#### **Landlord Service Guide**

Local authorities recognise and appreciate the positive contribution the Private Rented Sector provides in meeting housing needs. The private Rented Sector continues to expand and offers a wide range of housing options to a growing number of households. Landlords have continued to enhance their professional practice and raise the standards of quality both in relation to the properties they are developing and the manner in which it is managed. The Landlords Support Guide has been compiled as a means of showcasing the range of services that have been developed by local authorities in Wales in support of landlords and the opportunities available in all aspects of the development, letting and management process.

## Merthyr Tydfil

The local authority recognises the importance Private Sector Landlords contribute in providing housing within the local community. Merthyr Tydfil CBC wishes to strengthen this relationship further by providing advice, assistance and support to local landlords to ensure that they are able to manage their properties with minimal difficulties.

Private landlords can experience issues with maintenance, tenant troubles, damage and loss of revenues through rent arrears.

Merthyr Tydfil CBC can provide assistance, advice and support in relation to property management, access to grant funding, housing benefit, council tax, tenancy / tenant management and legal changes for private landlords

Additionally, the local authority wishes to further consult and ask landlords what you require so we can further strengthen the relationship.

Both the local authority and private landlords face challenges and may soon have to adhere to legal changes set by Welsh Government. The local authority aim to support private landlords through these changes and welcome any landlord contacting ourselves for any advice, assistance or support to any property, tenant or tenancy management.

If any landlord wishes to contact the local authority, we will always be happy to discuss any issues.
