Save your business money!

Use the recycling and food waste collections as much as you can to save money on your waste collections.

Did you know...

the law is changing and you will soon be required to sort your business waste?

For more information on the changes in the law visit the Welsh Government website www.gov.wales/environmentbill

Find out more about the commercial waste collections at www.ceredigion.gov.uk/commercialwaste

Do the right thing!
