those present to speak by their full name. However, if the speaker has not been introduced, it is recommended that each individual introduce themselves with their full name before speaking, in order that participants and minute takers are in no doubt who is speaking.

### **1.6 Quorum**

The normal quorum requirements for meetings as set out in the Authority's Constitution will also apply to a hybrid meeting.

In the event of any apparent failure of a Member's video, or conferencing connection, the Chair should immediately determine if the meeting is still quorate:

- if it is, then the business of the meeting will continue; or
- if there is no quorum, then the meeting shall adjourn for a period specified by the Chair, expected to be no more than ten or fifteen minutes, to allow the connection to be re-established.
- Should any aspect of a Member's remote participation fail, the Chair may call a short adjournment of up to five minutes or so to determine whether the connection can quickly be re-established. If the connection is not restored within that time, the meeting should continue to deal with the business whilst this happens, providing the meeting remains quorate.
- In the event of connection failure, the remote Member(s) will be deemed to have left the meeting at the point of failure and if the connection cannot be re-established to those Member(s) before the end of the meeting, then the presumption will be that the meeting should continue to deal with the item/s.

- If the connection is successfully re-established, then the remote Member(s) will be deemed to have returned at the point of re-establishment.

If the connection cannot be restored within a reasonable time, the meeting will proceed, but the Member who was disconnected will not be able to vote on the matter under discussion as they would not have heard all the facts.

### **1.7 Member participation**

Members of the relevant committee will be asked in turn for their contribution to an item by the Chairman.

Members should be able to speak to and be heard by each other. Where meetings are broadcasted, Members will also need to be seen and to see each other.

The facilitator will have provided a list to the Chair of non-Committee Members who wish to speak on specific agenda – in the order they were received. If any matters arise during the discussion, non-Committee Members will need to alert the Chairman that they wish to speak, by pressing the ‘Speak’ button on the delegate microphone system if attending in person, and similarly the ‘Speak’ button on screen if attending remotely.

### **1.8 Voting**

Details of how Members voted will not be kept or minuted unless a Recorded Vote is called. Where a Recorded Vote is requested, the Chair will call the names of all Committee Members present, alphabetically, and Members will be required to confirm verbally their vote.

Members need to ensure that they are able to remain on-line throughout debates and during voting in order to maintain the integrity of the decision-making process and to reduce the opportunity for legal challenge of any decision.

## **1.9 Declaration of interest**

Wherever possible, declarations in any item of business must be made in advance of the meeting, and in any case under the “Personal and/or prejudicial Interests” agenda item. Members must declare their interest verbally during the meeting. Members must state the agenda item which their declaration relates to, and stipulate whether their declaration is ‘personal’ or ‘personal and prejudicial’. Members who declare a ‘personal and prejudicial’ interest will leave the Council Chamber (if attending in person), or leave the meeting if attending remotely for the duration of the discussion on said agenda item. Members should also confirm if they have been given dispensation to speak or to speak and vote, as this would allow Members to remain in the meeting.

Where it becomes apparent during the meeting that a Member will need to declare a disclosable interest after the Personal and /or Prejudicial Interest agenda item has passed, he/she must immediately notify the Chair by selecting the ‘Speak’ button and when invited to speak, to verbally declare as above.

## **1.10 Translation**

A translation facility will be provided which can be accessed by selecting the appropriate language via the ‘Interpretation’ button on the screen, or by using the headphones provided if attending in person. The simultaneous translator will turn the translation option on and off as required during the meeting as the committee changes from speaking Welsh to English, therefore individuals attending in person or remotely will not need to change the choice of language once set prior to the commencement of the meeting.

It is recommended that Members using the translation facility allow plenty of time to ensure that they the correct settings prior to the commencement of the meeting.

## **1.11 Notice of Meetings**

Public notice of the time of the meeting will be given by publication on the Council's website at least three clear days before the meeting or, if the meeting is convened at shorter notice, then as soon as reasonably practicable. A monthly schedule of meetings is also published on the Council's Facebook page.

### **1.12 Exclusion of Public and Press**

There are times when council meetings are not open to the public, when confidential, or "exempt" issues (as defined in Schedule 12A of the Local Government Act 1972) are under consideration. Members will be reminded that the item is an exempt report and if they wish to discuss the content of the exempt report, members of the public and press will be asked to leave the Council Chamber if attending in person, or to leave the meeting if attending remotely.

The meeting Facilitator will ensure that there are no members of the public in remote attendance or in person that are able to hear or see the proceedings once the exclusion has been agreed by the meeting. Live streaming of the meeting will be suspended temporarily.

Each Member in remote attendance must ensure that there are no other persons present with them who are not entitled to be present (either hearing or seeing), or to have access to such exempt items, and/or recording of the proceedings. Any Member in remote attendance who failed to disclose that there were in fact persons present who were not so entitled would, in our view be deemed to be in breach of the Members' Code of Conduct.

### **1.13 Terminating filming of the Meeting**

The Chair has the discretion to terminate or suspend filming, if, in his/her opinion continuing to do so would prejudice the proceedings or that continued filming might infringe the rights of any individual.

### **1.14 Revising or replacing arrangements in relation to Attendance and Electronic Broadcasting of meetings**

Any revisions or replacement to the arrangements in relation to Attendance and Electronic Broadcasting of meetings will be published on the Council's website.

### **1.15 Arrangements relating to Joint Committees**

Protocols relating to the arrangements for Attendance and Electronic Broadcasting of Joint Committees will be published separately.
