Annex 2 - Conditions consistent with the operating Schedule

a) General

1. To maintain and uphold all licensing laws, as outlined in detail below
2. To ensure the safety and well-being of all customers, and visitors to the premises, via the rules and protocols outlined below.

b) The prevention of crime and disorder

1. Fit CCTV both in and off premises. This building sites within a new business development which includes a campsite which will also be monitored via CCTV. The exterior of this building will be covered by 4 recording cameras (car park area; entrance foyer; external leisure/play areas) which can be both monitored 'real time' or reviewed to obtain 'photographic evidence' if required. The interior will also be monitored similarly (6 camera – Bar area and cash register areas / kitchen / bistro / upstairs)
2. Adopt a suitable drugs policy and ID policy – we will operate a zero tolerance drugs policy. Recreational drugs will not be allowed on the premises. People suspected of the possession of such drugs will be asked to leave. We will also operate the challenge 25 policy; patrons without suitable ID who are challenged in this way will be refused service of alcoholic beverages. All members of staff (involved with the sale of alcohol) will receive initial training and follow up 'refresher training' on a regular basis
3. Use SIA licensed Doormen when necessary - In the normal course of business we do not envisage the need for a doorman, however should we be hosting a special function (in the upstairs area) and the building could hence approach its operating capacity then we will consider this option so that we can maintain effective control of all guests on site.
4. Join 'pubwatch' scheme if available. We are to check with other pubs and similar venues in the area to establish whether such a scheme is available. If so we will join the scheme.
5. Responsible drinking promotions. Any promotional activities on site will exclude those which encourage excessive drinking.

c) Public safety

1. Fit CCTV - as outlined above
2. Use SIA licensed Doormen when necessary - as outlined above
4. Adopt a robust fire safety policy - The potential fire issues have been discussed with the local Fire Department throughout construction. Once complete we will request a full 'fire review' from the Fire Service and this review will be included within the H&S Policy of the business.
5. Adequate staff training - all staff will receive induction training which will include training in respect of all policies highlighted above along with H&S and Fire training. All staff will receive follow up 'refresher training' on a regular basis.

d) The prevention of public nuisance

1. Respect residents / other business users in the vicinity - as we already operate a campsite, all guests are advised of the required standard of on-site behaviors, which includes respecting other guests and local residents and businesses. This policy will be extended to include the behavior of guests using the farm shop and Bistro.
2. Maintain noise levels at an acceptable level - this issue is included within our guidelines to guests (above) further we will be adopting a similar sanction in respect of our operation of this premises. Where music is being played inside, windows/doors will be closed. Such activity will be curtailed to within our standard operational hours.
3. Minimise disturbance at closing time - We envisage that the majority of our guests will either drive to the site or be campers utilising the campsite. As per the above issues re respect and noise levels guests will be aware of our requirements in this respect.
4. No drinking on/near Public highway - the building is situated some way away from the public highway; so whilst we are to be mindful of this provision we do not perceive this as a likely issue.

e) The protection of children from harm

1. Children ((aged less than 16 years) to be admitted only if accompanied by a competent adult (aged in excess of 18 years)and for food (excluding shop area).
