Local Well-being Plan: 2023-2024 Annual Report	<i>Discussion and Agreement</i>	
Crynodeb o'r Materion / Summary of Issues		
<p>The first annual progress report is due in July 2024 – 14 months after the initial publication of our 2023 -2028 Well-being Plan.</p> <p>This year the Chair agreed that the report should be delivered through the use of a video production. The filming took place on the 18th of June, and the video will be made available for viewing by members at the meeting so that comments can be considered prior to the final edit.</p> <p>The production features Delivery group Chairs and the PSB Chair being interviewed regarding their hopes and aspirations for the years ahead, and they are also asked about current projects, successes, and how our delivery has been organised, it is hoped that this sets the scene in an easily understood and accessible format. We are grateful to the participants for their contributions.</p> <p>The use of the video during engagement events will also assist in our ambition to increase communication and marketing.</p>
